HIT announces the elections of its Executive Board of Directors for 2003-2004

**HIT Executive Board Members**

*Jeff Whitt - Director, Mark Horan - Asst. Treasurer, Rochelle Ciucci - Asst. Director, Mark Klemme - Treasurer, Bob Gliniecki - Assist Secretary, Bill Conklin - Secretary*

The Executive Board of the Holiday Invitational Tournament would like to invite anyone interested in participating, running for a board position or volunteering to be a part of one of Milwaukee's Oldest Sporting Events. Be a part of History as we celebrate our 25th Silver Anniversary, the Oldest Gay and Lesbian Bowling Tournament in the United States and Canada.

The Holiday Invitational Tournament was originated to be a safe haven for Gay and Lesbian individuals who could not spend the Thanksgiving Holiday with Family because of their sexual orientation or who were not yet "OUT" to family and friends. However, times have certainly changed and the tournament has evolved allowing individuals to spend time and compete with their "family and friends" during the Holidays. Milwaukee was the original location for this type of tournament, but 100's of tournaments have been setup across the United States and Canada on

their respective Holiday Weekends following Milwaukee's lead.

This year promises to be a very exciting event! The Tournament committee anticipates over 400 bowlers and non participants to attend our Silver Anniversary over Thanksgiving in November, 2003. As always, we will need the community's support, financially as well as voluntary time.

The Board Elections will be held on January 9th, 2002, at 7:00 pm, in the Banquet room of the M & M Club at 124 N. Water St. Directions can be obtained by calling (414) 347-1962. If you need additional information about HIT or the meeting, contact us at hitmilw@execpc.com or call Jeff Whitt at (414) 454-0434. We look forward to having you at this meeting and seeing you throughout the year!

Feel like chicken? Cluck's Restaurant is the place to go! **GAVIN BRAUN** and buddy, **BRAD BENTON**, get the munchies and go to the drive thru. The two get the hornies so bad that they start going at it in their jeep in the drive thru. The two smooch on tender lips before chowing down on each other's big, fat tools. Next comes the butt licking as eager tongues dart in and out of the bunghole. Gavin then plugs his buddy with his fatty and pumps it until both spill their boy butter. Inside the restaurant, **ANTONIO MADIERA** and **CLINT FOX** order up some young chicken themselves. **TY PARKS** and **TRENT ATKINS**, on the other side of the restaurant, join them. The boys begin swapping spit, strip and soon go down on tenders. Antonio and Clint do a sexy little flip-flop while Ty sticks it to Trent on the tabletop with butt munching as the appetizer before the main course of butt ramming. As the day ends, the restaurant closes, and **CADE DEVILIN** cleans up. Silly, sexy fun that's finger lickin' good!

Dear Editor:

I loved Chi-Chi's December article. Especially the part about that Paul Bunyan type guy that came to town to expand his dating possibilities. I know just who you are talking about. You are right on with your assumption, Cheech. I like that kind of gossip and I love your cheap talkin' column. Give us more gossip.

Restaurant Review — The Pasta Tree

By J. Alan

Getting the winning bid for a gift certificate at **The Pasta Tree**, during the G/L Trust Fund silent auction, my partner and I had a wonderful intimate authentic Italian dining experience.

We arrived early evening and were seated immediately. The decor was simple but effective and cozy. Along one wall there were Italian sofas for the diners to sit on; a very nice contrast to the plain bench seats referred to as "booths" in American family restaurants. The waitress was very friendly and presented us with an ample wine list. We chose Corvieto Classico "Campo Grande," a delicious semi-dry white wine.

I ordered smoked salmon in alfredo sauce over linguini. The portion size was very generous with lots of salmon, generous enough to share if desired. Oh, and the taste, you ask; well it was delicious beyond description. Hats off to the chef who really knows how to cook this dish.

My partner ordered shrimp on saffron rice. The saffron was truly authentic and plentiful, as you could easily see the red strands

of saffron. My partner enjoyed it very much.

We ate at a comfortable pace and thoroughly enjoyed the atmosphere. For desert, we had a delectable creation consisting of lady's fingers with chocolate, whipped cream and amaretto.

Sorry for not quoting any Italian for the names of the dishes or the desert, but my Italian is awful. But, a delicious meal is a delicious meal whether it be described in Italian or English.©

## Cruisin' Carl's Military Cruisin' Days

By **Cruisin' Carl**

If you think that last month's article was hot, you need to keep on reading; there was more than that one encounter with the hot beefy stud I caught masturbating in the shower room.

It was about the last full day of boot camp. Being together with a large group of guys for that long resulted in a lot of male bonding in the barracks. That evening, before going to bed, some of the guys started their ritual wrestling match to see who was the most macho. The hot stud I told you about last month was the defending champion from the night before and it was up to him to choose the last opponent.

As he looked around the room, everyone was standing at attention in their boxer shorts, in hopes to have a chance to prove how macho they were. It's moments like these that make me realize why the military requires us to wear boxers. If we didn't, our hard bulging tools would be so irresistible to each other that we all would be discharged for what would inevitably happen.

As he was ogling all the beefy studs, I was just getting back from the shower and walked into the barracks. His eyes locked on me and he looked me over with a seductive gleam in his eyes that told me I was in for more than just a casual wrestling match. He lunged at me and I could not honorably avoid the match. My heart was pounding. And, with one thrust from this lean beefy stud, I found myself on the floor, pinned under his muscular body. He was in his boxer shorts and all I had on was my towel. With the leg opening of his boxers caught on the end of my nose.

See "Cruisin' Carl" on page 9.

By Gay Zing Gayle

Let her gaze into your future.

**♈ARIES:** Beware of false reports. Don't be so gullible. If it sounds too good to be true, you need to be more skeptical.

**♉TAURUS:** Take some initiative and make a fresh start. Take a few chances and see where it will take you. Exercise your independence.

**♊GEMINI:** Ignore the advice of your friends, as they will try to bring you down. Don't let their pessimism stop you from doing what you want. Take those chances that you have been afraid of. They will work out for the best. Remember: "Nothing Ventured, Nothing Gained."

**♋CANCER:** Investigate! Be familiar with the project at hand. Don't attempt to substitute ego for knowledge.

**♌LEO:** Be sure that your partner does not keep you in the dark when it comes to finances. Make sure you are in control or you may find yourself in the red when you thought you were in the black.

**♍VIRGO:** If single, you may find a lover. If you have a lover you will find a new spark in your relationship.

**♎LIBRA:** A big purchase is inevitable this month. Real estate is more probable. Pay attention to detail before signing any contracts.

**♏SCORPIO:** In January, you give your heart to someone who has not been truthful. Be aware of what they say and do. Get out while you can!

**♐SAGITTARIUS:** Money comes from a surprise source. When the music plays, dance to your own tune.

**♑CAPRICORN:** Improve your personality! Wear brighter colors. An aura of deception surrounds you. Be on guard and protect yourself.

**♒AQUARIUS:** Confront your fears! What appears to be the unknown will actually come natural for you. This is your month for success!

**♓PISCES:** Your hopes and wishes will be fulfilled this month. Just learn the lessons of your past. When the money comes in do not be so extravagant.

# Cheap Talkin' Chi-Chi

By Chi-Chi

Happy Holidays Everyone!

My, what a month it has been. So much going on that it is hard to know where to begin; so let's start.

Holiday festivities started early in the month with the annual Third Ward X-Mas Party held at my home away from home, **M&M Club**. Among the many local celebrities was newly reelected **Sheriff David Clark** looking very dashing. He's married Rona, so hands off!

Later in the month, M's held a sing-a-long with Bonnie who recently enjoyed a guest appearance with the Men's Voices Milwaukee Choir and her accompaniment, Tony, tickling the ivories.

Men's Voices Milwaukee

The following night was the customer appreciation X-Mas party hosted by **Baby Jane Hudson** and her assorted X-Mas faeries and elves. Among the glitterati were the **219 Girls (Nova Desirée and Joey Black)**, **M&M's Corona**, **Miss Kitty from Fluid**, **Michelle from C'est La Vie** as well as **Dear Ruthie**, **Cha-Cha**, **Shannon DuPree** and a very hot stripper whose stocking stuffer kept the crowd quite entertained.

Hmmmm!

I was able to get down to **Boom** for their X-Mas soiree. Thanks go out to **David, Tim** and **Lee**, for a wonderful time had by all. Check those boys out, they're worth a stop-by.

Lee, David and Tim at Boom

**C'est La Vie** had their annual X-Mas Eve party hosted by **John Clayton** and staff. A buffet and open bar was provided. And, from what I heard, it was enjoyed by all. Be sure to say "Hi" to **Alvin**, one of my favorite bartenders there. Alvin usually works on Sundays from 1:00 to 10:00 and is always ready with a smile and kind word. Luv Ya Honey!

The hostess with the mostess, **Miss Charlotte Lorraine**, held a gala on X-Mas day for the many who needed a respite from all the family duties the season can bring. Thanks also go out to **Lady Bye**, who cooked a wonderful prime rib dinner for this X-Mas orphan and friends from Chicago.

I was dismayed to hear from my good friend "Ratso" that **Off The Tracks** will be closing their doors. My heartfelt wishes go out to the staff and owners of this much-missed establishment.

My deepest sympathy to my friend **Jeff** who lost his lover **Terry** to PML. A memorial was held on December 14th. Even though I was not in attendance, many of Jeff's and Terry's family and friends were. Terry was always ready with a quip and smile for anyone he met. He will be missed by many and lovingly remembered.

Well, this year has been filled with many ups and downs; but I hope everyone looks to the new year with hope and wonder to what the new year can provide. I hope everyone had a safe and wonderful New Year's celebration and I wish a heartfelt

thank you to all that have been so supportive to me in this new venture I will try not to disappoint in the coming year.

As always, keep the talk cheap and the liquor flowing.©

*Cruisin' Carl - continued from page 4.*

I could smell and see his massive box. I didn't want to struggle but just lie there and enjoy the moment as long as I could. Instead, I had to make it look as if I was trying to win and I flipped him over and now my box was in his face. My tool was hard, probing against the underside of his chin and I thought I heard a moan of pleasure from deep inside him. Then, in a blur of several frenzied moves we were both on our knees facing each other. At that

moment I realized my towel had fallen off and I was butt naked. My tool, although not hard, felt as if it had swelled to maximum size from all the excitement.

The rest of the men were in an uproar, demanding that he remove his shorts too, to even up the odds. But, he was too slow to remove them, so the two biggest, beefiest of the other guys grabbed him and literally tore his boxers off. Now we were both naked on our knees and it looked like his tool also had swelled to its max and was practically touching the floor. I was feeling a bit paranoid, afraid that one or both of us would get fully aroused and get razzed by the other men.

Well, to my relief, he ended it in one quick lunge and had me pinned again. One of his knees was between my legs pressing against my groin and his tool was touching my navel. The men did a

unusually (mmm) slow count to three and declared him the winner, just as the call for lights out was heard. We got up quickly and got into bed before anyone caught us in our turgid condition. I lay in bed and realized that he wanted me as much as I wanted him.

Late that night, when everyone else was sure to be sleeping, I saw that beefy stud walk by my bunk. He was sauntering by slowly as if he were summoning me to follow. He left the barracks, probably to go to the latrine. I got up and followed like a hungry lion on my hunt for beef.

Sure enough, he was just entering the latrine as he was looking back over his shoulder to see if I was following. When I got in, I heard the water running in the showers and new it was him. I quickly

removed my boxers and entered the shower room but he was not there. Suddenly, he tackled me from behind and pinned me to the floor. He said in a seductive but gruff tone that we were going to finish the wrestling match for real. Startled, not knowing what to expect, I gasped and told him, "OK, I won't hold back this time." But who was I fooling, he was definitely in control and kept me pinned down as he began to grind his massive hard tool against mine.

The showers were producing clouds of thick sultry steam ensuring that no one happening by would see who we were or what we were doing. He reached down and started using his fingers to loosen me up for what I hoped would be coming next. I decided to let him take charge and just went with the flow. From somewhere, he produced a condom and ordered me to put

it on him. Rolling the condom onto his hard massive tool excited me to the point that my tool was dripping with desire. Our bodies were drenched in sweat from the hot steam produced by the showers making us even more aggressive. Letting him have his way with me, we worked up to the point of no return. He began shuddering and convulsing as he released just as I released myself with such vigor that I thought I was going to pass out.

We showered off while embracing like lovers, with the hot sensual water flowing over our tired bodies. We knew that this was our ultimate encounter and would not see each other again after the next day's graduation ceremony. We parted and returned separately to our bunks and went to sleep.
