B.H.C.

The Gay Community of Milwaukee is anxiously awaiting the outcome of the court hearings in The Broadway Health Club Bust Case. We wish that we had some good news to tell you about it but unfortunately, we don't.

All we know is that some of the best attorneys in the city have been hired to work for us in this case. The sad part is that good attorneys do not come cheap. Money is needed, in fact, thousands of dollars in money is needed.

This is not a time for apathy in people who are not directly involved in this struggle. It is not just their struggle; it is everyone's battle. At stake is the freedom to live your life in harmony. If our, so called, Law Enforcers (sic), are allowed to treat us as second class citizens without rights, The B.H.C. people do not lose, we all lose.

There are two fund-raising benefits coming up, PLEASE support them. On Tuesday June 6th there is a movie at the Parkway Theater, and on June 7th there is a benefit show at the Baron, BE THERE.
