Presenting Vickee, your new Ms. Gay WI-USA. I have tried to feature the latest winner of the pageants on each cover right after they have happened, but with the holidays and holiday cover ideas, I had to hold off a few issues for this one. In case you are not aware, Vickee and Ann are the owners of The Madhatter in Wausau, and a couple of the nicest people you could ever want to meet. I hope you will stop in and say hello to them if you get a chance.

# SIT-N-SPIN

Happy New Year, everyone!

QUEST Magazine has asked me to review some records, and write a little about them.

I should first introduce myself (David Shore); I have been a DJ at the Pivot Club since 1986. There are also other clubs at which I've worked, but, until now, have never had to write any record reviews.

I called my friend, Za, for some help, since it was his idea in the first place. Of course, he didn't answer his phone (my guess is he's getting ready for the big turnabout show at his club; I just bet he was doing some sewing when I called).

The first record is a new song by Real McCoy called "Runaway." It sounds a lot like "Another Night," except not as commercial. I'm certain "Runaway" will be a hit!

The next three records I'm reviewing I don't have yet at the club, but I heard them on Chicago radio a couple of weeks ago. OK, so I'm cheating, but I deejay in Appleton; in about two months, these songs might be popular here, and I'm not getting paid to write this; so, I'm making this project a bit easier.

Next on my list is a song called "Lick It" by Roula. This song is so good and I was listening so intensely that I wasn't paying adequate attention to my driving and missed a turn. Oh, well! "Lick It" sounds a lot like some of the Tecnotronic tunes.

"Booty Call" by Fast Eddie and DJ Sneak (not to be confused with "Bottie Call" by Blackstreet); this number is all over Chicago radio, and it sounds a lot like "Move It" by Reel to Reel.

Lastly, the new song by the 69 Boyz is called "Kitty Kitty," and I like it mostly because of the bass line. I'm told it came from an old Gap Band tune called "Burn Rubber." That's good, because it's nice to hear that 'sound' again and maybe some DJs will play some of the old Gap Band stuff again. We seem to be good at recycling old disco, so why not some old funk?!

That's all for now. Till next time.

—David Shore
