New Board Members For H.I.T.

By Rita

The Holiday Invitational Tournament announces the 14th Annual Rita Bowl!!! To be held on Friday March 14th, 2003 @ 7:30 pm at AMF West Allis, 10901 W. Lapham Avenue, West Allis, WI 53214, Phone 414-476-9100. Cost of the tournament is \$15.00 per person or \$20.00 with round trip bus transportation, leaving from several bar locations.

This is a wacky Bowling Party. During the first game you will bowl differently each frame. There is a frame where you lay on your stomach on the floor and push the ball down the lanes with your hands, next you might be blind folded or asked to hike the ball between your legs. Good news, you do not have to know how to bowl at all!!! But, you better know how to party!! Get your 4-person team together or enter by yourself. Tickets always go fast and it looks like it could be another sell out!!!

Tickets: available from any HIT Board Member or contact us at hitmilw@execpc.com or call 414-454-0434 for availability.

We are looking for any items that you might have to donate for the Rita Store. Maybe some of those bad Christmas presents you will never use. Any trinkets or trash will be appreciated. Please call us at 414-454-0434 to make arrangement to pick up any items you may wish to donate. Last year we had over 2,000 items that were distributed among the approximately 150 bowlers. Your donations not only help support the Annual Holiday Invitational Tournament but allows us to help other community organizations. And speaking of that, HIT has decided to donate to the following organizations from the Board of 2002; ARCW, BESTD Clinic, Mil-M-Aids Milwaukee and the International Gay Bowling Organization Milwaukee 2005 Bid Committee.

If you need additional information about HIT or the meeting, contact us at hitmilw@execpc.com or call Jeff Whitt at (414) 454-0434. We look forward to having you at this meeting and seeing you throughout the year!

G/L Community Trust Fund

Our annual holiday dinner party that was held at the Club M & M was a great success. We were able to raise over \$2,500.00. Funds raised are donated to the G/L Community Trust Fund to help the many underserved gay organizations in the community. I wish to make a special thanks to those businesses that contributed to the silent auction. It's not an easy operation to put together an auction, so I encourage your support to those businesses that help with a contribution.

Letters to the Editor

Dear Editor:

I have closely scanned Vol. 2, Issue 1 for misspellings. Although I do not claim to be an excellent speller, I found the following list. None of the listed words is recognized on your web-site contest:

- p. 3, col. 2, last full para. - linQuini, for linguini
- p. 4, col. 1, line 3 - desert, for dessert
- p. 7, col. 1, line 20 - accompaniment, for accompanist (o.k., so it's a wrong word choice even though properly spelled)
- p. 9, col. 2, last line - new, for knew
- p. 12, col. 2, caption - Docs, for Docks
- p. 15, col. 1, line 14 - ensuring, for assuring (word choice again) and col. 2, line 13 - sensual, for sensuous (word choice again)
- p. 24, col. 1, line 1 - it's, for its.

I realize that language purists are nearly extinct, some usages are so common that it's futile to hope for a purer form (e.g., "thru" rather than "through"), and that spell-check programs have made worse spellers of us all. I also know that I risk your complete disregard and even ridicule.

So, just consider this a post-mortem gasp by my teachers.

Jon Lindberg

Editor: And, you missed the worst one of all. It's on the front cover. That was the one for the contest.

About the Cover - Pulse, The Heartbeat Of The Community

Pulse, 200 E. Washington

Milwaukee's latest, newest club, Pulse, has made a major transformation from a women's bar to a all-around gay bar where everyone is welcome. Leather, drag, country-western, sports or dance, there is something for everyone at Pulse. Renovations to the club have lent a favorable atmosphere to a variety of new activities. Including classic rock nights, karaoke, latin salsa, roaring 20's gangsta parties and more. The latest addition is their hot new pulsating all-male revue on Sunday nights. There is nothing else like it in Milwaukee. These performers are **hot** and eager to please.

Another hot feature is their sci-fi party that encourages patrons to come as their favorite sci-fi character. This is guaranteed to be a fun time. Check out their ad in this issue. Also, their latest addition to the staff, Jake, with his wide variety of hot, sexy outfits will keep you coming back for more.

We, at Outbound, want to congratulate Pulse for their efforts in bringing the gay community of Milwaukee something new and refreshing.

Restaurant Review — Crazy Water

By J. Alan

Katie at Crazy Water

Crazy Water, on south 2nd street, 1/2 block south of Fluid, is a quaint little bar & Restaurant with a jazzy, upbeat and intimate atmosphere that attracts people from all age groups. My partner and I decided to check it out on a Saturday night (get there early as they fill up fast). The host informed us that there would be a 20-minute wait, so we decided to have cocktails at the bar while waiting.

The bartender, Greg, was pleasant and quickly got us our cocktails. The other patrons at the bar were very friendly and courteous. Crazy Water has a very eclectic mix of people that makes it very conversational and fun.

We were seated about 15 minutes later and were greeted by our waitress Katie. We ordered a bottle of Nebbiolo D'Alba wine which is a dry red wine that compliments any meal.

My partner ordered the sautéed scallops in lemon butter. The dish also came with jasmine rice and baby carrots. The scallops were done to perfection with just the right amount of seasonings bringing out the tender taste of the scallops. A great dish for

anyone who loves scallops and does not want to feel over stuffed.

I chose the tenderloin filet with raspberry sauce. It came with scalloped potatoes and baby carrots. The tenderloin was very tender with a hint of raspberry. This dish is truly different from anything I have ever had. I definitely recommend this to anyone wanting something different and delicious. We finished out our meals with a sample of their wonderful desserts. I had the bread pudding and my partner had the apple cobbler with ice cream. Both desserts were a delight.

With both meals and a bottle of wine and a cocktail apiece, our bill came to just under \$100, including the tip. We recommend Crazy Water for your next dinning experience.©

Cruisin' Carl Cruises the Gym for His Valentine

By Cruisin' Carl

Another Valentine's Day just around the corner and I'm out looking for my Valentine again, like any other year. Well, maybe this year will be different. Thinking that maybe the gym would be a fun place to cruise for a beefy Valentine, I started digging through my closet. I found my favorite tank top that fits so tight that my pecs can't go unnoticed. Then I found my favorite shorts that are really short with a few naturally worn holes. I looked at them and decided to make them even shorter. With scissors in hand I even made a few more holes to make cruising even more fun. I hurried along because I was getting aroused from the anticipation of cruising those hot sexy studs at the gym.

As I pulled into the parking lot I saw him; the beefiest looking stud that I had seen in a long time. Even though he was wearing a parka and heavy clothing, I could see that he had large muscular arms, beefy legs, tight ass, and a large bulging endowment that got me aroused.

As I walked in and showed the cute guy behind the desk my membership card, I noticed that the gym was packed with beefy, hot looking studs and the guy behind the desk noticed that I was ogling them. He gave me a quick wink and a reassuring smile. I thought this is going to be my day and hurried in to get changed. I took the locker closest to the showers where you could stand and be a voyeur looking at all the prime cuts of beef as they washed off the sweat after a hard work out. At the moment there were several. All pumped up and lathering their tools, some more than necessary. I was mesmerized. I snapped out of my trance, a bit startled as

the stud I saw entering the gym said hello as he walked past on his way out into the workout area. He looked over his shoulder at me just as he rounded the corner. I nearly went wild as I hurried to get changed. I decided against wearing a jock strap so that I could enjoy the feel of my tool swinging as I worked out. My lust was nearly out of control.

With the gym being so packed, I was fortunate to start on the bench with free weights. I was lying on the bench pressing my usual, three 45-pound weights on each end of the bar, when he walked up and offered to spot for me. He was standing over me at the head of the bench and I could see directly up into his shorts. He was wearing only shorts, neither jockstrap nor underwear. I saw a huge plump tool that was practically peeking out at me with a clear, glistening drop clinging to the end. I knew he was as horny as I was. I accepted his offer and I asked if he wanted to work into my routine with me.

Ten reps later, we switched places and now I was standing directly over him and I knew by his smile that he could see up my shorts just the same as I could see up his a moment ago. A quick check with my finger proved that I was dripping too. We finished three sets, switched to the pec deck, arm curls, and finally back to the bench using dumb bells. Again, we could see up each other's shorts. The affect from the work out had his huge tool dripping. A large drop splattered on my forehead and my own tool nearly burst out of my shorts. We were pumped up in more ways than one and decided to head back to the locker room.

Back in the locker room I lost sight of him. I got undressed. With towel in hand I headed for the showers. The scales were

Cheap Talkin' Chi-Chi

By Chi-Chi

Greetings Gossip Mongers! This is usually a quiet period after the holidays with credit card bills coming in and people recovering from all that holiday cheer (hiccup)!

One of the highlights was to experience the last of the red hot mamas, **Miss Sophie Tucker**. This wonderful revue of this vaudeville legend was presented by the **Stackner Cabaret**. A group of us were hosted by our favorite server "**Buzz**" while we watched the lovely **Ms Carolynne Warren** bring this legend to life. Accompanied on piano by **Mr. Jack Forbes Wilson**, we were told we really livened up the show, however it was Ms Warren that deserves the accolades. Check out the next show when Nat King Cole will be featured and ask for **Buzz or Ted**, they are quite the dynamic duo.

I was invited by the cast of **La Cage** to terrorize Chi-Town for their annual employee pilgrimage, starting with dinner at the Prime Quarter steak house. Unfortunately, yours truly had to work but I thank **George** and his staff just the same.

Next door, the boys at Fluid always make me feel welcome. Please check out the eye candy behind the bar as well as some of their great drink specials. From

specialty martinis to ice cream concoctions created by **love De**, there is something there for everyone. **Bill and Jim** always make you feel welcome so check it out and say hi to **Will, Brian** and my old swimming rival **Steve**.

De at Fluid

There seems to be a surrogate sex therapist for couples in town who need to spice up their love life. This beanstalk is a total bottom, so make sure your "tab A" will go into his "slot B." Unfortunately, one night two of his "clients" were at the same bar and the cat was out of the bag. If interested, look for his white baseball cap that he likes to wear.

Recently two boys from Denver took a liking to moi. **Mr. Size-Sixteen Shoe** (ahem) offered an invitation I had to refuse since my mother brought me up right and, as everyone knows, I am not a home wrecker.

My favorite bartender this month is **Lance** over at **Woody's**. I usually see Lance on Wednesdays and he is always ready for a dice game. In addition to being a huge Badger fan, Lance is a member of the gay tennis and bowling leagues. Stop in and tell him Chi-Chi sent you. (Continued on page 9.)

The Gay Side — By **T. Rezza**. gayside@outboundwi.com

For the ladies, check out owners **Betsy** and **Becky**, and the cute little dynamo "**Sheena**" behind the bar at **Walker's Pint** on 2nd St. just south of National Avenue. These ladies have one of the last bastions for lesbian watering holes, so please support them.

36, on January 17. I would like to thank **David Howser, Rona, Marybeth** and **Patti and Elaine** as well as everyone else that helped me celebrate. **I love you all!**

I hope everyone has a special valentine but if you do not, just know that the love of family and friends will always be there.

As always keep the talk cheap and the liquor flowing.©

Love, Chi-Chi.

developed and he had the most gorgeous butt. Just as I was walking by I heard him say "Two pounds, eyiii!" And I was thinking, "More like three if he's talking about what was between his legs." He must have gained a couple pounds, but it could only be pure muscle.

I took the last shower in the back corner of the room and adjusted the water as hot as I could stand it. Just as I worked up to a full lather and started giving my tool a bit of extra lathering, he came in and took the shower next to mine. Soon he was all lathered up, running his hands over his firm muscular body, making me so horny that my tool began to come to attention. He looked over at me just as he was working the lather around and down the full length of his manhood. I realized for sure that he was cruising me and I might as well make the best of it. I rinsed off and started to leave and said to him, I'll wait for you at the entrance. He nodded and gave his tool one last tug for my pleasure as well as his.

Outside by the entrance, only a short time passed and he was coming out. He looked so sexy with his hair still a bit wet and his jacket open to let the cool air caress his body that was still hot and steamy from our workout. He walked up to me and said, "Where are we going, stud?" I explained to him that a friend of mine left me in charge of watering his plants while away on vacation and gave me permission to use his hot tub, guests included. We got into my PT Cruiser and headed for the Upper East Side of Milwaukee.

We arrived at my friend's house and I showed him directly to the sunroom adjacent to the patio. Moments later we were both totally naked. I reached down to feel his massive tool. His low-hanging balls felt heavy. They were hot, sweaty and hairy, filling me with uncontrollable lust. He grabbed my ass, a cheek in each hand, and pulled me toward him as if he were

going to mount me right then and there. Not having the proper paraphernalia at hand, I seductively pulled away and guided him out to the hot tub on the patio.

A privacy fence conveniently enclosed the patio. And, to my relief, I noticed that there were condoms and a bottle of Elbow Grease by the side of the hot tub. The air was cold, as January usually is in Milwaukee, and we wasted no time getting into the hot sensuous water. He was in a lusty mood and began pressing his beefy tool against mine. Bumping and grinding our way to an ecstatic passionate state, we caressed and fondled each other. He reached over and grabbed one of the condoms and gave it to me to put on him. I rolled it down his huge rod and lubed it up.

Roughly, he turned me around and bent me over the side of the hot tub. The hot water was lapping at my tool while his began probing for my hole. He slowly entered me and worked me into a frenzy. Pounding me harder and harder, his low hangers were slapping against mine as they splashed in the hot water.

His tool felt like it was getting longer, harder, and fatter as he began to groan and his muscular beefy body became tense with the onset of orgasm. My own tool was hard and pulsing with the head deep in the hot water as I too began to expel my load.

As we dried off he made mention that he had to get back to his wife. So, here I am again without a Valentine. I guess it's back to cruising the Dairy State looking for beef.

Check out next month's issue to see if Cruisin' Carl finds his perfect cut of beef.©

G/L Community Trust Fund

The G/L Community Trust Fund has announced today that \$1,240.00 raised during the last half of 2002 for the South-eastern Wisconsin Coalition of Organizations would be distributed in the coming week. The benefactors from this gift include BestD Clinic, Gay Fathers Group, GPU Phone Line, Gay Youth Milwaukee, G/L Endowment Fund, House of Infinity, Milwaukee, Metropolitan Church, The Queer Program, Sage, and the Community Center Building Fund. The Trust Funds new "Your Choice Program" has been very successful in giving donors the opportunity to make a choice as to which organization or program they would like their donation to support. Most funds received were from a direct mailing appeal and fundraisings events held in local taverns.

In an unrelated item the Trust Fund wished to acknowledge the gift from the Boot Camp Saloon's annual holiday dinner party and silent auction that was held at the Club M&M. Over \$ 2,500.00 was raised at that event. A special thanks is extended to all those who contributed to the silent auction.

The G/L Community Trust Fund is a tax exempt 501C-3 Organization with open membership and accountability. They can be reached at P.O. Box 1686, Milwaukee, WI 53201, or at GLCenterMil@aol.com
