## Rainbow Valley Resort A word from the owner:

It was love at first sight when I found this old artist's resort for sale. From the moment I first drove into the private, wooded valley I knew it could become a safe haven for an alternative-lifestyle. With some effort, this private location had the potential to become

everything our community needed. On February 7, 2001, I bought the resort unaware that it would take a year of renovations and carpentry before the grand opening. Finally, on September 19, 2002, Captain Dix opened for business. Thanks to our very dear friends, Matt Michael Mattelig and Matthew "Princess" Marit who resigned from their jobs to come and work with us in creating a great resort. I would sincerely like to thank all of our wonderful friends, family and guests who have supported us. A very special 'thanks' are extended to Geraldine Hanson and Dick and Peg Campfield who helped make Captain Dix resort a reality...

Owner,

Gary
