Several sandy beaches dot Milwaukee's waterfront. Bradford Beach stretches leisurely along Milwaukee's shoreline just East of downtown. Other shoreline attractions include the County Marine, the Art Center, Milwaukee and South Shore Yacht Clubs and the Juneau Park lagoon where wild ducks make their year round home.

Water Tower Park is a gathering place for East Siders. Cool summer breezes off the lake provide natural air-conditioning. This is just one of Milwaukee's fantastic parks that offer daily outings for picknickers, golfers, hikers and bird and flower watchers.

The finest medical facilities in the nation are available in Milwaukee. The new St. Mary's Medical Center shown here is a 300 bed hospital. The diagnostic center was completed in May, 1976
