Letters to the Editor

Dear Editor:

I want to commend you on Outbound Magazine. Many of us in Milwaukee have stopped going out because things have not been as fun in the bars. People have gotten way to serious and the bar politics made things way to tense. I have noticed a change in attitude amongst the bars and my friends and I contribute that to your free spirited publication. With Cruisin Carl's article reminding us that you can still have fun and cruise the bars as long as you play safe. Since I picked up your magazine at Outwords Books I have been going out with friends and having a great time. Keep up the good work!

Thanks

Larry on the Lower East Side!

Editor:

Thanks for your encouragement and support.

Dear Editor:

I love your publication. I would like to see more news and reviews about the theatres. I would love to take Cruising Carl out to a Play. He needs to be exposed to a little more culture and a little less sex.

Sincerely,

AJ

Restaurant Review — Café Lulu

By J. Alan

If you are looking for a late retro-fifties kitch style diner with a fun atmosphere, Café Lulu is the place for you. Located in Bayview at 2265 S. Howell Ave where KK, Lincoln and Howell come together, Café Lulu offers a variety of dishes that you will not find in any traditional diner.

I went to Café Lulu with my partner and a couple of friends on a Thursday evening before we hit a few of the bars for a night of cocktails. Sally, the waitress, was eager to wait on us with a lot of enthusiasm and humor. Making suggestions on what she felt was their best dishes along with a few witty comments that made us laugh.

We started out with a bottle of Shariz, a semi-dry red wine from Australia, as we looked over the menu. This wine is a deep red full bodied wine with a very good flavor. The menu consisted of a variety of sandwiches, soups, salads and pies. I decided on the East Indian Chicken Pita with a side of their very different cole slaw that was actually very good. My partner had the Lulu Burger that was charbroiled medium rare and served with their fabu-

lous homemade potato chips that were out of this world. If it is a burger you want Café Lulu's is the place to go.

Our guests had the KK Philly and the Moroccan Chicken sandwiches that were also very good. Well, that is what our guest told us anyway.

Afterwards, Sally did a great job in suggesting their homemade pies, indicating the blueberry pie is their best (and it is). The only problem was there were only two pieces left and four of us. We decided to take both pieces of the blueberry and a piece of apple pie à la mode and cherry pie. We decided all the pies were very good and were happy to get a sampling of all them.

Dinner for four with a bottle of wine came to just over \$50 including a generous TIP. Go see Sally at Café Lulu and tell her that the guys from Outbound sent ya. You will have a great time.©

ManNet.Com
Highly Recommended...

"Never hearing the whispers, the giggles never get in the way of the sexual moaning, and the rest is picturesque and fulfilling. Mike Donner knows the appeal here is its simplicity, so the laughing induced by the whispers equaled the smile I wore as I enjoyed this little treasure of a video."

Gay Chicago Magazine
3 1/2 Stars...

"Director Donner turns 'A Simple Whisper' into something simply sexy. Curiously enough the 'whispers' in the film usually take place once the sexual action has begun. But why nitpick? Truth told, this is a pretty hot little loop flick."

Greetings Gossip Mongers! I have a lot to write about in this column so let's get to the gossip and the happenings from this, the shortest month of the year!

The biggest news has to be that Miss Nova Devine and selected entourage has left Chuck's legendary 219 for La Cage. This about face is too extensive for this column. However, with Kyllie West & Corona taking over at 219, I'm sure the show will go on. I have a feeling that Miss Lily White is having quite a chuckle over this one! While we are on the subject of drag queens, I'd like to give a shout out to Miss Baby Jane Hudson Productions' next show at The Ball Game on March 16 at 9:00. Among her bevy of beauties Miss Ashley Michaels is making a much anticipated return to the stage, as well as my fave Shannon Du Pree. Also in March another title holder Miss Dixie Diamonds is leaving Beer Town for San Francisco with a swan song party at M&M Club on the 14th. Girl, we're going to miss you.

A certain May-December couple was sked to leave a very popular Minneapolis bar because of rowdiness. I guess they are not used to the exuberant nature that Milwaukee bars take for granted. Sorry, Steve & Jay!

With hearts-a-flutter with Valentine's Day, many lovelorn have found a few matches. Among them was a former bartender at Harbor Room when he was trying to make a love connection via the internet. "Jack" I hope you let me know how it turns out. Another match made the old fashion way, getting cocktailed at a bar was observed at M's. The best thing about this couple is that their houses are four blocks from each other in Wauwatosa. Good luck!

Yours truly, however did not fair so well in this department. While celebrating a partner in crimes's birthday party, I was shot down by a yummy "Latino" hunk, who after buying a drink for, I was told he has a South African boyfriend. I'm glad that I was at my home away from home "Fluid," so Bill Wardlow could save what ego and pride I had remaining. Thanks honey! It wasn't a total loss seeing that Brian from Green Bay & Mike from Denver were able to make this old gal feel pretty again. Sometimes there is a match when partners seem to be conspicuously absent. This was noticed by "moi" on a Sunday afternoon. I guess when the cat's away the "rats" will play. Just please be careful because when one is Sicilian and the other is Spanish there might be bloodshed!

On February 15th David & Tim over at Boom enjoyed two of Falcon's finest strippers shaking their money makers. I'm beginning to see a trend here, and I'm sure Milwaukee is all the more thankful for it. I unfortunately was unable to attend, but my editors Jim & James said the place was packed to the rafters and that Midwestern friendliness was spread generously around. *Continued on page 11.*

I decided to get there early because parking would probably be scarce with such a big event. Luckily, I found parking just around the corner. I locked the doors on my PT Cruiser and hurried inside. Rocky greeted me and I paid the cover. As I turned to find a place at the bar I spotted him.

He was beefy, wearing tight jeans that made his butt irresistible, kind of reminded me of that straight guy I picked up at the gym last month. I took the stool next to him. He turned, said hi to me and I nearly shot my load at the sight of his beefy body. His chest was nearly completely exposed and I could see that he had pierced both nipples and each had a ring with a little ball. I was getting turned on even more. Just as I was about to make my move, he excused himself to go to the rest room and he did not come back.

The place was getting quite crowded, literally jammed with studs. The dancers were well under way, strutting and posing, with lots of encouragement from the crowd. Several times I tried in vain to get the attention of various studs but with no luck. Just as I thought I was going to strike out, I felt someone behind me pressing what felt like a big piece of meat into my butt. Then came his arms reaching around giving my nipples a firm tug. I looked back and it was him. The hot stud that I met when I first arrived. To my pleasant surprise, he placed his mouth to mine and we locked lips for what seemed like a minute. When we broke apart I gasped for air and he said "You are one sexy guy. These dancers are making me so hot I have to get you naked."

He pulled me with him as he left the bar and we got into his Dodge Ram. I began to wonder where we were going but I soon found out as he stopped at a newly reno-

vated apartment building just up the street. As soon as we entered his apartment, he began tearing my clothes off so I began tearing his off too. He reached down between my legs with one hand and grabbed me by my armpit with other as he lifted me up and carried me to a tall king sized bed. He got on top of me and began pressing his firm lean chest against me. His nipple rings dragged across my chest and I got turned on and begged him to do me. He put on a condom and aimed his tool.

Just when I thought he was going to ram it in, I broke out of my trance and looked back down at my coffee. The curious little clouds were clearing from its surface and I took a drink. Aaah, my visions of what was to come were truly promising.©

The age of Aquarius must definitely be a gay sign because there were quite a few birthdays celebrated this month. Among them were Rona, Ginger, Barbie, Michael Jonas, David Howser, Leslie from HIT, Joan Bennett and Milwaukee's very own Wolfgang Puck "Auntie Hazel" aka Jack Shultz celebrating his 60th.

I would like to thank the e-mail I received asking for advice on a certain relationship dilemma. While I

enjoy reading the dirt, my trailer park sister "Dear Ruthie" is the one to seek out.

I understand everyone is looking forward to Spring/Summer. So here are a few things to think about. If a new "do" is in order, check out Wisconsin's very own "Bette Midler" in Madison Sally K's. For the Milwaukee boys, Nick over at New Urban Salon in the Third Ward on Broadway will take very good care of you. Also Harley's 100th Anniversary is coming up and if your a H.O.G., e-mail me, as there is a group possibly forming to celebrate this momentous event. Another possibility for the pride parade is a color guard and rifle line. If this sounds interesting and we can get together for some rehearsals, let's show those Chicago boys there is some talent up North. So practice those double times and stick those quads and let me know. Well that is about it, so keep the talk cheap and the liquor flowing!

Love Chi-Chi.

Cocktail Willie

The disco lights were flashing and sweeping around, landing on the hunk of beef I was looking for. I approached the beefy stud just as Cocktail Willie came up and asked if we wanted cocktails. I order

drinks for both of us and Willie hurried to get them. While waiting for the drinks, I engaged my prospective stud in conversation and complimented him on his beefy body, causing him to blush. He seemed a bit nervous and shy. Willie returned with our drinks and that seemed to put him at ease, stepping closer to me so that our bodies bumped seductively. His body felt firm and muscular and his body heat radiated with an intensity that told me he was horny. I deftly reached around and gave his ass a nice firm squeeze. He responded by asking me to go home with him. I eagerly accepted his offer.

The two of us got into my PT Cruiser and took off for West Allis. Along the way he started groping me and began unzipping my pants. He ducked down to do the obvious just as a cop drove up along side. I warned my beefy stud about the cop, but that did not stop the slurping of his wet lips. I was enjoying the action and I turned my head toward the cop with a big smile on my face as he drove ahead. The action between my legs was getting me closer and closer to orgasm when I reluctantly stopped him so he could direct me to his place.

We arrived and he asked me to wait while he checked to make sure the coast was

clear. I got suspicious and asked why. He told me that he still lives with his mother. Just then the porch light came on and I heard a faint voice calling "Sonny, is that you?" He answered "Yes Mother." He turned to me, winked and said "Maybe some other time stud."

Arrgh, another wasted night. I should have driven around the block a few more times to let him finish the job while I had his lips where they belong.

Drinking my coffee the next morning, I thought about what happened the night before. Damn, that was a total disaster. I hate those prissy mama's boys. I bet that jerk was just using me for a ride home. He knew his mama would be there and that nothing was going to happen.

Still sulking, I noticed the latest issue of Outbound next to me spread open at the center and I stared at the picture of the two porn stars that were going to be at Boom, a heart-on party is what they were calling it. My spirits began to lift and I started getting horny just thinking of all the cruising I would do as I gazed into the clouds in my coffee.

♊GEMINI: Going into a partnership with someone else is not the answer. Do your own thing! If you depend on others to help, you will be asking for trouble and trouble you will get!

♋CANCER: Your popularity reaches new heights. You will feel invincible, but be warned, this situation will become unstable quickly and you will soon come to reality. Enjoy what you can see and do not expect too much.

♌LEO: A Meeting with a Scorpio could result in too much drama at this time. Don't be narrowly focused on them and most of all do not be naïve.

♍VIRGO: Flirtation will have some meaning this month. Things will get "RED-HOT." Enjoy it now and make it last. Things only cool down if you let it.

♎LIBRA: Be diplomatic; don't force the issues. This is the month not to give advice. Check out bargains in home furnishings. Redecorating the home will keep you out of trouble.

♏SCORPIO: Don't be a drama queen! You will not get anyone's sympathy and it will make your friends avoid you. Causing needless concerns only waste your time.

♐SAGITTARIUS: Sneaking around on the one you love will prove a bit dangerous, but fun. Just keep in mind that a fling is a fling and when it's over it is over!

♑CAPRICORN: Put you cards on the table. Don't hold back your true feelings. Where you live will be of great importance in establishing a relationship. Look for someone who is attractive and secure.

♒AQUARIUS: Follow your heart when it comes to romance. Don't just settle for anyone. You know what you want in a lover. Be ready for a fresh start with your new love.

Cruisin' Carl Cruises Milwaukee

By Cruisin' Carl

Well, that guy from the gym; he was hot, he was sexy, and he had the equipment to perform. Just thinking about all that splashing and thrashing in the hot tub gets me aroused and wanting more. However, he is married to a woman, no less, and was just using me for the moment with no possibility of any commitment on his part. I do have a rule that I follow, among others, and it is that I do not date or mess around with anyone I know to be married man-to-man or man-to-woman. Marriage is a commitment that must be honored. So that leaves me cruising again for my special piece of beef.

Wednesday night and just two days until Valentine's Day. I decided at the last moment to cruise over at Boot Camp Saloon. I remembered seeing an advertisement somewhere that drinks were 2-4-1 all night and you could enter a contest to win a trip to Europe.

I walked in and the sexy, intimate atmosphere with its low lighting was very inviting. I know the bartenders there but they don't know me as Cruisin' Carl. I ordered a drink and spotted my quarry leaning against the wall between the two restrooms. He was a delicious juicy looking piece of beef, wearing a tight muscle shirt. His pecs were very prominent with his nipples showing through and a few tufts hair poking out the top, making me want to go over and take a bite. He looked at me and casually reached down to gab his crotch seductively, letting me know that he was interested. Needing to still pay the bartender for my drink, I turned to pay and when I turned back, he was gone.

I headed for the back of the bar and spotted his backside, which was as inviting as the site of his bulging box in front. Catching up with him just as he turned and stopped, I bumped right into him, my crotch meeting his. He reached around and gave my buns a firm squeeze. My heart began pounding with excitement as he whispered in my ear. "Tonight is not a good time for me. Maybe another night." I was so disappointed that I hurried out of the bar so I would not have to look at him.

I crossed the street and went into The Triangle for a cocktail and to get my wits together. Depressed and sulking, I must have looked a sight, because the next thing I remember was talking to a nice sexy, hot, surfer type of guy. He seemed to know that I was depressed and tried to lift my spirits with a gay joke that got me laughing. I noticed a hole in his jeans exposing himself a lot more than most people would dare to expose themselves. As he maneuvered himself on the bar stool I kept one eye focused on the hole in his pants as I talked to him. He grinned and I knew that my attempt to be a covert voyeur had failed.

He began caressing my inner thigh seductively by getting closer and closer to my swelling crotch. Wanting to take him home immediately, I asked him if he was free for the night. He said that he would rather have a couple more drinks first.

A couple drinks turned into several drinks and soon he was too wasted to be any good to me. Taking one last grope to satisfy my lust, I grabbed his big tool, squeezed his buns, and then left him. He could find someone else to torment. I went home, a bit disappointed but figured that Friday night at Docks would give me another chance to get my beef.

Friday night seemed to take forever to come. I was still horny from the other night and the thought of meeting my valentine was driving me crazy. After getting home from work, I wasted no time getting on the road in my PT Cruiser and sped to South Water Street Docks. There were a lot of cars in the parking lot, meaning the place would be good for cruising.

Underwear Party at Docks

Moments later I was elbowing my way through a thick crowd. I managed to get up to the bar to order a drink and I asked the bartender what all the commotion was about. He said they were having an underwear contest. I thought, "Wow! What luck, I love guys in their underwear." I turned and looked over at the stage and saw a magnificent looking butt looking back at me from a guy leaning over mooning the crowd. I love the look of a nice firm butt half covered by sexy underwear. This one was absolutely irresistible. His crack was well defined and seemed to be calling my name. So, I got up and went over to stand by him while watching the contest in hopes of being noticed.

While I was standing there, fantasizing about the delectable butt of his, from out of nowhere a cute little guy came running up to him. The little twink gave him a big wet kiss, grabbed him by the crotch and said to him "Girrrl, let's go and..." while looking at me with a big shit eatin' grin. That just ruined the evening.

Foiled again, I decided to head on over to Pulse to check out The Lonely Hearts Male Revue strippers. Some one is bound to be feeling horny and wanting to be my Valentine.

Inside, the place was jam packed with people. A beefy bartender was busy serving drinks as fast as he could. I got my drink and a damn nice view of his basket in a spiked codpiece and gave him a big wink as I tipped him a couple of bills. If he hadn't been so busy I would have spent more time pursuing the hunky guy.

Sugar Shane

I made my way to the back area where a cute blond stripper with leather chaps pulled down to his knees, teasing the crowd with his sexy thighs. He came toward me while stripping down to a skimpy little G-string.

I pulled out a bill to entice him to come closer. He saw the bill in my hand and approached with a sexy strut and began rubbing up against me. The pouch of his G-string was bulging and felt hot and alluring against my inner thighs. I reached down, pulled the pouch open to catch a glimpse of his fat juicy tool and roughly inserted the bill. He undulated and caressed himself as he moved on to another patron. He just wanted my money so I decided to cruise the crowd for someone more attainable.
