Letters to the Editor

Dear Editor:

Just a note to let you know that you have a great magazine. I love all the eye candy and especially love Cruisin Carl. I live in Green Bay and did not go out to the bars until I read your magazine. The bars have been geared more towards drag queens and (I) felt that there were no more real men in Green Bay. I feel that this is true for quite a few of the gay men around here. I went out to Brandy's II for the first time last Friday night and had a great time. Please continue on the path you are on and you will do great in Green Bay!

Sincerely,
Bob

Dear Editor,

Your recent issue of Outbound seemed more like an ad for Jason Branch. Although I think he is a sexy man, I would have to ask why so much about Jason Branch? If this is your way to compete with Quest who graces their pages with Twinks, Then I would have to let you know that you do not have to compete with them with a hot looking butch guy like Jason. Just keep the high quality that you have set. If it is to get more guys to pick it up and read it? I must tell you that you do not have to do that either. We are all reading it for Cruisin' Carl's article. This brings me to the point of this email. I think if you really want to create a frenzy over Outbound, you should put Cruisin' Carl on the Cover!

I think everyone is dying to know who the elusive cruising Carl is. Every time anyone picks up a trick, the question is asked: "You're not Cruisin' Carl. Are you?" If we all knew who he is we would not wonder if our sexual encounters are going to be the topic of Cruisin' Carl's article. Who is Cruisin' Carl? Will we ever know?

Dying to meet Cruisin' Carl

Jerry Grillo at Out 'N About

I would like to say that Wednesday evening my partner and I had one of the best restaurant meals we've had in a long time at Out 'N About on South 1st St. (and he's not easy to please). Compliments to the chef. I also was thrilled to play their main room on Sunday, August 31, during Harley weekend. We jazzed it up! My Fever Band specializes in jazz/funk/rock versions of standards, even though I sing them in a traditional style as well.-----Nice people, great acoustics, super staff? Catch us there next time! — Jerry Grillo.

MILWAUKEE KOSMOS TAKE 2ND PLACE IN MUSIC CITY CLASSIC

The Milwaukee Kosmos, the traveling team for SSBL (Saturday Softball League), traveled to Nashville, Tennessee on the weekend of Sept. 19-21, their best finish to date, 2nd PLACE!

There were teams from all over the country such as Atlanta, Birmingham, Charlotte, Knoxville, St Louis, Cincinnati, Orlando and San Diego. The Kosmos finished the round robin

play at 2-0 and 1st place in their respective bracket beating teams from Nashville and Atlanta. Starting the tournament with a loss they had to pull themselves out of the losers bracket to enter the championship game. The championship game was against Willow Creek (Nashville), a hard fought game in which the Kosmos lost 19-16.

SSBL teams that were represented by the Milwaukee Kosmos were Ballgame, Fluid, M & M Club, 219, Walkers Pint and Pulse. There were also for the first time players from Madison, Wisconsin that joined the Kosmos to play.

The tournament also marked the conclusion of the 2003 Softball Season for SSBL and the Milwaukee Kosmos. Overall, the Kosmos went to 4 out-of-town tournaments; Ft. Lauderdale, Palm Springs, Chicago and Nashville. They came back with 2 trophies from those 4 tournaments; a 3rd place in Chicago and now the 2nd place in Nashville.

The Milwaukee Kosmos would like to thank all of the sponsor bars for the financial and verbal support which includes M&M Club, Fluid, Pulse, Switch, Triangle, and Woody's. 2004 looks to be another exciting year because the Kosmos will be promoting the Dairyland Classic, Milwaukee's Labor Day Softball Tournament in hopes of bringing new teams to Milwaukee. Please look for Kosmos fund raisers starting this fall to help them get to their goal of 5 out-of-town tournaments this year, including Ft. Lauderdale, Palm Springs, Tampa Bay, Birmingham and Minneapolis.

If you would like to know more about the Milwaukee Kosmos please contact any SSBL Officer at www.ssbilmilwaukee.com

Dear Dying,

We put Jason Branch on the cover because he was interviewed by Roger Krawiecki and because he was going to be here in town (Boom, in Milwaukee). And, we like to put hot butch looking guys in our magazine for your viewing pleasure.

As for Cruisin' Carl, well, he likes to keep out of the limelight. It makes his adventures more interesting.

Dear editor,

Jason Branch is my favorite porn star! I love daddy types and he is the hottest daddy ever! When I saw him on the cover of the Sept. issue, I just screamed. I am looking forward to seeing him at Boom. I just want you to know that I have seen a great transformation in Boom since they started bringing in porn stars. The only one that I was disappointed in was Tom Katt. What a muscle head! I hope that Jason is as personable as the rest (not like Tom Katt). I did not care for Anthony shaw much (too much of a girly boy). But, anyway, I love your magazine. I am very envious of Roger for being able to interview Jason. Who will the next porn star of the month be? If I could suggest the next porn star of choice it would be Colton Ford. What A Hunk!!!! He could spank me anytime! Thanks for a hot magazine.

Big Daddy Lover

Dear Editor,

I am wondering if you are going to use Chi-Chi as a gossip columnist. I missed having her in the September issue. Has she been tired from playing tennis? Has she tipped one to many cocktails? Has she hit herself in the head with her twirling rifle and is suffering from amnesia? Or did she simply miss her deadline? HEY, CHI-CHI!!!!!!!!!! WHAT GIVES????????? Give us some more gossip, before Trailer Terry makes you the topic of Madison gossip. Grrrrr, we cannot have that now, Can We?

We Love Cheep Talkin CHI CHI

Editor,

Ya, Chi-Chi, What Gives? (See her latest article in this issue.)

Dear editor,

Why do you let some of your advertisers get so wordy in their ads? Don't you explain that effective advertising uses short catch-phrases? Or don't you really care? You do them a disservice by not guiding them in the right direction. A long wordy ad gets ignored for the most part, no matter how good looking the half-naked man is in the background. Letting this continue, reflects poorly on the quality of your magazine and does nothing for the advertiser or the reader.

About the Cover - Mixing Things Up at Out 'N About

By Roger Krawiecki

If you haven't heard, there is a new bar in town. Out 'N About opened for business on August 1st at the corner of 1st and Greenfield. I stopped by the place on the opening weekend. There still was some work that needed to be done. The kitchen was not finished yet. My first reaction was so so. The space was OK and the drinks were high priced.

I paid another visit on a Thursday night. The place was hopping. It was karaoke night. It was very entertaining, watching several talented patrons get up and sing.

I don't think I went there for several weeks. I started to hear from several people that the kitchen was open and that the food was very good and reasonably priced. I decided it was time to check out the food. I contacted my friend Ryan who I haven't seen in awhile and made plans to meet for diner. We met at another establishment for happy hour and arrived at Out 'N About (ONA) around 8:00. There were a few people in the bar and several tables eating.

Our waiter for the evening was Larry. The menu was surprisingly large. I knew the place had a small kitchen. I have no idea where they keep all of the food. We started off with a crab cake appetizer which contained 2 crab cakes for \$5.50. This was a bargain since I recently had one crab cake for \$9.95 at a restaurant in a Hilton Hotel. It is amazing how different you can make crab cakes. The ones at ONA come in a creamy tomato based seafood sauce with itty bitty shrimp. They were very good.

Waiters Larry & Josh

Next I had the cream of asparagus soup which was thick and loaded with bits of vegetables. Ryan had the house salad with balsamic vinaigrette dressing. The salad was very fresh and attractive with a garnishing of curled carrot peels. The soup or salad came with the main course.

For the main course I chose what was listed as the house favorite, Mediterranean pork chops for \$13.95. The dish is made with ONA's signature fresh basil, extra virgin olive oil, and balsamic vinaigrette sauce which is combined with Kalamata olives, sun dried tomatoes, artichokes, spinach, roasted red peppers, sweet red onions, and feta cheese. I couldn't even see the two pork chops with everything on top of them. It came with a very flavorful rice pilaf. I was very happy with my choice.

Ryan decided on the Jack Daniels Ribeye Steak for \$17.95. It came with ONA's Jack Daniels BBQ Sauce. He also chose the Cavatappi pasta in the house red sauce. The vegetable of the day was a medley of green beans, yellow beans, and carrots cooked so that they were still firm. The steak was good. He only wished that they would have served the BBQ sauce on the side instead of all over the steak. He couldn't eat everything so he took part of it home.

There were four choices for dessert. We decided to split the Chocolate Mosaic based upon the looks of it. It was very attractive but wasn't what we expected. It was a let down compared to the rest of the food. It was not made on site. I would rather have something that tastes good than looks good.

After dinner we decided to go into the bar area for a drink. It happened to be a Thursday night so karaoke was in full swing. We also had an opportunity to talk with one of the owners, Beverly. Some of you may remember Beverly from several years ago when she bartended at Switch. She was one of the first bartenders when Mugshots switched over to Switch. She was great behind the bar and always had a great

About the Cover, continued from page 18.

He must have had his new size 12 shoes on because he didn't make it up the steps with our drinks. They went all over him. When he reached for his pen he pulled out two olives and a pickle.

Alan had the salmon benedict for \$8.95 and Harold tried the crab cake benedict for \$8.95. I was different and ordered the apple and cream cheese stuffed French toast for \$6.95. It was made with challah bread, which is a very light Jewish egg bread. All of the meals came with very crispy American fries. We couldn't resist sampling each others dish. To top off our meal we had an ONA spritzer made with orange rum and various juices and a splash of 7-Up.

Mark, Lamont and Pat at Brunch

Both Beverly and Pam were at the restaurant that Sunday. They introduced us to one of their Managers, Vicky. Vicky also runs karaoke on Thursdays and has an excellent singing voice. They informed me that they have happy hour during the week from 3:00 to 7:00. They put out both cold and hot food for the patrons. I decided that another visit was in order.

I decided to go on a Tuesday after work by myself. I ended up working late so I didn't get there until 6:30. There were a few people at the bar and I decide to sit down and eat right away. It must have been my lucky day because I got Josh as my waiter again and Josh had Jen shadowing him for the

evening. I felt like I was getting two for the price of one.

Tonight I had a cup of mushroom soup. Again the soup was very thick and loaded with large pieces of mushrooms. It was rich dark brown and served at just the right temperature. Then I had the chicken and avocado sandwich with seasoned steak fries for \$6.50. It contained smoked Gouda cheese, fresh avocado, juicy beefsteak tomato, sautéed sweet red onions on a grilled Kaiser roll. It was a very tasteful combination. I decided to give dessert another try. I picked the fudge chocolate torte for \$5.95. It was very rich and creamy. Much better than the other dessert I tried earlier. Still not home made.

Overall the restaurant is very impressive. If you are planning on eating with a larger group please make a reservation or call and let them know you are coming. That will give them time to have things ready for you.

The entire place is very clean and fresh. There are windows on three sides of the building so the place has a very open feeling. This is a great place to go. Good luck Beverly, Pam, and all of the staff of ONA. Make sure you stop by and tell them Roger sent you.

Detention

Review written by Beef Stroganoff.

I never thought I'd see the day when I could work a few Grease 2 references into one of my porn reviews, but after drooling over every rowdy, throat-plugging, ass-cramming, cum-luscious moment of Chi Chi LaRue's naughty scholastic romp Detention, I was practically warbling "I gotta go back... back, back to school again!"

At over two-and-a-half hours, this epic will keep you rapt and stroking for a long time coming. Keep plenty of replenishing fluids handy. Production values are exemplary and the fabulously fit School Boys are all in gushingly fine form. This one's a total keeper! Being bad never looked so good! But... "Where does the pollen go?"

Cheap Talkin' Chi-Chi

By Chi-Chi

Greetings Gossip Mongers!

The dog days of Summer are behind us and Milwaukeeans are soaking the last rays of the season.

There were a number of

birthdays in September that I would like to acknowledge. Sept. 3, my beautician in the Third Ward, James Kaddatz celebrated his 40th.

September 12th, heralded Bill Wardlow's 40th birthday bash at fluid. An extravaganza with "moi" making a guest appearance at the show.

On the 14th, Miss Baby Jane Hudson hosted her annual birthday fest with a show at the "Out-N-About" or "ONA." The same night there was a drag show benefiting AIDS Walk Wisconsin at M&M Club's show.

Speaking of Out-N-About, I recently stopped in on a Sunday afternoon to check out the spot. Bev and Pam told me that this was a long held dream and I'm sure they and their staff will make it a successful one. It's also nice to see "Drew" back behind the bar again after his sojourn from LaCage.

Last but not least, Randy aka Evilene, celebrated his birthday on the 15th of September. So wish him a belated happy birthday and have a shot of Hypnotique with him.

A bit further back in time, early August, a bus load of M&M and Milwaukee girls shlepped up to Green Bay for Sage La

Rue's Memorial show. It was the 3rd annual show to celebrate Sage's memory and there was a not-to-be-missed dragathon hosted by Za and MC'd by Kelli Jo Klein, Dee Dee Winters and Duwanna Moor. The bar was busting at the seams. The charity that benefited this rear was SAGE Milwaukee.

How á propos. Among the girls from Milwaukee were Nova Devine and Sasha Mitchell from La Cage and Sharon Bumps from Club 219. Representing M&M Club, where Sage La Rue worked for a number of years, was Charlotte Lorraine, Rona, Rita, Mario, Jeff and Your's Truly.

The only mishap of the trip was a wake-up call at the hotel at 7:00 AM. It seems two performers from Milwaukee had just rolled into their hotel room. I think one of the gals needed a tetanus shot since it was a different kind of "bitch" that bit her. On the way home, they were still under the weather, having left their van near the bar and assorted accessories behind the front desk. One of the highlights of the show was Miss Sabrina White from Baltimore MD. She stole the show with a medley

that started with Joan Crawford and ended with the Eurythmics. **You go girl!**

Stopping at M's on the way home, I bumped into Mike from Green Bay and two delectable Italian boys from across the pond. Even though they were straight, they took all the attention they were getting in stride.

On August 16th, Cher Findly made her comeback farewell tour in Milwaukee. It was worth the wait, since I've never seen the Diva in person before. My friend Birdie and I had great seats, compliments of John from Grenadiers. Thanks again. The only damper was a berate old codger sitting behind us telling us to sit down. For God's sake, it's "CHER," get over it!

That same night was a return engagement of Miss Bambi Lefleuer of Miami at the M&M club. I hope she will grace our fine city again. With a body that is a mixture of Jayne Mansfield and Mamie Van Doren and the purr of Marilyn Monroe, Miss Lefleuer was the total package. She even confided in moi that she actually bedded Ms K. D. Lang. With that body, I can see why.

The tennis season is coming to a close and I got my posterior whomped by Lance from Woody's. I thought I was going to have a heart attack from all that running he made me do; and in flats no less.

I would like to take this opportunity to rectify a few errors from the last column. It was Mr. Roland Hoffman's 40ish B-day not Peter Nys, at the bash on the patio at M&M Club. Also Braccus at Salon Saucedo is offering a 20% discount to Cheap Talking Chi-Chi readers. Sorry guys for the mix-up.

I would like to welcome D.J. and André to the restaurant staff at M&M Club. D.J. went to the original Pagan fest with daugh-

ter Trina, so don't let appearances fool you!

My sister in print, Trailer Park Terry, was in town to check out happenings with his friend Greg of Boom. In between shots he turned in his double-drink ticket and it turned out to be a Midtowne Spa ticket with 45 minutes left on it.

Well, I hope you all had fun during the Harley fest. It's the one time we can all be leather boys and get away with it.

'Till next time, keep the talk cheap and the liquor flowing!

Love, Cheap Talkin' Chi-Chi.

Cruisin' Carl—Cruisin' Green Bay

By Cruisin' Carl

Laying awake early Saturday morning, birds singing and a gentle breeze coming in through the window, I felt good. Good, but horny as a wild stallion. I was enjoying the moment, sort of stroking my tool that was hard as ever. I wanted to take myself to the point of explosion. But, no! I planned on doing some serious cruising later. After all, some of my best cruising happens on Saturday nights. I stopped just before the point of no return and suddenly the peace in the neighborhood was shattered by a huge CRASH, BANG. Oh no, I was hoping nobody had smashed into my PT cruiser. I left it out on the street last night instead of parking it under the car port. I quickly got up and looked out the window. Out in the street, directly in front, there were two cars, a blue and gray Ford Bronco and a red Mazda Miata. The front end of the Mazda was ruined. What a shame that such a nice car would have to be ruined. As for the Bronco, well I did not have any pity for it. It had seen its day. Although, by the look of the scene, which they were both on the same side of the street, not the middle, it was definitely the fault of the guy in the Mazda. They just sat there for a few seconds, both drivers must have been stunned. Then the guy in the Mazda got out. He was the scrawniest pitiful looking twink in all history. What was he doing driving a nice sporty car that was meant for a REAL man. He didn't deserve a nice car like that and, since the accident was clearly his fault, I hope the insurance company takes the car away for good.

The driver's door on the Bronco slowly opened. A nice beefy leg came into view. A well developed calf, a meaty thigh, and my heart nearly skipped a beat as he came

into full view. The guy in the Bronco was definitely a piece of beef to be admired. His arms and chest were muscled, from working out, no doubt. He walked over and looked at the scrawny twink. The big guy was scowling and looked as if he would pick up the little twink and snap him like a tooth pick. He opened his mouth to say something but before he could get a word out, the little twink started flailing his skinny little arms, beating on the big guy and screaming. "You big oaf, why didn't you get out of the way?" He was blaming the big hunk for not getting out of his way. What a jerk!

The big stud just let the twink beat on him for a while until the twink grew tired and fell to the street, crying. He was a mess and the big guy just stood there and then rather loudly said "Thanks you little twerp, I'll be lucky to make it back to Green Bay in time for the wet underwear contest. You little bitch!" The stud reached for his cell phone and the muscles in his arms and back bulged as they were naturally flexed. I was getting horny and my tool was getting that familiar feeling when as it swelled to a fully excited state. I ignored it as I was totally mesmerized at his sight out there in the street.

Just when the police arrived my beefy hunk turned his head in my direction and looked right into my eyes. He must have known all along that I was watching him. Then I realized that I was standing in front of the window, totally naked with a tool that was fully aroused and ready for action. I snapped out of my trance and pulled the curtain closed. I headed for the bathroom to shower and cool down to save my essence for later. I was going to Green Bay to do some cruising. Brandy's II (next to XS) was planning a wet underwear contest and that hunk said he was going too.

HIT ANNOUNCEMENT

The Holiday Invitational Tournament is proud to announce the celebration of our 25th Anniversary. We are the oldest LGBT Bowling Tournament in the world and expect 300 - 400 bowlers from all over the United States and Canada to be here during Thanksgiving weekend. (November 27th - November 30th).

A tradition was started, that we have a welcome show Thanksgiving night to welcome all the bowlers to our city. This year, because we are celebrating our 25th Anniversary, we have many individuals and groups coming forward to volunteer to do a number for the night of the Welcome Show. Unfortunately, we only have a one-hour window for the show, so we have decided to make a contest to have a panel of judges decide who should represent Milwaukee at 219 on Thanksgiving night. Below is a list of the Rules for America Drag Idol.

Rules for America Drag Idol

1. Open to both Male and Female performers over 21 years of age.
2. The top two performers of each audition night will earn a spot to perform at the H.I.T. Welcome Show.
3. Winners must be available to perform on Thanksgiving night, Thursday, November 27th, 2003 at 10:00 p.m. at 219. In case of emergency the hospitality committee chair, Mizam, should be notified at 414-483-7825.
4. Performers may keep the tips made on the night of their auditions.
5. Tips on the night of the Welcome Show will be collected by the H.I.T. Treasurer to be tallied to determine the winner of the American Drag Idol contest. All tips will benefit H.I.T.
6. There will be three judges for each night of the auditions.
7. Performers who did not win the top two places of their audition; may try another attempt for a spot at the final by auditioning on another night.
8. Each performance should not exceed five minutes in length and should be entertaining.

9. There would be a total of six performers on the night of 'Welcome Show to compete for H.I.T. 25th Welcome Show American Drag Idol' title.

10. The winner will be presented with a tiara, sash, bouquet of flowers, and basket of goodies and \$100 cash prize.

Beefy! at Brandy's II

Cruisin' Carl - Continued from page 8

When I finished showering the two cars were gone. But my memory of the beefy guy driving the Bronco still lingered. He had dark very short hair, a nicely trimmed mustache and goatee, a well developed muscular moderately hairy chest, hard biceps, strong legs and a hard-packed butt. My tool was starting to swell again, just thinking about him. I decided that I better get dressed and mind off of him for the moment or my load will be all over the carpet and I would never get to Green Bay; at least not in any condition that would make cruising worthwhile.

Like usual, I couldn't decide on what to wear, but eventually I settled for my favorite pair of cruising jeans. I hang to the left and that pair has a small hole just a bit further to the left of where my big beefy knob usually rests. If I don't wear any underwear I can usually catch guys trying to get

a look at my meat. In that case it's fun to move around on the bar stool until my knob is barely visible and the guy nearly bursts his pants as his own tool swells uncontrollably.

Well, back to the story. I messed around and the next thing it was practically 7:00 PM and I was running out the door on my way to Green Bay. My PT Cruiser was all gassed up, as it always is on a Saturday, ready for all occasions. That means I have condoms and lube stashed in strategic places so as to be able to get to them without interruption.

Cruising up I43, nearly to Manitowoc, I was starting to get the munchies and had to piss real bad. I stopped at the next truck stop with a convenience store to get something to eat. A cheese burger and a can of soda would be just the thing. I was waiting in line to pay when I saw the guy that got his Bronco smashed that morning. He was just leaving. I was next in line to pay and just my luck; the person in front of me was taking his time picking out an assortment of those damn instant lottery tickets. Didn't he know that those things are just a tax on people who can't do math. Like, just put your money in the bank. You're more likely to get rich that way. I was getting real impatient, but I held my cool and just smiled as he turned and left. I quickly paid, ran out the door. He was no where in sight. Damn!! If I could have seen his car, at least I would have been able to cruise around from bar to bar until I found his car and then go in, knowing he was there.

It was nearly 8:30 PM as I pulled into downtown Green Bay. A bit early but not too early to start cruising. Some of my best cruising has occurred well before 10:00 PM. It is definitely better than waiting until 'lucky hour' - the last hour before the bars close when everybody is hoping to get lucky after getting drunk all night.

Cruisin' Carl — Continued from page 10.

I was driving along and just as I was passing by the Post Office, I saw Him. He was walking into the Post Office. Which means he must live in that area. He was probably going in to get his mail and would be coming out soon. With no place to park on the right side of the street, I spotted a space directly across the from the Post Office. I laid on the gas and sped for the next corner. I figured I could buzz around the block, park and catch Him coming out. I got around and parked and just as I finished parking, wheeee goes a siren and a cop pulls up behind me. Just my luck!

The cop gets out and walks up to my window and says "Do you know that you were going 55 in a 35?"

"Yes sir. I plead guilty. I was in a hurry to get this parking space." I figured that if I just admit my guilt and get my ticket the cop could be on his way and let me be. And then I saw Him coming out of the Post Office. I couldn't keep my eyes of him. His abs and pecs were mesmerizing. I watched Him as He walked down the street, turned the corner and disappeared from view. I let out a sigh of despair.

"I said, I would let you off with just a warning. Don't get all depressed." the cop said. "Just watch your speed around here. OK?"

"Yes sir!" I stammered, as I was coming back to reality. I got lucky that time. Not like I wish. My guy from the Bronco just got away, again!

I drove off carefully, as the cop was still there, and I headed for AJ's on Broadway. I was here to do some serious cruising. Who knows, maybe He would show up at AJ's. I had to be optimistic.

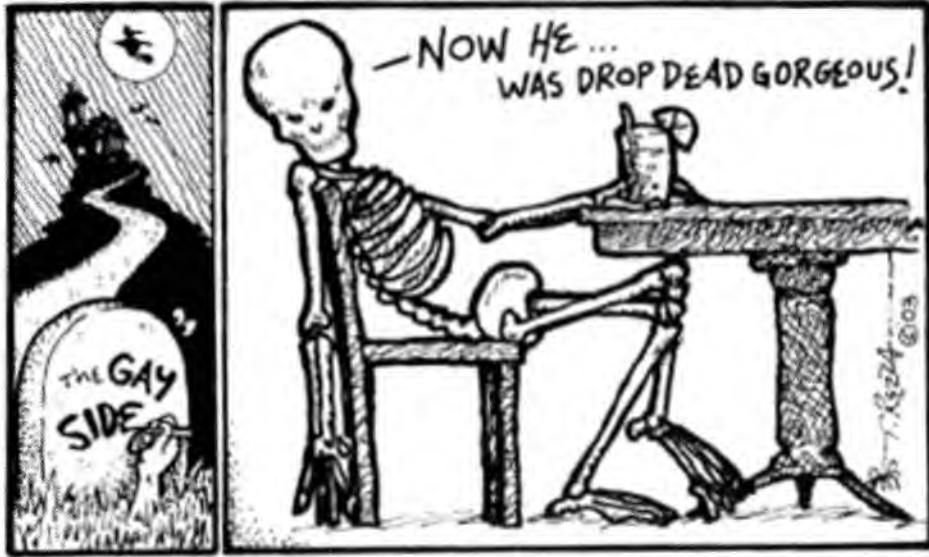

It was nearly 9:00 PM now, and the night life was getting quite lively. AJ's was bustling. I spotted several hunky men. One hunk was taking his shirt off and everyone else was definitely noticing him. He was real beefy and appeared to be single. But, I just couldn't get Him off my mind. I was waiting, hoping for my Bronco stud to show up. I noticed the bartender, Chris, was wearing some hot spandex shorts and I was starting to get excited. Wanting to make small talk and perhaps gain some valuable information, I asked Chris if he heard about a wet underwear contest that was supposed to be going on tonight. Chris had no idea and just shook his booty at me. It took all my willpower to keep from jumping over the bar and grabbing those hot looking buns of his.

Well, the drinks were catching up with me and I had to piss again. I went into the bathroom and when I came out I saw Him. He was on the other side of the bar, leaving. The bar was so crowded that it was like a bad dream. The harder I tried to get to the door, the more people got in the way, slowing me down. When I finally got to the door, I ran out and looked up and down the street. He was no where in sight. I checked the parking lot. Nothing! Damn!!! I was having the rottenest luck.

I went back in for another drink to ease my mind and said farewell to the bartender and his hot butt. Chris sure likes to show off his tight delicious butt and I noticed that a lot of the clientele was enjoying the view too. Anyway, I wanted my beefy Bronco stud and I headed for XS.

I arrived at XS and not a bit too soon. The parking lot was way more than half full and people were pulling in practically one after another. I was having that lucky feeling and I knew the place had a lot of potential. There was some good looking

beef headed toward the door and I was getting horny with the anticipation of cruising. I saw a good proportion of young and not so young beefy guys going in. Also, there were some straight boys included, and they can be fun too. Sometimes it's fun to tease their girlfriends a little by showing your attraction for their man while they hold on to them with an iron grip. As I said, just a little teasing. I don't condone stealing other people's boyfriends, regardless if they are straight or gay.

Anyway, I made haste and the hunk checking IDs at the door only made me hornier making me prove that I was old enough. I started to unzip my jeans, figuring that a glimpse of some thick curly pubes would be sufficient proof of age. Well, he didn't think so and made me show him my ID instead. What a party pooper! Oh well, he was good looking so I decided to forgive but not forget. I'll try for him again some day.

I made my way upstairs and I looked down and saw a prime piece of beef serving drinks.

Wow! This place has some sexy, hot, beefy looking bartenders. My mind wandered completely off track from its quest

for the Bronco stud. I backtracked down the stairs and proceeded over to the bar to get served by that hunk. With my tongue all knotted up and twisted, I spluttered out the name of my favorite drink. Ahh. With drink in hand, I was able to relax and enjoy the sights. I looked over at the door and and I nearly dropped my drink. The Bronco stud just came into the place and was showing the doorman his ID. I think the doorman was just checking his ID to delay him awhile so he could check his other ID that was bulging between his legs. The stud came and was walking in my direction. He headed directly for the seat next to me and sat down. Now, my tongue was really knotted up and my tool was swelling too. I was beginning to think I was at home in bed still, dreaming about all this. But, I was wide awake and I could smell his man scent. It was turning me on and the swelling that was going on down between my legs was making me have to readjust my posture. He got a drink, took a long swig, turned to me and said, "Say, you look kinda familiar. Haven't I seen you somewhere before?" I was breathless. A long pause ensued and then he said, "Yeah, but you look a lot different with clothes on, STUD!"

Well, if that wasn't meant to be an ice breaker then I'll go straight. I asked him about his Bronco that the little jerk smashed up and he told me that it was totalled and now he's driving a BMW rental. Also, he said that he misses his Bronco. "No matter how nice anyone thinks a BMW, Porsche or other fancy car is, nothing compares to a Bronco. I love the way they handle and you can make a U-turn in the middle of the block of any street around." The small talk was interesting and he was too.

Small talk is great, especially from this guy. But, I had other things on my mind and I figured that I better start making my

move. His eyes strayed off into the distance a couple of times and I asked him, "Are you expecting someone? A boy friend, perhaps?"

He blushed a little and said, "Oh no, I was just wondering if they have condoms. You know, like those big fishbowl-type jars like they have in the bars in Milwaukee. They really ought to, as you never know when the moment will arise."

I thought, this is perfect. He has the same thing on his mind as I. Beefy guys do think alike.

I was getting restless so I suggested that we go over to Brandy's II. "I've been all over Green Bay looking for the wet underwear contest and the only place left has to be Brandy's II." His eyes opened wide with excitement and I think I noticed an increase in the bulge between his legs. He got up and said, "Well, what are you waiting for? Let's get over there so we can view the scenery. It'll be great. The two of us can help pick the winners. I'll bet you and I will make good judges of beef!"

The place was packed but it didn't look like there was going to be a wet underwear contest. We went over to the bar and got some drinks while we eyed the crowd over. Just then, Daniel the manager, showed up and I decided to ask him about the wet underwear contest. He clicked his tongue (tsk, tsk, tsk) and threw up his hands and said, "Dude! that was practically three weeks ago. You missed a great party. The guys from Outbound were here." He went over to the magazine rack and brought back the latest issue and showed me. Damn! That was a hot party!

I turned to my Bronco stud and he grabbed me and said, "Relax, big guy, we can have our own party later. The have condoms."

Tales from the Trailer

By Terry Halverson

Hello All, Trailer Terry here.

Well let's see just what's the Gossip about this month. HMMMMMMMM did I get my counter part in print too DRUNK to SUBMIT her article last month????? I thought SUBMIT was something you were good at, Chi Chi OH Chi Chi where are you? HELLO, are you among the living Darling? Rumor has it, and you didn't hear this from me, you were last seen leaving Midtowne Spa in a Semi Trailer with Florida Plates>>>>>>>>>> Next time I see you, I'll check for tan lines.

Oh yes what a BEAUTIFUL Labor Day we had. My Wonderful Mother called to wish me a Happy Birthday and asked if I received my check from her and my father. She taped it inside the card so I wouldn't lose it like last year..... Mom seems to think \$20.00 is going to upgrade me to a double wide I think. But little does she know, it went to Toni at the Shamrock as a tip for serving my drunken ASS. Yes, I had taken a night off from tending bar at Club 5 and headed for the Shamrock only to run into George, the Owner. Well, once the BITCH found out it was my Birthday, all else was history. Thanks, Tim and Scott, for taking me home. You know boy's, you could of stayed. Nope, they dropped my drunk ASS off and I woke up once again, HOMO ALONE.

Oh yes, the week before that was ABSOLUTELY TRAGIC. I tricked out. I know

you find that hard to believe and he wasn't wearing a gold band on his finger either. We met at Club 5, started partying and I did a little strip tease on the dance floor. I knew I was bombed when I said let's go to the Dells and crash in on Tim and James. After we woke them around Midnight to let us in, I wanted to mess around with my Trick or did I ????? I took my bottom plate out, yes TEETH, and set them on the night stand. When morning came they were gone. TRAGIC, the dog must have ran off with them. Well thanks to MIDWEST DENTAL, a rush order was placed and I had new ones in 5 days. You know me, Mr. TACT himself, was honest and told the dentist what had happened. He told me to go to the back yard and look for freshly dug HOLES. RIGHT!! OH PLEASE!! Just place the order, OK?

Anyway, you know how sometimes your Birthday lasts for a week? Well a bartender friend of mine said let's go to MILWAUKEE. So we headed out on Wednesday, stopping at Out 'N About for lunch. I had a Mediterranean salad with chicken that was to die for. Larry was our wonderful server and attended to every need. The cool thing was the Atmosphere, ALL the napkins were a different color, the wide selections of VODKA'S and the friendly patrons we chatted with. Please stop in and have a bite to eat, stay and dance, party, have a great time. We then ventured to M&M's, one of my favorite stops. I just love the Big Windows. You can call the Hair Salon across the street and the staff does a little shows for you. A huge Thanks goes out to Boo-Boo for the wonderful M&M's T-Shirt.

Ok, you know I couldn't leave Milwaukee without going to Midtown Spa. The Boy's that work there are so Hot and never have a problem giving me X-Tra towel's and a few hours of well... (let's just say not for

She and her partner Pam, partners in life, decided that they couldn't pass up the opportunity to purchase the old Bamboo Bob's. Prior to that, the bar was Who's on First, for many years. I remember going there long ago with friends. The place does not look the same at all. They got the keys on July 1st and completely gutted the place. There were several layers on the walls that needed to come off. It is hard to believe that they could transform the place within one month. They did a great job.

Unfortunately the kitchen required more work than they expected. The previous owner did not use the kitchen. The city required them to bring the kitchen up to code. Everything in the kitchen is brand new. They started serving food as soon as they could. They serve lunch, dinner, and a late night menu. Dinner is severed from 4:00 to 10:00. They have been getting a very nice lunch business from Rockwell.

I also found out that they have a brunch menu on Saturday and Sunday from 11:00 to 4:00. That following Saturday I went back with Alan and Harold to check out the brunch. Again the menu was very impressive. We started off with Bloody Marys. Josh was our waiter for the day. He must have had his new size 12 shoes on because he didn't make it up the steps with our drinks. They went all over him. When he reached for his pen he pulled out two olives and pickle.

print). So, my bartender Buddy and I headed back to Madison.

If anyone is going to the ALL-INCLUSIVE Atlantis Puerto Vallarta Mexico Nov. 8-15, stop by my room and say HI. I will be traveling with several of my guy pals from Madison, but I will have my own room.

September also brought Chi Chi Larue, not to be confused with Milwaukee's CHEAP TALKIN' Chi Chi. Chi Chi Larue performed at Club 5. The show was Fabulous. She brought out porn star Chris Steele. OMG, he performed HARD for the crowd. I had a couple of my Gal Pals, ok... (LESBIANS), Elizabeth & Ellsa walk up and tip MR. STEELE so I could check out his package for real, and that is was. GEEEEEE if I were to wear a Blindfold, I'd be certain to pick him out of the line up. It's kind of nice having an article in a magazine, as I was invited back stage to chat with Chi Chi and Mr. Steele. NO, I didn't cop a feel. Get your minds out of the gutters. I had the most wonderful conversation with the porn star. It seemed like we could relate on so many issues.

Fall is upon us and Winter on the way. Time to think about Winter Vacation Spots. How about an Eastern Caribbean Cruise — 7 days, Feb. 29 through March 7th, leaving Fort Lauderdale Florida. This is a new concept. Gay, Lesbian and STR8 Friends sight seeing together during the day and each getting laid at night. Please Email me at thelverson2@hotmail.com for info. Best prices if booked by Oct. 31st 2003. I will be on the Cruise with several of my friends.

So a couple friends called and said, "Terry, let's go shoe shopping." As I so much enjoy their company and needed to get out of THE Trailer Park I, agreed to meet them. What else do you do on Sunday at 10am if you wake up alone? We headed to

The Shoe Box in Black Earth but made a quick stop for brunch at the West Side Business Men's Club on Madison's West Side. We walked in and were absolutely amazed at how lovely the establishment is. Jim, of Queen Ann's Catering greeted us, chatted for a few and then my pals were ready to dine. If you're looking for something elegant but yet somewhat casual, please try them out. Their selection of food is wonderful, linen table cloth, pianist and great desserts. Brunch is very moderately priced and the service is impeccable. You know how gay guy's are sometimes always looking for a flaw? Well, the three of us could find not one flaw. And let me tell you that's amazing, as we do have an eye for detail. Oh yes, Bill, the other half of Jim (Tehehe) seemed to find his way out of the kitchen to stop by our table and say hi. He sure looked cute in his apron.

Here is to all the fans of Chi Chi and Myself. Please write or Email with ?????? or words of wisdom. We would love to hear from you. Take care, have a great month and be kind to each other. Talk to you soon.

Love, Kisses and Trailer Park Wishes,

Terry
