So, Trailer Terry I here That you want to Challenge Me to a Bartending Duel

Grrrrr. I am always up for a challenge. But I am Tired of Waiting for You to challenge Me. So I am Challenging You!

WILL TRAILER TERRY TAKE ME UP ON MY OFFER OR WILL HE CHICKEN OUT!

Check out the next Outbound to see if Trailer Terry Accepts my Challenge!

Greetings Gossip Mongers!

Sorry about my hiatus from the column, but I had a few personal glitches to contend with. The first was my B-day party on the 17th of January. What a night! Thank you everyone that came out to help celebrate my 37th. With a multi-talented cast for a show and the undying efforts of Boo-Boo, Rita, Ronda and Randy pulling it all together, I cannot thank you enough. This being a benefit for HIT and MVM, a princely sum of over \$800 was raised. Special accolades go to Legs and Susan running raffles on short notice, Debi Vance manning the door and Baby Jane Hudson MC'ing the show. Thank you. Among the performers were: Miss Ashley, Tracy Michaels; Miss Shannon Bumps and singing ingenue Kelli, representing Triangle; The lovely Miss Nova Devine and Christina Chase from La Cage; Title holder Miss Rona coming out of retirement and Miss Joan Bennett representing M&M Club; (Joan, Toni Basil called, and I guess there were trademark rights infringed with your "Mickey" send up.) The legendary Miss Karen Valentine sparkling in all her jewels from Switch; And... the other grand dame of all media, Miss Ruthie who always commands a standing ovation. By the way, I loved doing that duet with you. Kudos to your S.S. Sweeties. It is very humbling to see how much you can be loved. Thank you all! P.S.—The wonderful David Howser,

and Ginger who happened make her debut that night, were quite the crowd pleasers.

Joan Bennett as Chi-Chi

Other B-day news to celebrate are Michael Jonas and David Howser of which I had the honor to celebrate at the exquisite Savoy Room. David hit the jackpot with two Diana Ross dolls outfitted in glittering Bob Mackie gowns. Such a shame you didn't get the third from that other "friend," it would have been a true trifecta. I guess that must be why there was no golden glove gift basket for her.

Rona celebrated her B-day in Acapulco with a wonderful masseuse on the beach. Bill Hoffman had his 41st on the 15th of February and Jack Shultz of M&M fame had his on the 19th, while my partner in crime, Joan Bennett will be celebrating on the 22nd. I have the Cuervo chilling for you.

Jeff from Joey Buenos will have his soiree on the 22nd at Boom and Der Baer, Roy Schaefer will be celebrating at M&M Club on March 6. Who knew there were so many gay Caps, Aquarians and Pisces.

David and Tim celebrated Boom's 4th anniversary on the 11th. With Greg and Tim behind the bar, they had the crowd quite happy. I was wondering what the criteria was for the casting of the featured dancers at this bar. I guess you have to ask Greg, aka Myrna, behind the bar. From what I heard, it is an oral exam, so be sure you're ready for an all-night study session.

I was able to catch the latest cover guy contest hosted at Switch on the 21st. With Karen Valentine as M.C. and seven contestants vying for the March title, I haven't seen so much chicken since going through the KFC drive-thru. I had to leave before the swimwear competition but I heard that the winner assumed there would be additional monetary compensation for winning. So we'll have to see who will be on the cover although extra credit goes to the boy toy who tried to sway the judges with his own anatomical trophy. Thanks Craig, Scotty and David for a great contest.

M&M had a great turnout on Valentine's day with those crazy Riverwest Accordians. You could also get your picture taken with your favorite sweetie as well, from Stu and Debi. I heard the group was almost the size of a small orchestra with their own fan club, so watch out for those accordion players, you'll never know where they might show up.

Speaking of musical venues, Trixie is now performing at the Mosaic on Downer across from the Coffee Trader as well as at M&M Club. I met the owner Thomas who plays well (the piano keys that is) so stop in some night and tell them Chi-Chi sent you. The always wonderful Melissa Beastrom had a special guest show up for her set on the 15th. The talented Connie Grauer from Mrs. Fun fame joined in for a great version of "funny Valentine."

There seems to be a new bed and breakfast in town. The only difference is that you don't get a mint on your pillow to put in your mouth, rather something else. The other part is that most guests don't stay till breakfast. This Peter, Paul and "Mary" song doesn't ask if you have hammer, just if your "blowin'" in the wind.

There is a new boutique called Vieux at Nouveau (old and new) on the corner of Brady and Franklin that specializes in apparel for drag wear. I met the owner Heidi and she would like to do a fashion show with some of our lovely ladies in the community. So send me an email if you're interested in appearing.

I bumped into Bob and Craig from the Harbor Room recently taking a break from the grind. The other night I was there and it was packed to the rafters with hot sweaty men in varying degrees of leather

wear. One young man in particular wrapped his legs around this reporter and proceeded to give me a Valentine's present I will not forget for awhile. So, Dan from Kenosha, the next time I have a tongue down my throat I'll introduce *myself*, as well.

Another wild time that I did miss out on was the sneak and peek going on a Sunday night recently. I guess these servers bring more to the table than your usual appetizer. Unfortunately the boy they were waiting on seemed to have short changed them with his "tip." You have to admit he is very easy on the eyes, none the less.

On a final note, I have to acknowledge: two famous entertainers graced their presence on their worthy fans. Jane Hudson and Rona had the pleasure to meet Ann Margaret recently. Also, Randy "Evilene" and his other half Matt got to meet the legendary Eartha Kitt in New York. I guess some of us have to live vicariously through others.

Till next time, keep the talk cheap and the liquor flowing!

Love Chi-Chi

David Howser Wishes Chi-Chi a Happy Birthday

**XXX Video Review**  
**SEXUAL URBAN LEGENDS**  
 (All Worlds Video)

Four sexy tales about steamy man action. The first legend brings BRAD BENTON and JUSTIN WELLS together in "The Surprise Party." Brad's dad has to go out of town on his son's birthday. As soon as pop splits,

Brad invites Justin over, who shows up with a gift for Brad's sweet ass. After a torrid sex scene, the two go downstairs only to find well, let's just say there lies the surprise!

An "Australian Beer", two college roommates, senior CHAD HUNT and freshman, ALAN

GREGORY. Chad asks Alan if he's ever had Australian beer. Chad tells him that if he drinks too much of it, he'll get a sore ass. They chug away, Alan passes out. Chad does him every which way and the next day, Alan can barely sit down. He tells Chad that he's right, that Australian beer gives you a sore ass.

"Holiday Nightmare" brings ANDY HUNTER and CADE DEVILIN to a creepy motel on a road trip. The two go back to their room and find out that they've been robbed. The two console each other with lots of licking, hole cleaning, humping, pumping and love juice squirting. They leave and a week later the guys find photos of their sexual antics in the hotel room.... And a surprise photo.

The last legend, "The Silver Spoon", has mama Lana visiting her son, JASON RIDGE and his lover, NICK CAPRA. Jason proclaims that he and Jason are nothing more than roommates. They make out on the couch and the next day, Nick's grandmother's spoon is missing and he accuses Jason's mom. Jason writes to his mom about it and a few days later, a letter from mom arrives telling him exactly how she knows what the two are, well, you know, "funny that way".

**Tales from the Trailer**

By Terry Halverson

Hi All,

Hope all is well with my readers this month. Winter is almost over here in Wisconsin. While some of you were freezing, things were heating up in Paule's basement. He had an after bar for the STAFF of Club 5 (Madison) and a few friends one Saturday night. Paule has the only basement bar I have seen where the soda machine is really a HUGE BEER DISPENSER. Yup!! Hit diet coke; out shoots MILLER LIGHT. Juke box, darts and the most beautiful bar you have seen. Seems Paule is quiet talented with his Hands, as he made it himself. Little Mark, AKA Power Bottom, lost his pants at the party, as I ripped em right off him. But, they looked like they were ready for the Goodwill bag anyway.

Then in true WHITE TRASH form four of the members and Cheer Leaders from the Rough Rider Madison softball team loaded in a 31-foot RV and headed to Palm Springs, California for a ball tournament. Seems David, Wayne, Brent and Scott stopped in Oklahoma City for breakfast and had the worst waitress ever. They were lured in by a sign that said "Meat Lovers". Let me tell you, it doesn't take much to get these MADISON FAGS to pull into any little ol' truck stop.

Now I, on the other hand, would of pulled into The Habana Inn for my meat. This is

a lovely 175-room Gay Resort that I have stayed at a couple times. Check it out on line, [www.habanainn.com](http://www.habanainn.com).

Well, after heading from Oklahoma, the Rough Riders took it back on the road to Phoenix where they pulled in and partied at Johnny Max's bar. The owner, who actually lived around here and dated a guy from Janesville, told the Rough Riders to park in back and stay the night. Damn sure makes me think I should pump up the Tires, take of my skirting and hit the road. David L. seems was forced by his trio to steal a bar stool from Jenny Mac's. While heading for the front door it opened and a customer asked him if he was checking ID's for GOD SAKE. Once in Palm Springs, they teamed up with other Rough Rider team members to celebrate Doug's birthday. When you see SCOTT, ask him how he got out of his ticket from the friendly Oklahoma Police Office. Seems to me these BOYS had a BLAST.

Last month had a couple Birthday's: Wayne and Glenn. Damn think I saw them on every shift that week.

Oh, here is some NEWS. Shamrock Bar, here in Madison, now serves Lunch Monday through Friday 11-2 with a Wonderful menu; not the same Menu as evening, I may ad. I had the opportunity to stop in one Tuesday and tried a SUCKULENT Chicken Cordon Bleue. Boy, I butched that; sandwich prepared by Cheryl.

Oh, yes, I have more. Get a cocktail. You ready? On a COLD Sunday evening, Rob had a show at Club 5. I don't know why, but I went to Goodwill and bought a FABULOUS OUTFIT to help MC the show. Well, let's just say after a couple of the BIGGEST Martini's ever, Desiree took over for me. God Love Your Ass GIRL; and it's a BIG ONE to LOVE. I did not just say that, Shhhhhhh. Elvis was Alive

and back from the grave that evening. Well, Rob the Dear, took all money from the show and donated to Tad's St Jude Children's Benefit on Feb. 29th.

Ok, I called The Aids Network here in Madison to check on a few things. While talking to Bob he informed me that on March 26th here in Madison is The Red Ribbon Dinner Benefit at the Sheridan. He tells me that you can donate any goods or services to be auctioned off at this benefit.

On Saturday, April 17th, Madison/Milwaukee Mil Maids are having a tournament at Boulevard Lanes in Madison. Please go to [www.aidsnetwork.org](http://www.aidsnetwork.org) for more info.

I wanted to take a few minutes and share an interview of an individual who I think is remarkable. His name is Gerry, with a G. He is from the Madison Aids Support

Network. Gerry (AKA the CONDOM GUY), volunteers 6-8 hours a week after a full time job.

Trailer T: So, Gerry, are you single?

Gerry: Yes.

Trailer T: How did you choose to volunteer for Madison Aids Network?

Gerry: One night while out at Club 5 I saw this guy (Shawn) at the bar and started talking to him. The guy already worked there and I decided at that moment it was something I wanted to do. When I lived in Appleton, WI, I worked at a homeless shelter. It's all about helping others.

Trailer T: How do you like being labeled "Condom Guy?"

Gerry: It's kind of cool, actually. I go to several local Bars here in Madison, handing out Condoms. One of the best stories is while at Woodman's Grocery a couple

unter their time to help organize this year's event. "In the grand tradition of MILMAIDS, we are looking for more volunteers who can help us carry on this great volunteer effort to help people living with HIV/AIDS," said Dougherty.

This year's beneficiary will be AIDS Network, the State of Wisconsin designated AIDS Service Organization for south central Wisconsin. With offices in Madison, Janesville and Beloit, AIDS Network provides comprehensive HIV/AIDS prevention education and care and support services throughout the southern region of Wisconsin. "MILMAIDS is an event that the staff, volunteers and donors of AIDS Network look forward to each year," said Bob Power, Executive Director. "We are deeply grateful for the volunteers who work hard to create a really fun day of bowling and camaraderie to benefit those in need."

soon slick with sweat and the windows were fogged and nothing outside of the car could be seen. Our passion escalated and soon we were both moaning, in the throes of ultimate release.

For several minutes we just lay there, recuperating. He tenderly petted and caressed me as I did the same to him. We kissed and soon we were going at it again. In fact, we repeated our acts of passion several more times. It seemed like we had no limit to our abilities.

Eventually, the cusp of morning was upon us and I had to go. But only after exchanging phone numbers and promises to call each other, for we both wanted to get together again. •

*"I'm actually not secretly gay but my agent spreads rumors that I am or else I wouldn't make the magazine covers."*

STR8 guys started staring at me and said that's the Condom Guy. So, people are becoming more aware. (Kool, eh?)

Trailer T: What's your biggest pet peeve?

Gerry: When people waste product. Monies for these condoms/lube come from donations. All I can say is, "Don't waste product!"

Trailer T: What is your least favorite part of your job?

Gerry: When I am out handing condoms and people give me ATTITUDE! Ninety-nine percent of people (however) are really great with what I do.

Trailer T: Do you believe you are making a difference?

Gerry: All the individuals at the Aids Network are making a difference. I have the fun job. These people deal with lots of different issues and help many people in a day. It is unbelievable. The Aids Network has many many resources for anyone with questions. You may call them at 608-486-6276.

Trailer T: Here is a fun one for you. If you could CLICK your heels and make a wish for the MAN of your dreams, Gerry, what would he be?

Gerry: Ok, he would have a great sense of humor, be monogamous, a hoot to be around, loving every day.

Trailer T: Gerry, is there anything you'd like to ad?

Gerry: Yes. I would like people to start loving one another and be less judgmental. We have FREE HIV testing 1st Tuesday of every month at Club 5 10:30-? — also, at several other locations. Please check our web site or call. We are always looking for volunteers at Madison Aids Support Network.

Trailer T: Gerry I want to thank you for you time. I know for a fact your making a difference and helping in awareness, if nothing else. What you do does not go unnoticed. Gerry, YOU ARE WONDERFUL.

Yes it's time to start thinking vacation and I have thrown together a FABULOUS all-inclusive land package on the beach in Puerto Vallarta, Mexico, Nov. 13-20th. Please see page 13 for this awesome trip that, yes, Trailer Terry will be hosting. If you see me out and have any gossip please feel free to share it with me. Who knows, you might just be able to embarrass one of your friends in print.

**G/L Community Center & Trust Fund**

The G/L Community Center and the Community Trust Fund is announcing it's annual membership drive during the month of March 2004.

Membership to the Community Trust Fund helps maintain the fund, and helps provide gifts and grants to a coalition of organizations and other local organizations in the GLBT Milwaukee area.

Over the past seven years the Trust Fund has distributed over \$39,900 to various organiza-

tions and programs. The Trust Fund provided this assistance to organizations that find themselves without the means to hold fundraising events or are unable to meet the qualifications of large community foundations for funding. In addition the Trust Fund maintains a Building Fund and an Endowment Fund for the GLBT community.

The Community Trust Funds Membership provides a yearly membership for \$20.00, and an advisory membership for \$100.00. If you want to receive information about their membership drive, or contribute to their "Your Choice" program, which provides assistance to the coalition of Milwaukee area organizations, they can be contacted at P.O. Box 1686, Milwaukee, WI 53201 or at <http://hometown.aol.com/glcentermil/myhomepage/profile.html>

The G/L Community Center Trust Fund is a tax-exempt 501 C-3 organization. All memberships received by May 31, 2004 will be invited to the annual Board of Directors meeting in June 2004.

**PrideFest Will Survive!**

Thanks to a successful debt-reduction campaign, PrideFest will survive. PrideFest financial problems have been well documented. Due to poor weather and poor festival management, PrideFest 2003 had a revenue shortfall of nearly \$150,000. More than 150 individuals donated, allowing PrideFest to reach its goal.

"We know that Milwaukee PrideFest is a significant and positive expression of the LGBT Community spirit and has over the years given that Community credence to take its rightful place as a full participant in the greater communities of southeastern Wisconsin and far beyond" wrote BESTD President Kevin Lynch in a note sent to the Task Force with a check for \$3,333.

The PrideFest Task Force is now moving forward with plans for PrideFest 2004.

## Cruisin' Carl Beats the Rap

### By Cruisin' Carl

*After high tailin' it from Cap'n Dix and getting stopped by a state trooper for going way too fast and driving naked, the story still continues.*

After finally getting the cop's family jewels as sparkling as the Hope diamond, he ordered me to stop and get up. He then grabbed me by the neck and guided me over to one of those large flat bare tables used for interrogation like you see on television cop shows. He turned me to face the table and forced me to bend over. My tool was still hard as rock and forced up against the edge of the table so that it pointed down directly at the floor. The trooper dropped his uniform pants to the floor in a pile around his feet without removing them completely and finished unbuttoning his shirt to expose his muscular abs and hard muscled chest. Leaning over me with his chest pressed forcefully against my back, jabbing his massive tool up between my legs against the underside of my shaft, he pressed the top side of his hard tool against mine. I could feel my juices flowing. He continued to press and massage me this way and soon there were two puddles, mine and his, evidence of two horny studs with drooling tools aching for release.

He paused and then I heard the tearing sound of a condom wrapper releasing its contents. A loud snap as he finished donning his uniform of lust told me what to expect next. He was using his thumb as preparation, but merely because he enjoyed it. His thumb was no match, by far, compared to the size of his massive hard man meat.

With my hands out in front of me on the table, I was a slave to his forceful thrusting. The table inched forward toward the wall with each thrust. Skritch! Skritch! Skritch! Skritch. The sound was loud and I was beginning to wonder if the table would hold up to our abuse as he pushed me and the table closer and closer to the wall. Eventually, the table made contact with the wall with a loud bang. Repeat-

edly, he banged the table against the wall harder and harder, louder and louder. Suddenly, he let out a sustained groan and collapsed on me. In his aftermath he was pulsing, throbbing so fiercely that I got so excited that I spent myself on the floor.

We rested there for several minutes with as he regained his strength. His tool never softened and soon he slowly began to withdraw from me. He felt so good that I tried to hold him, keep him from pulling away so that I could savor his magnificence. He sensed this and rewarded me by thrusting back again causing his low hangers to brush up against mine. Their smoothness, for lack of hair, produced an erotic effect that soon had me hard again.

We went at it again and he built up to a fevered pitch. I was matching him thrust for thrust and suddenly I was adding more to the puddle on the floor. He kept going and continued to thrust harder and with one final stroke I felt him on my back. He must have been saving it up for quite a while because it felt as if my entire back was awash with him.

There was a loud knock on the door and then a voice called, asking the cop if he got his radar unit calibrated. My trooper answered, "No! The guys in Test and Calibration were gone when I went to drop it off." I was sure that the voice was that of the tow truck driver that had gone out to get my PT Cruiser and my suspicion was confirmed when the door opened and in walked the big beefy guy.

The tow truck driver had powerful legs and arms, evident even though he was wearing somewhat baggy mechanic's overalls. The front of his overalls were unzipped down past his navel and a few wisps of dark curly hair was showing. His chest and abs were chiseled to perfection from many long hours of hard work repairing the troopers' broken down cruisers.

As if nothing was amiss and all was normal, the tow truck driver said, "I put that PT Cruiser up on the hoist. I need you to come out and do the usual inspection for drugs. When you're finished, that is." He turned and left.

*Cruisin' Carl — Continued from page 9.*

My trooper pulled up his pants and buttoned his shirt. He took out his billy club and brought it behind me between my legs and used it to probe my taint, guiding me still naked where he wanted me to go. He was strong and pulled up with the club so that nearly all of my weight was on the club and my feet barely touching the floor. That club reminded me of his hard tool and I'd have been a lot happier if it was.

My trooper led me into the shop area and over near the mechanic. He was standing next to the hoist with my PT Cruiser raised up for inspection. Just as beefy as my trooper, he had his shirt off and was wearing overalls that hung loose, gaping at the

side so that anyone could see that he was not wearing underwear, his tool clearly visible requiring only a casual glance from where I was standing.

I was staring. He had a beautiful piece of meat that I would do anything for. And just then, breaking my trance, the trooper said, "Well bud, I'm letting him go. Seeing how my radar was not calibrated when I stopped him, the whole incident would get thrown out. Get his Cruiser down and give him his clothes and send him on his way."

"Oh, and be gentle with him," he said as he uncuffed me and gave me a farewell slap on my backside.

I was alone with the mechanic. He gave me a big smile as he reached up for the hoist controls hanging over his head. He began lowering my PT Cruiser and that's when I made my move.

I seductively grabbed my tool with one hand as I walked over and started groping him through his overalls. He responded with a moan—nothing else. I took this as an invitation that he was game so I reached around and into his overall from the gaping opening on the side. His tool began to respond and soon was ready as ever.

As my PT Cruiser came to a rest on the floor, he let go of the hoist controls and grabbed me. Pulling me tight to him, he then guided me over to my PT Cruiser, opened the door and pushed me into the back seat. He shrugged of the straps of his overalls and they fell to the floor and stepped out of them.

Now I felt like I was back on my own turf. My lube right where I know to find it and condoms in various strategic hiding places, I was ready for some serious love making with this hunky mechanic.

He crawled in on top of me and closed the door behind him. His muscular arms wrapped around me as we writhed and ground ourselves together. His tool kept stabbing and probing, pulsing with his strength and passion. Our bodies were

## Outbound's Cover Guy for March - Andrew

Congratulations to Andrew, the winner of the Cover Guy Contest on February 14, held at Switch in Milwaukee, Wisconsin.

Andrew, a magnificent young 22-year old man was thrilled to know that he would be on our cover. He pleased the crowd strutting his stuff and with witty answers to questions posed by, the one and only, Karen Valentine. Andrew is a Virgo and works as an IT specialist. He likes traveling, photography and hanging out with his friends. He would particularly love to travel to the Pacific Northwest of the United States. The types of guys he finds appealing are: nice, honest, smart blonds; skateboard types who are mature acting with no drama and especially no baggage. His favorite cocktail is a rock lobster which consists of: Razmataz, Amaretto, raspberry liqueur and cranberry juice. He graduated from UW Whitewater in May, 2003, majoring in computer network administration. He likes hard rock and techno-dance music from the 80's.

Andrew says that he is single and looking for just the right person.

Thanks, Andrew, Switch and Karen Valentine for great time.
