SERVICE TRADE
 (Titan Media)

Do you like a handsome businessman with a huge hard-on hanging out of his suit pants? Or a calloused, sweaty and slightly dangerous workman with a big bulge in his jeans? Service Trade has both, pairing well-heeled execs with rough, tattooed, pierced, and P.A.-ed tradesmen in four full half-hour scenes.

Joe Foster is a hotel doorman caught sniffing the sweaty jock strap of guest Ben Jakks who gives a punishing pounding to his servant boy. Angel-eyed young stud muffin Danny Vox checks out a construction site and ends up deep tonguing hardhat Rick Rivera's prodigious foreskin through a bathroom glory hole. When sultry Dante Foxx enters the scene unannounced, Vox gets relentlessly double-pounded, jolting the jiz outta his man meat. Electrician Rick Pantera screws clean-cut-looking junior exec Owen Hawke, who later turns nasty and flips Pantera on his belly for a hard-butt pounding. To sweeten a deal, burly, silver-haired power broker Jace Hunter offers his sex slave Jon Galt to topman Alex Leon, in a leather-clad threesome as the two bosses share Galt's hole.

There's bonus content, too - horny photo shoots, and water sports. Titan Media has outdone themselves here.

Letters to the Editor

Dear Editor,

With all the gossip about IN-Step going out of print and Quest trying to step into their shoes, what are you guys going to do? I love your magazine and want to see you successful as do alot of other people. Your reputation in the community is wonderful and you both seem to be genuinely nice guys. Are you going to recruit IN-Step's writers? Are you going to be more newsy? FYI, before you make any changes to your format. Think about what has made you successful. We love your magazine just the way it is, FUN!

We also like you guys as you seem to be passionate about promoting friendly competition among the gay businesses. You have given us a reason to go out again and have fun. I have seen a transformation in the Gay Community since Outbound started. This is TRULY your greatest asset. Please don't change a thing and keep on supporting the gay community as you are doing.

KV would be a great addition to your team as well as Dear Ruthie. This would be the only change I would make if I were you guys. They have the same ethics as you do and would be a welcome addition to your already popular Cruisin' Carl, Cheap Talkin Chi-Chi and Trailer Terry. I want to end this letter with a question to you:

Will you consider keeping your original format intact? Will you consider adding KV and Ruthie? Your public wants to know!

Your Public

Dear Public,

Thank you for all the praise. Rest assured that we do not intend to change our basic format or basic intentions. We plan to remain as a publication that promotes fun. We want everyone in the GLBT community to have reason to come out and enjoy the entertainment provided by the bars and clubs and also to help all the GLBT friendly businesses succeed. Together, we can make life a bit more fun and prosperous for everyone.

As for a home for KV and Ruthie, they are certainly welcome here at Outbound if they choose to find a new home. We love them both and feel that the Public deserves their fine talents. Our hearts are gladdened to let them know how you feel.

Sincerely,

The Publishers of Outbound Wisconsin

Tales from the Trailer

By Terry Halverson

Hi Everyone,

Terry here trying to stay warm as I type this. Thank God they delivered the straw yesterday to put around the bottom of my trailer to keep my tush warm. So how you all doing? Enjoying the New Year? Was last year good to you? Did it go out with a Bang or did you get Banged? My arm has healed and my sling, from last months arm wrestle with the Lesbians, has been removed. Oh, and I just took The Girls Rule Sticker off my bumper too.

Brrrrrrr January was cold here in Madison. Ok, how cold you ask, -2 deg.? Cold enough for me to clean Wal-Mart out of three-hole ski masks, OK? Alright, so maybe I wanted the ski masks for another purpose as well. LOL.

Mondays in January were heating up with Diana Spinning Country at Club 5 7:30-Close. Almost makes me want to try and line dance with all the HOT MEN in BIG BUCKLES, and BOOTS. Yea your probably right, I just want an excuse to buy a new OUTFIT. OMG! You all know how F_ck_d up I am. Yes, buy a VOWEL Well a couple of guy pals of mine (or used to be), invited me over for a little make over. Did you guess? Yup! Trailer Terry went into the Salon and was greeted by Bruce who lead me down a long hall to a private room. Damn! I am starting to sound like Cruising Carl. Then, once in I

was told to remove all my clothes, for what I said all I'm having is a FULL Back WAX. Ok, so I took off my shirt and was told to lay on my stomach. The Hot Wax was not a scent that I am accustomed to. Bruce then put a popcicle stick in the wax, smeared a bit on my back then laid a white strip on and yanked. OMG!!! After a few spots of hair removal, I screamed, "Am I bleeding yet?" as he says "SHUT UP BITCH I'm just starting."

I said, "Bruce may I go to my car and get my poppers?"

His response was, "If you do, we will never finish."

Ok, so after 45 minutes of wax, rip, wax, rip, it was off to the Salon chair to meet yet another SISTER, Jamie. As he found a nice #3 Brown color to put on my goatee and side burns, I was led to the sink. Can you guess? CLUE — smell of wax. Yes, it was time to have my eyebrows done. PLEASE, PLEASE no more white strips.

Gee that was nothing after what I just went through. Let me tell you I have never felt so Pretty and SPECIAL as I did for the 2 1/2 hours I was at Penny's. The guys sure know how to pamper.

If you're wondering why the waxing, it was time to head to Florida. A lesbian friend of mine, Toni (Yes, Shamrock Bartender), picked me up in the BIGGEST BUTCH TRUCK I have ever seen. Her brother Todd, YES he is Gay, was in the front seat. We were headed to the airport, bound for Orlando for fun in the SUN. OK, minus 2 deg, a bottle of Dr. and a handsome man with me, it was off to Sunny Florida.

The Parliament House was waiting for our arrival, as we both had rooms on the BACK side of Resort, at opposite ends I may add.

The weather sucked and so did ???????? No, we're just friends tehehe. Toni warned me that if I hooked up with her brother not to tell her. I told her I probably wouldn't see her at The Family Reunion; not to worry. We had fun in Orlando then it was put the TOP down Bottoms did I spell TOP right? Then off to St. Pete, Florida, Sun Coast Resort. Well of course, after getting lost and ending up in let's say not the best part of town, (What ok so I should be used to it RIGHT?), we arrived at Sun Coast Gay Resort. After being stood up by all my internet hook ups, it was time to call Todd's room and say COCKtail time. Oh, almost forgot ask Todd how the WELCUM Wagon greeted him at Parliament House.

We went down to the LUNAR Piano Lounge — see, I have a little class :-) and met the most wonderful group of people. Joan and her gang were partying and looked like LOADS of fun, so Todd and I joined them. OMG, to much fun. After excusing myself to my room and I dug into my suit case and yes I had packed a SKAG DRAG OUTFIT, back to the bar I went all dolled up. The place just ROCKED. Joan's group loaded Todd and I up in their Pick up (yes, as in tricks) truck and we headed we headed to Joan's Bar which is called The Other Side. Let me tell you it is the cleanest Bar I have ever seen. We had an ABSOLUTE Blast. Dancing, partying and hmmm, Todd disappeared for awhile. Where do you think he went? All I have to say is YOU BITCH..... I am soooooo envious. You could of shared him.

We then called a cab and headed back to Sun Coast, only to run into Mcfilm Store owners, Mark and his Partner Carrie, whom we met at The Lunar Lounge Disco. Let's just say the spot lights didn't know which way to aim when I entered, dressed in Rainbow, top to bottom, complete with Boas, wings and a SUPRISE under the apron! When I lifted my apron, we thought Tampa BRAD would fall off his chair; and the look on bar manager Mark Saraceno's face was, "I wonder if that's legal?" Then the cast started to pick at

Trailer Terry. Boy, they didn't know what they were getting into. I took out a condom, blew it up stuck some MONEY in it for a tip and went right on stage. At the end of the show it was into the car and off to Grand Central Station, another local Tampa Bar, with Carrie, Mark and Todd. After another Photo shoot on The Cross at The Platform Bar (Back Bar at Grand Central), we were "escorted" back to Sun Coast. What a night, just to much fun for KIDS!

I would like to wish a belated birthday to friend Scott. Hope you like the vibrator, (Sorry, back massager.) Also, happy belated birthday to Jessie former (Disrupt Customer).

Please watch next month for info. on an all-inclusive Puerto Vallarta November 13-20 2004. I am Hosting a large group at Downtown Puerto Vallarta Resort on the Beach. Hey Chicago! Get ready! Club 5 Staff is heading your way Monday night, Feb. 9th. HMMMMMM... Does anyone know if the Steam Works is open on Monday's? Never mind! I'll check myself. Also, next month interview with Jerry AKA Condom Guy Madison Aids Network.... I will see everyone that's going with me on the Feb. 29th Cruise to Puerto Rico. Remember we will be partying in Fort Lauderdale night before we sail....

God Love Your ASS!!!!!!!!!!!!!!

Cruisin' Carl Gets Busted

By Cruisin' Carl

If you missed last month's issue which leads to this story, you can go and read it in the archives on line at <http://www.outboundwi.com>

I was in a bit of a panic as I saw the cop walking up to my car. I was totally naked from making a hasty retreat from Cap'n Dix and my man meat was sticking nearly straight up; hard as ever. I tend to get horny during tense situations like this. One other especially memorable time was when I had to speak in front of a lecture class in college. But that's another story.

I rolled down the window and as I looked up to look at his face he beamed his flash light into my eyes. I could not see his face; consequently I had to look down and then all that I could see was the bulging fly of his uniform pants. It was perfectly contoured, blending gracefully into a muscular set of thighs, making a transition from man meat to inner thighs, hips and a beautiful six-pack of abs that were barely visible because one button at navel height was undone and his shirt was gaping open slightly.

"DRIVER'S LICENSE!!" he said, raising his voice and saying it for the second time brought me out of my trance. Now he had the flashlight lowered a bit so that I could see his face and the light was illuminating my chest and man meat. I reached for my pants in the passenger seat to get my driver's license and gave it to him. After giving him my license, I let my pants conveniently fall across my lap to cover my erect tool. But my pants remained suspended, tented up like flag pole and there was no hiding the fact that I was naked and extremely horny.

Cruisin' Carl — Continued from page 7.

He started reading my stats, "Sex — male... oh yes, you are definitely male, hair, eyes, weight - 170, height - 5-9. Well I can verify the nine inches and I will assume the five feet is also correct."

He then asked me where I was going in such a hurry that I needed to be going 80 miles an hour. I told him I was headed home and the unusual circumstances was a long story. I hoped that he would be understanding and just leave it at that. He shifted his weight as I saw his meat start to grow and began making its way down the leg of the his uniform pants. It was fat and I could see the outline of the his knob. My own meat began pulsing and my pants were moving in sync with my heart beat.

He looked at me directly in the eyes and told me that I was going to have to come with him for interrogation, considering the circumstances.

"Head quarters is just a mile down the road. Get out and leave your car here. I'll have a tow truck bring your car in. No! Leave your clothes there. You'll be given something to wear at the post." He used a very authoritative voice and cuffed me as he lead me to the front passenger seat of his cruiser.

I must have been going too slow for him because he slapped me on the ass as I was getting in. "Hurry it up before any cars come along and are blinded their headlights reflecting off your bare ass," he said.

I was starting to regret the entire evening. Not only did I miss my chance with the guy back at Captain Dix, now I was busted. I was trying to think of who I would call to come bail me out and what I would tell them. I couldn't just reveal that I got stopped without anything on. That would raise all kind of embarrassing questions.

Cruisin' Carl — Continued from page 9

We got to the post and a tow truck was just leaving — probably going out after my PT Cruiser. He stopped in front of the entrance, got out and came around to the my side and opened my door since I couldn't with my hands cuffed behind me.

When we got inside I noticed that no one else was around. He said that I would have to wait until the desk clerk got in to book me. He opened the cell and pushed me in as he followed. Shutting the cell door behind him, he then turned to face me. He said, "I think you need to be taught a lesson," and he started to undo his belt while I just stood there with my man meat standing at attention.

Slowly, he began unzipping his pants. First, all I could see was his dark hair as he parted his fly. He reached in and pulled out the heaviest piece of meat that I have ever had. He instructed me to get down on my knees and open my mouth. I assumed that he wanted me to service his tool. But, instead, with a firm grip on his meat, he held it up exposing a set of hairy low hanging orbs. He asked me to trim the hair on the underside of the base and on his low hangers, using just my teeth.

I nibbled and chewed as he moaned. He was enjoying the action and my mouth was starting to get full of hair. I turned to spit out the hair and he grabbed my head and said, "Just keep chewing and swallow that hair." He resumed his moaning and and his juices started to run down his shaft and mix with the hair I was busy chewing. If it weren't for the added moisture it would have been impossible for me to get the hair down. A bit more chewing and some more of his juices and I finally was able to swallow all the hair. His low hangers were now smooth and I licked them clean and free of any stray strands of hair.

Outbound's Guy for February - Mizam

Congratulations to Mizam, the winner of the Cover Guy Contest on January 15 held at Fluid in Milwaukee, Wisconsin.

A striking young man from Malaysia. Mizam came to the U.S. to attend Marquette University. He majored as a B.A. in business administration.

The place was packed in elbow-to-elbow, the liquor was flowing freely and everyone had a great time. There were lots of prizes being raffled and, of course, there was the cash prize for the winner (Mizam).

We can't fully express how thrilled Mizam was to win. He said, "Only in America could something like this happen to me."

Thanks, Mizam and Fluid for another successful event.
