Elections to be Held March 10

According to CCBA By Laws, the Annual Election of officers should be held on the third Tuesday of January. (Article III, Section 1) However, exercising its option, the Board decided at its November 24th. meeting to postpone the Election until March 10 at 7:00 p.m. According to the CCBA President, "this date change was due to the necessity of setting up sound operating procedures for this election, which the Constitution does not contain." Another factor, according to the Board, is the matter of the Evaluation and Goal Setting Session.

Messing up your Calendar?

As you look at the Upcoming Events department in this issue, you will note that most dates have been changed. The Board of Directors wishes to apologize for this situation. It has occurred for two reasons. 1) Our November Meeting had to be shifted in order to get into the Boulevard Inn. 2) The Board listened to your comments and ideas at the last meeting. These dates you can write in your calendar in pencil!

BOARD Reviews 1981

At the November 24th. meeting of the CCBA Board of Directors, the year end task of evaluating 1981 and setting goals for 1982 was initiated. Each Board Member was given a multi-page questionnaire to fill out concerning such topics as the Committees, Membership and Community Involvement. The Board agreed that two meetings in December would be needed to thoroughly evaluate 1981's events and to effectively set priorities for the coming five years.
