What's Happening?

No news is good news? Sometimes that is an understatement. Sorry to be so late in reporting this, but what does one do when nothing happens. There was a bit of fuss about the coming visit of Anita last month. The good news is that there was no news. We don't know if the theatre decided not to book her or if she backed out, but either way, we are glad to tell you we have nothing to say!

What happened? It seems that for the month of January, most people crawled in a hole, stayed home or found a fantastic new lover. The gay businesses of Milwaukee are still operating folks, and they are just as much fun as other times. So get on out and rejoin the crowd. Someone may be looking for you....

The Calendar has received numerous complaints, it is a pleasure to note. This page with my comments was missing from the last two issues, due mostly to space problems. Also, in order to print it, it would have to be paid for with the expense of four more pages, not just one.

The Calendar is intended to be purely of public service and it's too bad to learn what people want only after it has been left out. You don't have to know me to tell me what you want. Cards or letters as well as the personal comments are all welcome. Each comment or criticism is considered carefully, and each is just as important to me as another. Some will start making a comment "You probably don't think what I have to say is important, but..." Wrong. Let me know what you think.

As we switched to computer typesetting, we were pleased with clarity and readability on the day-to-day information. Something happened, however, and our friendly computer dug up some old info it had been told to forget. We hope this issue has it straightened out. And how was your day?

Who's Happening?

With our next issue, the Milwaukee Calendar will begin a new feature called "Who's Happening?" Milwaukee Gay people who have made some outstanding contributions--whether to the Gay Community, or to the Community at large--will be sighted for their accomplishments.

We hope this new feature gives credit to some of the outstanding talent that exists largely unrecognized within our Gay Community.

Nominations for "Who's Happening?" (Nominees will be contacted) may be mailed to:
