Letters to the Editor

Dear Editor:

Thank you for featuring the columnists of Milwaukee on your last cover (April). I feel that some recognition for them has been long overdue and your timeliness was perfect. Their bios were very interesting and now I feel that I know them a lot better.

Sincerely, Don

A beloved fan of Ruthie, Chi-Chi and Michael. Thank you Outbound.

Editor: We are glad that you liked the cover and the accompanying article. We hope to continue to live up to your praises. Thank you.

Dear Chi-Chi:

The series of pictures placed in last month's issue of you doing the unmentionable with your teeth was quite entertaining. But girrrrl you are something else. If that 'thing' on your face is what I think it is, you are one brave girl. If you think that is a gas mask, you better consider where that thing has been.

BTW when can we expect some more gossip?

Sincerely,
Gary W

About the Cover - Milwaukee's PrideFest

In 1994 PrideFest moved from Juneau Park to a new site on park land just north of the Milwaukee War Memorial Center. The year, PrideFest expanded the hours of operation opening at Noon Saturday until 10:30 pm with Sunday's Interfaith service starting the day at 10:30 am. That was the same year that PrideFest had two entertainment stages.

1995 PrideFest was proud to "LITE UP THE SKY WITH PRIDE" with a fireworks display sponsored by Miller Brewing and produced by Wisconsin's famous Bartolotta family. A first for Wisconsin PrideFest, proved to be a big hit with festival goers.

1996 was the year PrideFest would "Carry the Torch" to Henry Maier Festival Park. Admission was \$4.00 a day or \$8.00 for a 3-day admission pass. Though it rained most of the time, PrideFest had over 9,000 people attending the first year at the Festival Park.

Since 1996, PrideFest has watched the attendance grow steadily, increased the number of celebrities entertaining on PrideFest stages, provide more exhibitors and vendors in the marketplace and has found new food vendors to feed hungry festival goers each year.

2003 promises to be the biggest PrideFest ever with Pat Benatar, Judy Tenuta, Martha Davis and the Motels to name just a few. PrideFest is produced by a dedicated group of volunteers who begin planning the next festival as soon as the gates close Sunday night. The festival depends entirely on volunteers from the community. The volunteers are the unsung heroes of PrideFest; Without PrideFest volunteers, there would not be a festival.

Cheap Talkin' Chi-Chi

By Chi-Chi

Greetings Gossip Mongers!

Well Spring has sprung and it looks like everyone has had enough of cabin fever. March has come in like a lion and ended like a lamb.

To usher in this rite of Spring, M&M has a fresh new look, courtesy of the talents of **Dame Edna "David" Howser**. With this new look comes a new lunch menu **Boo-Boo** has introduced as well as American Idol specials for everyone on Tuesdays and Wednesdays.

I was able to join **Miss Charlotte Lorraine** and **Babe Jane Hudson** celebrate **Rick's** anniversary at **The Ball Game**. Always the cordial host, a wonderful time was had by all. Thank you Rick! We then hoofed it over to **C'est La Vie** to see **Alvin** and the gang there. An impromptu strip show was given by one bar patron who was quite luscious to look at, however hygiene seems to be very low on his list of priorities. Thank God, Jane has a stash of Jean Naté in her glove compartment. I guess all those one-arm push-ups he was doing worked up quite a sweat. It was, then, on to **Woody's** where Charlotte and I jitterbugged to our heart's content. To cap off the night was the show at **Club 219**, where **Miss Lillie White** returned home to a packed house. Between **Miss Kyllie West** tapping her heart on stage and new cast member "**Gia**," everyone was enjoying the show.

Also seen in the audience direct from Green Bay was **Miss Fonda Boys** sitting at the bar enjoying a few cocktails with my

favorite bartender of the month, **Peter**. I swear she is Miss Dusty Springfield incarnate. After exchanging pleasantries I had to call it a night. I did hear that Peter enjoyed a very appreciative boy that came with Sofanda in their huge chauffeured limousine. He was almost kidnapped back to Green Bay, but finally regained his composure.

At **Walker's Pint**, the ladies had an auction on the 26th to benefit the fight against breast cancer. You could bid on your favorite Pint employee, and I was told it was quite a success. I would like to congratulate **Sheena** and **Betsy** celebrating their relationship in Las Vegas. I wonder if they made a stop at the Little White Chapel? Also, in Vegas was **Miss Ashley** and **Baby Jane** tearing up the strip. They managed to get home intact and without pulling each other's hairs out.

I would like to give a happy B-day shout to **Dennis** from **Lucky Horseshoe** in Chicago. **Dennis** and the proprietor **Ben** were in town to say hi, and from what I saw, it looked like they were auditioning new stripper's for their bar.

Speaking of strippers, I was down at **Pulse** for their Sunday show and yours truly had a great time. I was shaking dice with **Anna** at the bar and all of a sudden my name was called out. It seems I won the prize to choose which stripper I could take a G-string off with my teeth. With much tenacity, I somehow was able to do it without leaving any bite marks. All of the boys were delicious, except as Ms Sharon told me, there was one no-show. I guess this ex-Playgirl model thought he was too big for his thong to honor his commitments to Ms Sharon. Also, be on the look-out for a Sharon look-alike who is trying to pass checks in other bars. If she orders a drink, you know it is not Sharon, she doesn't drink alcohol.

I bumped into **Ms Janet LaPaz** of **Genesis Jewelry** recently at **M&M Club**. If you are interested in any kind of jewelry needs, stop by her store and say "hi," and say Chi-Chi sent you. She can take care of all your needs.

Another new restaurant has opened at the Old Shugs location in the Shorecrest Hotel on Prospect Avenue. I met the man, Joe who is opening this welcome addition to the East Side which is going to be called "**The Savoy Room.**" What is even more interesting is that the legendary **Sally Papia** of **Sally's Steak House** is his partner. I wish you success in your new venture.

During the Mardi Gras celebrations, I was able to stop by **Switch** and **Triangle**. With **Fluid's** temporary closing, the boys **Craig** and **Scotty** at **Switch**, and **James** at **Triangle** continued their pub crawl. check out the Queer as Folk specials at **Switch** on Sundays. At the end of the season, you have a chance to win airline tickets to Toronto where the show is shot. Also, congrats go out to **Lana and staff** on the new look over at **Triangle**. It looks great!

To finish out the month, M&M's very on "**Rita**" had her annual **Rita Bowl** at the **Bowlero**. Milwaukee come out in record amounts to benefit this institution with a record amount of bowlers. It looks like Milwaukee is on its way to hosting a landmark 25th anniversary in November. Kudo's to Rita and all her very indispensable volunteers. This community is very proud of you!

Speaking of institutions, last month's cover celebrates my sisters in print "**Dear Ruthie**" and "**Karen Valentine**" respectfully of **IN Step**. Mark and Michael, I am proud to call my friends, and I hope all our columns keep this community entertained. In closing, keep the talk cheap and the liquor flowing.

With Love, Chi-Chi.

Cruisin' Carl Falls in Love with the Artist

By Cruisin' Carl

Last month, after cruising over to Madison and meeting up with the artist truck driver, the story left off with me getting into his truck to spend the night.

He gently laid me down with those big muscular beefy arms. The bedding was plush and the lighting was faint but enough to allow his body features to be easily seen. His lips met mine and his kiss was firm and sensuous. His body emanated an intense sexual rapture. He pressed his body and firmly against mine and began removing my clothes. Seductively. He began unbuttoning my shirt. Working from the top button down, and with one more button to go, he began nibbling on my nipples as he unfastened the last button and pulled my shirt tail out of my pants. Deftly, he removed my shirt completely, exposing my upper body to his sensual caresses. As he began to undo the button on my jeans, I started pulling his shirt out of his pants and caught a glimpse of a beautiful, sexy tattoo. Slipping my hands under the sides of his shirt, I could feel his beefy torso as I worked his shirt up to his armpits. The tattoo was now completely revealed, a magnificent work of art. The colors were rich and finely detailed. A beautiful Bengal tiger facing forward, standing on hind legs and front paws raised in seductive friendly manner. I stopped short of removing his shirt completely and wrapped my arms around his manly body and started massaging his chest and nipples with my mouth. The stimulation of my mouth and tongue on his nipples brought moans of pleasure from deep inside his body and I noticed that his jeans were very confining and I couldn't wait to get at what was inside.

Cruisin' Carl—Continued from page 4.

I finished removing his shirt as he resumed his quest for my manly package. In one smooth motion he had my jeans off and my underwear was next. He spotted my cock ring and his eyes lit up with sparkles of desire. He gripped the base of my manhood as tightly as he could. But my cock ring kept him from hurting me and he knew it. The feel of his grip had me at a sexual intensity that I've never felt before. My heart was racing and I felt euphoric. While keeping his intense grip with the one hand, he massaged my balls with the other and then engulfed my member. His mouth was as soft as a silk hanky and his technique had my man juice flowing freely. I felt like I was in heaven, experiencing a prelude to my best orgasm on record.

Stopping agonizingly just short of orgasm, he began taking off his jeans. I lied there

in a daze as he gradually exposed his beefy hunk of man meat. The anticipation of having him take me was making me harder and harder and my own tool was oozing profusely. He reached over to a compartment that was previously undetectable and retrieved a "large" condom and a bottle of Elbow Grease. He gave the condom to me and presented his tool inches from my face to let me roll it down his tool. While I was encasing his tool in latex, he slathered lube in my hole. My pineapple quivered at his touch and he inserted first one finger and then two, preparing my hole for his large beefy tool.

He lifted my legs over his shoulders and guided his hard pulsing member until it was just touching the entrance. With pressure, firm but not enough to penetrate, he pleased me. He controlled its advance to ensure I could accommodate his size. Advancing a little at a time further and further. My orgasm was building rapidly and soon I was shooting all over his tattooed chest. I was dizzy and the light grew dim. I could barely see him as he shook and shot his load all over me, again and again. He seemed to have an endless supply. Finally, the flow tapered off and he fell on top of me. We were both breathing heavily and totally exhausted, barely able to speak. We petted and caressed each other as we drifted off to sleep.

When I woke up, he was gone. I figured he must have gotten up to relieve himself. I could here Robins and Finches outside. About three quarters of the way up the wall was an open window covered by a screen. I got up and looked out to see a beautiful sunrise and a copse of trees with birds fluttering and singing their rejoices to a new dawn. The door opened and my artist came in carrying a bag from a near by diner. Aah, breakfast. Didn't I say he was a gentleman?

Cruisin' Carl - Continued from page 6.

We talked while eating breakfast and I was getting a funny feeling in me that seemed pleasant. I realized I was falling in love and began to panic. I asked if he had a lover and his answer was, "No." He said the last love he had was over 5 years ago and he had given up on finding a new one. With his truck driving, love is difficult. He would be in San Diego, his lover in Boston or he would be in Chicago and his lover would be in Austin. Long distance love just doesn't work out. I felt depressed at the thought of being his lover and being separated from him.

"But hey," he said. "Let's not dwell on lost love. Let's go out to a place I know in the country where I can get you naked and paint a nude portrait of you. I do water colors and I can have a finished masterpiece for you to take home."

We arrived out in a secluded little area among some pines. The road in was out of the way and not likely to be travelled. It looked like no one had driven on it for quite a spell. We got out and he gathered up his painting supplies. He spread out a blanket on the ground and told me to sit, lay down or whatever and he would get things ready. He finished setting up his easel and came over to me and began kissing me. He had my clothes off and next he was naked too. After a bit of bumping and grinding he got up and walked over to his easel and began painting.

About an hour later he said it was finished and to come take a look. I was breathless. He was good. The painting looked sexy, as he actually painted me with him making love to me. It was so well done that I began to get horny and he took me again on the blanket. His caresses and love making had me falling in love for sure. I tried not to think about the fact the he would

have to leave continue his travels delivering freight to all corners of the country.

We returned to the truck and went back the warehouse where I left my PT Cruiser. But before we said good bye, we made love one more time. He said he could tell that I was falling in love with him and that he was falling in love with me too. He promised to look me up if he ever is in Milwaukee and we could have some time together again.

I headed home for Milwaukee and decided that later the next week I would go over to Wicked Wednesdays, a new event that takes place at the Have a Nice Day Cafe on Wednesday nights. Cruising that place would help me take my mind off my lost love.

Next month... Carl cruises the leather and latex boys at Wicked Wednesdays.

Roger Reviews

By Roger Krawiecki

Captain Dix Resort

Finally someone from our community has the balls to open up a vacation property just for us in Wisconsin. Those balls belong to Gary and Dennis who are partners in both business and their personal lives. They are the proud owners of Captain Dix Resort in the Wisconsin Dells. I spent a March weekend getaway at their resort.

The resort is off HWY 13 a little over one mile north of the Dells. The resort is nestled in a small valley of mature trees on 24 acres of land. Hidden away from all of the tourist attractions, it is the perfect location for a vacation playground. This is not a hotel. The resort is a complex of buildings like the older resorts up north with several stand-alone cabins. If you are afraid of bugs, a little dirt, or wild animals lurking in the woods, this is not the place for you. In fact, I did see a couple of bears at the bar Friday night.

This is not a cookie cutter resort where each cabin is the same. Each unit has its own unique character. Sizes and prices vary so there will be rooms to meet everyone's needs. You can rent a room for 1 to 6 people or more depending on how well you get along with your friend's.

The cabins are located on both sides of the valley. Running through the bottom of the valley is Cruz Creek which dries up during the summer. At the center of the complex is the Main Lodge which contains the restaurant, Weasel Head's bar, a small dance floor, and soon a wooden deck for outdoor drinking. Dennis is the captain behind the bar, making sure all of the guests get plenty of fluids and Gary is the master of the kitchen.

I had the opportunity to sample some of Gary's creations. Friday evening I had all you can eat Nile perch fish fry with cheesy au gratin potatoes for \$9.95. The fish was very flavorful. Saturday I had a Swiss mushroom burger prepared on an open flame. Saturday evening I had the prime rib special which comes in petite, queen, or king size. Sunday brunch is held from 10:00 to 2:00. Gary has done an outstanding job on the menu. There is something for everyone.

The resort has been around for over one hundred years. The previous owners did not maintain the property. Gary and Dennis purchased the property over 2 years ago and have made extensive renovations. All of the cabins will get a fresh coat of paint and new carpeting before the season is in full swing.

The property also has an outdoor in-ground pool, tennis court, volley ball court, game room, and picnic grove. There are also old campsites that have not been used in years that need to be redone before they can be rented. There are also plans for allowing campers on the property. Plans are being designed for an outdoor stage for bands and shows. There will also be a sheltered clothing optional sunbathing area surrounded by sunflowers.

The owners hope their resort will be a place for adults to socialize and get to know each other. They will offer day memberships so individuals can spend a day at the resort and use the common areas like the pool or sunbathing area. Everything you need can be found right at the resort.

These guys have really taken a chance for us. Help show your support by planning

your own getaway now and booking a room. The Fourth of July weekend is almost booked up. Or if you live in Madison a dinner outing would be well worth the drive.

Their website is still under construction but you can still get basic information off of it. <http://www.captaindixresort.com> Or you can call toll free 1-866-553-1818. They are also looking for summer help.

Make sure you say "Hi" to Gary and Dennis. Let them know Roger sent you.
