GREAT LAKES LESBIAN GAY DIRECTORY 1991-1992

This is the first directory of such kind which is directed to the homosexual community of the Great Lakes Region. Targeting the states of Illinois, Indiana, Michigan, Ohio & Wisconsin.

It has been compiled and published for the sole purpose of promoting the exchange of services. To reach out to the community and allow each of us to discover what being proud of being homosexual is all about.

As you glance through, you can see the variety of choice there is to choose from in your own state, as well as, those neighbors who live around you.

We hope the information contained will be of value for all your social and personal growth needs.

Thank you for your support and remember to stand proud!

ORIGIN OF THE PINK TRIANGLE

During the Nazi era, prisoners in concentration camps who were known or even suspected of being homosexual were forced to be identified as such by wearing a pink triangle sewn to their clothing. This pink triangle represents one-half of the Star of David which all Jewish prisoners were forced to wear. Although death was imminent for most prisoners, if those labeled homosexuals were ever found not wearing their pink triangle they would be executed immediately.

Today the pink triangle has become a symbol of pride for Gay and Lesbian people. While it is an ever present reminder of the persecutions suffered, it further represents the solidarity and determination to be freed from oppression, and to gain the rights and liberties for which all persons are entitled.

ORIGIN OF THE LAMBDA SIGN

The Lambda symbol in the Gay Community has taken on many meanings...

- It is the middle letter of the Greek alphabet and carries the meaning of liberty.
- It found its way into the Gay Community in the early 1970's by the Gay Activist Alliance of New York who adopted the Lambda as its symbol for Gay and Lesbian rights.
- Lambda is designated in scientific terms as meaning "kinetic energy".
- The Lesbian Community has linked Lambda with the Isle of Lesbos.
- Legend has it that (Gay) Greek warriors wore the Lambda symbol on their armor during battle.
