**PISCES** 2/19-3/20 Destiny deals a heavy hand.....in your favor? Could be. You are confused about what you are putting behind you. Sort that out over time.

**ARIES** 3/20-4/21 You feel like you are getting lost in the shuffle. Everyone is getting more attention than you. Listen to good advice around the 7th. Old family conflicts seem to surface.

**TAURUS** 4/22-5/21 This is a good organizing time for you. Negotiate successfully around the middle of March. Someone you love needs to experience something for themself.

**GEMINI** 5/22-6/21 Face a reality check early in March. Either move up or move out. Give yourself two to three weeks to adjust and learn new things.

**CANCER** 6/21-7/22 You may feel like you're in "trouble" this month. You are looking for a solution. If you give in to emotion, expect to take a time out. A woman provides encouragement and resources.

**LEO** 7/22-8/23 Hook up with an

old "friend" this month. Enjoy the moment. This one's not a keeper.

**VIRGO** 8/23-9/23 you could meet a new friend this month. There's growth in relationships with women. Men are worried about their obligations.

# Take My Advice by Tajma Hall

Dear Taj,

Hey what's up. Well here is the story: I am in the wrestling team in my College. I practice with this boy (of course) and during practice I act sometimes a little fruity. But no one has caught on so far except for this boy and now in practice he tells me sexual comments. I like it but on the other hand he just could be playing around trying to be funny. So i pay no mind. He has not made any bad comments to me about gay people. So, OK, here is the question: How do i know he is gay? He's really cute and i don't know what to do.

Sincerely,  
Wrestling 101

Hi Wrestling 101,

It is nice to hear from a college athlete. I receive many comments from college athletes but they are all afraid to ask questions. There is actually information I need about the college you attend and the area before I can make a true assessment. However, I will generalize my comments as not to confuse you, get you into any trouble or get your ass beat. Wrestling is a sport of touch and feel. I think there is a certain curiosity for all men who participate in the sport of wrestling. I do not think you can have a homophobic bone in your body and be a true wrestler. You have to tolerate a penis rubbing you in all areas most of the time and not be bothered by that. You have to be comfortable in spandex and not be bothered by that. You have to rub all over another man's body and not be

bother by that. There are a lot of things you must do that any homophobic man would simply not be able to do. With that being said, I think all wrestles are more open and accepting to the touch and feel of another man. I am not saying that all wrestlers are gay or bisexual. I am saying that wrestlers must be open to the possibilities. On the high school and college level, we all know that sometimes your hormones have a mind of their own. Sometimes you may get a boner without any effort. There are times when you will wrestle and feel that boner rubbing on some part of your body. If you are not open to the touch and feel of a man in all stages then it will absolutely freak you out. With all of that in mind, I think if this young man is making sexual comments he is trying to tell you something without spelling it out. I think he is also trying to figure you out the same way you are trying to figure him out. If you are really interested you must make a move without making a move. Have a play wrestling match with him and brush him in all the right places?..accidentally at first and then intentionally. You should be able to get a clue from his reactions. Please do not try to find out in one day?..be easy on him and you will eventually find out exactly what you want to know. Soon enough you will both be frolicking in bed.

Dear Tajma Hall,

Where do the drag queens manage to find such fabulous shoes??? I go to shows all over and most queens have really cute shoes. Do tell.

Yours Truly,  
Feet for a Queen

*Dear Feet for a Queen!*

*You are asking a nearly impossible question to answer. It really depends on what size shoe you wear. Queens with a size 9 and under can find shoes at any store or mail order company. If you have a size 9 and under, there is an endless selection of fabulous shoes for you to choose from. Queens with a size 10 can pretty much find shoes at any store or mail order company with only a few restrictions. A size 10 can be hard to find but most stores can order it for you if it is not in stock. Queens with a size 11 have a little more difficulty but can find an enormous selection of fabulous shoes. You may have to search a little harder but for the most part you can place your feet in some of the finest shoes in the country. Queens with a size 12 and up may have to do a little research in order to find a fabulous pair of shoes. There are companies that offer larger sizes but through mail order only. Skyscraper Heels in Chicago is a great resource for those of you with larger feet. Either way, all girls need to realize that you too can have fabulous shoes if you look in the right places. Stop depending on your local discount stores to make your feet look fabulous. Start a savings account and allow your feet to look as fabulous as you would want them to look. Get busy girls and may YOUR shoes be as fabulous as MY shoes!*

*Straps and Heels.*  
Tajma Hall

Miss Hall,

I'm a student at Marquette University and I have a friend who is such a WHORE! He takes all my guy friends away from me. One day I was sleeping with a guy, and he walked in on me and the guy I was sleeping with and left with him. I just feel so unwanted, and I'm scared that if I don't stop our friendship he will steal every guy that I try to get with!!! Please help me.

with love,  
Unwanted

*Dear Unwanted,*

*Baby? you need to WAKE UP AND SMELL THE COFFEE. I do not know and probably do not want to know what you have been sniffing, drinking or popping but the answer to your problems are very simple. MAKE THE SWITCH AND DUMP THAT BITCH!!! If he was a true friend he would never take anyone away from you? unless discussing it with you first. I recommend that you quickly find yourself a new friend before you snap, kill the bitch and end up in a padded cell.*

*Much love.*  
Miss Hall

Well boys and girls, we are back and very much alive. Please do not hesitate to ask the Lady Taj anything your heart desires. There is no question that I will not answer and no subject that I will not approach. I am woman? hear me roar. Now get off your ass and start letting Lady Taj be your guide. Until next time, watch your neighbor as they may try to steal the crack out of your ass. Kisses to you all!

## Capital Headlines by Nikki Blaumblatt

In the past several months, Madison has experienced an increase in hate crimes. It began in January when two UW teens were charged with 17 hate crimes for destroying a gay issues bulletin board at Ogg Hall (a dormitory on the UW-Madison campus).

This incident was followed by an attack on two teenagers on February 6, at East Towne Mall. The 17- and 18-year-old boys were leaving a mall store when two former classmates began making comments about the victims' sexual orientation. "Although this is still an active investigation and I can't comment, I can confirm that that this case is being pursued as a hate crime," stated Madison police detective Alix Olson. The most disturbing aspect of the East Towne Mall incident is that it happened inside the mall in front of numerous witnesses. "Surely the attackers must have known they were going to get caught," said OutReach board president Bill Turner. "That indicates a level of confidence on the part of the attacker that I think is very disturbing."

OutReach, Madison and South Central Wisconsin's lesbian, gay, bisexual and transgender community center and the Madison Police are strongly encouraging that individuals who believe they have been a victim of a hate crime report it immediately. "The Madison Police are very sensitive to the LGBT community, but if you feel uncomfortable contacting the police first, we recommend that you contact OutReach and we will help walk you through the process," stated OutReach Community Relations Coordinator Nikki Baumbblatt.

On a bit lighter note, Perfect Harmony Men's Chorus (PHMC) will host its second Cabaret fundraiser on March 11 & 12 at the West Side Club. This year PHMC will offer two shows to give our loyal fans a better opportunity to enjoy an evening of song, Queen Anne's appetizers, libations, and... Go to the website and order your tickets now! ## CD: ULTRA DANCE 07

So, I was strolling through Barnes & Nobles and saw this cd in their dance/electronica section. The cool thing about Barnes & Nobles is you can have the cd scanned and you can listen to all of the tracks. ULTRA Records did a good job with picking out some big hits (even though some of them are a year old) to put on this CD. This CD was around \$22.00 but it includes two cd's. Some of my favorites are on Disc 1. Disc 1 is more mainstream

dance than Disc 2. Disc 2 has more darker/underground mixes. My favorite tracks on Disc 1 are Tracks 3, 4, 6, 9 and 11. Disc 2 my favorite tracks are 2, 5, 11 and 12. All-in-all this is one of those fun cd's you can put in your car, at work or at home and just let it play because it will definitely move you regardless of your dance music tastes. ULTRA Records also has volumes 1 through 6 that you can still get in stores too. They're all very good! Here are the track listings for ULTRA DANCE 07

### DISC 1:

- 1) The Killers - Mr. Brightside
