WHAT'S HAPPENING ?

# No on Prop 6

What IS Proposition 6? It's the epitome of one man's hair-brained idea on how to save the world from those awful homosexuals. He is starting with those teachers who are gay and who lure all kids into horrible situations.

Prop 6 will come before the California voters November 7th, and if it were to pass, here's what would happen.

Anyone who is gay, rumored to be gay, or simply refers to any one or anything gay would be fired if they are involved in any capacity with the California School System. "Straight" people would be fired too, if they simply tolerated the idea that one could be true to one's self.

Anyone accused of being gay would have to prove otherwise, subjecting family and friends to all kinds of wierd scrutiny.

The 187,000-member California Teachers Assn has chosen to fight this all the way. While they recognize the absurdity of the proposition, they also must look at the "successes" of some groups which have set out to make it difficult for gay people.

The Club Bath Chain is doing a fund-raising the weekend of the 23rd nationwide. You can also send money - yes, send money - to:

No on 6 Committee  
5104 Wilshire Blvd  
Los Angeles, CA 90036

If such a law were to be passes in California, it would be a short matter of time before the voters in Wisconsin would be seeing the same kind of lunacy.

MCC Founder, Rev. Troy Perry, is heading up the No on 6 Committee. Let's give them a hand.

By this time, it's old news that the Milwaukee Suds came in for Third Place in New York. The reception the team got on it's return to Milwaukee said they were No. 1!

In talking with Arturo, it was apparent that the other teams involved were impressed with our team, all good ball players - men and women.

Again, as in Toronto, the people of New York were fantastic hosts. Our team was hosted by the Badlands Bar.

On behalf of the team, Arturo asked special thanks be given Glen L for keeping score, all the fans and special kudos to our Nurse Bruce.

Milwaukee Thanks everyone envolved with the Saturday Softball League, also, Toronto, Los Angeles, San Fransisco & New York. Special Thanks to Chuck Dima, New York Commissioner, Mike Carey, Asst Commissioner and Richerd Diaz. A Great Job was Well Done in the 2nd Gay World Series!

P.S. Finally, we got you, Eagles. Did the Full Moons get you?
