HOTWATER_WHEREHOUSE

Dear Ruthie

Happy Halloween! It's my favorite time of year, and I celebrated with gal-pals Tracy, Margo and Hot Fudge at Baby Jane's 50th birthday party. Next, I welcomed autumn by co-hosting the first annual Junk in the Trunk Rummage Sale at M's Bar! What a great way to kick off the fall season. Lovely weather brought out dozens of shoppers, much to the appreciation of the many vendors who rented a space to sell their wares. Free drinks, barbecued foods and lots of laughs...that's how to have a rummage sale. The vendors each made a lot of extra cash, the bar raised lots of money for their AIDS Walk team and all was well as the fall winds began to stir.

It's the season for ghosts, goblins and gays. After all, no one does Halloween like the gays. Come the end of October, the bars will be filled with sexy cops, scantily clad firemen, naughty cowboys and even naughtier Indians. Don't get me started on men in togas or Tarzan wannabes! It's the most wonderful time of year...for horny, big-boned redheads like me. Oh dear, I'm getting hotter than Michael Jackson at a little league game. Let's cool down by reading a letter.

Dear Ruthie,

I'm a 44 year-old man looking for that special someone. I've been single for a long time, and really want/need a partner. I've been told that I'm attractive, fit, successful, honest...an overall good guy. But here's what I do not understand, Dear Ruthie. Why is it that guys in the 20s are simply not interested in a good man who is my age, and why are they only interested in men their age? Why are they so hung up on age, only showing any interest in other guys in their 20s?

It seems like they're missing out on a whole lot by not expanding their horizons and experiencing how won-

derful things can be with a man my age. So, Dear Ruthie, what do you think their hang up is? Are more guys feeling this way these days? What's a guy my age to do? Can you teach this "old" dog some new tricks?

Not Ready to Play Dead. --Young at Heart

Dear Heart,

As someone who has hundreds of young, muscular men banging on my trailer door, I have plenty of advice to give you. Granted, most of these men were bill collectors or Mormons, but I've talked to enough of them to know what goes on in their heads.

Okay, here's what you do...start playing music really loud. Toss out your tighy-whities and start wearing boxers. Next, buy ENORMOUS pants and do whatever you can to keep them up. (The waist band should sit right across the center of you middle-aged ass.) Next, stop combing your hair. The messier it looks the better. Wear flip-flops everywhere, and you'll have hotties lining up to spend time with you.

Does all of this sound silly? Well, so do you...ya jack-ass! Listen to yourself! Why do YOU think guys in their 20s are interested in other guys in the 20s? Probably for all of the same reasons YOU'RE interested in young people. If you're so handsome, fit, successful and honest, why not expand your horizons and date someone in a different age bracket? If anyone is hung up on age, sweetie, I'm afraid it's you!

I'm not saying that the twink of your dreams isn't out there somewhere (there are plenty of cuties interested in dating older men), but don't make a generalization about an entire group of people (young, old, black, white, etc.). Open your eyes a bit wider and you may see that the man of your dreams is closer than you think...both in proxim-

ity and age. Don't hold it against today's younger generation if you're not scoring with them as regularly as you like. As the kids say, "Don't be a player hater" (whatever the hell that means)!

RUTHIE'S BITCHIN' KITCHEN

Whether you're going through a midlife crisis or want to celebrate the fact that you bagged a shirtless Dracula on Halloween night, nothing sparks an autumn night like a bubbling bit of comfort hot from the oven. Now eat good and shut up!

Bitchin' Cheesy Potatoes

From her home in Pewaukee, Michelle, shares this side dish that goes with any damn recipe! I nearly ate the whole pan for dinner! Best of all, it features Cheez Whiz...nectar for the trailer people. "If you ever figure out the calories per serving, don't tell me," jokes Michelle. "Knowing the fat content would take the fun out of eating it!"

- 5 lbs red potatoes, boiled, peeled and cubed
- 1 stick butter, cubed
- 1 jar Cheese Whiz
- 1 cup half-and-half cream
- Salt and pepper

Preheat the oven to 350 degrees. Combine all ingredients in a greased 9x13 casserole dish. Add salt and pepper to taste. Cook for 30 minutes, covered. Remove cover, stir gently and cook for additional 30 minutes or until the top browns.

Ruthie's Culinary Clues

Try this dish along side baked ham for a special supper, or stir in cubed, baked ham to make it a hearty main course. If you really want to jazz it up, Michelle suggests adding finely diced onion to the mix. Don't have time to peel the potatoes? Leave the skins and bake as directed.

Chocolate Bar Cake

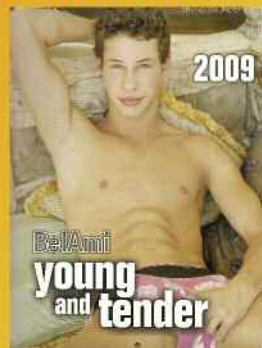

Here's a sweet treat that'll remind you of a favorite Halloween candy. It's from Sandy of Milwaukee. She and I have appeared in a few plays together, and I'm so glad she sent me this treat. It's a comforting dessert you'll love. "The recipe is my all-time favorite," she writes. "It is so impossibly sweet, I think I bought my dentist his new SUV."

- 1/2 cup melted butter
- 1/2 cup butter, softened
- 1 teaspoon vanilla extract
- 1 - 1/4 cup buttermilk
- 1/2 teaspoon baking soda
- 8 Milky Way candy bars, chopped
- 1 cup chopped pecans
- 1 container chocolate frosting
- 2 cups sugar
- 4 eggs
- 3 cups flour

Combine candy bars and the 1/2 cup melted butter in a saucepan. Stir over low heat until candy is melted. Stir constantly. Let Cool. Cream sugar and the 1/2 cup softened butter until light and fluffy. Add eggs, one at a time, beating well after each addition. Gently stir in the vanilla. Combine buttermilk and baking soda and add to creamed mixture alternately with flour, beating well after each addition. Stir in candy bar mixture and pecans. Pour batter into a greased and floured 10" tube pan. Bake at 325 degrees for 1 hour and 20 minutes or until done. Let cool in pan 1 hour and remove. Complete cooling on a wire rack. Frost.

Got a recipe for Ruthie? Have a problem only she can solve? Contact her at dearmsruthie@yahoo.com. If your recipe is published, she'll mail you a Bitchin' Kitchen T-shirt of your very own, so be sure to include your mailing address!

Cordially Yours

by Michael Johnston

The social season, is once again up and running. Here now is your unofficial scorecard from Cordially yours. A new column, a new month, and a new season.

Saturday, October 4 marks AIDS Walk Wisconsin. This year, a little something special in the huge talent of Kimberly Locke. Yes, the *American Idol*-ess will salute us walkers in song as we sashay our way to a cure for HIV/AIDS and assist all the people living with HIV/AIDS.

Move aside, "MaMa Mia" is making her way back to Milwaukee. Starting Tuesday, October 7 through Sunday, October 12 – 8 performances. While I had the pleasure to see Meryl's motion picture of it – nothing, and I mean nothing is like a live show! Uihlien Hall at the Marcus Center for the Performing Arts will bring Broadway here. To enjoy a four star production please call: 414-273-7206. There are only 2,305 seats to fill, make sure one is yours – "The Winner Takes it All", and you do not want to meet your "Waterloo".

Down the hall, from Uihlien to Vogel Hall, you can get a jolt out of the highly caffeinated comedy "Triple Espresso". After six years, this production is back to rejuvenate you and yours. Opening Wednesday, October 8 – running six weeks to Sunday, November 16. To order up: 414-273-7206.

Next Saturday, October 11 offers up the "Big Night Out Party" to benefit the Milwaukee LGBT Community Center. The extravaganza takes place at Potawatomi Bingo Casino – Northern Lights Theater. Please contact Patrick Price at 414-292-3065 and he will be able to reserve your place at this palatial party.

LaCage will be the place to be on Thursday, October 23 as ETC hosts their Second Annual Pumpkin Carving Contest. They supply the pumpkin, you supply the talent. Talk about old fashion fun...

And the fun continues all weekend long as LaCage hosts "The 20th Anniversary of Miss Gay USofA. While the lovely Miss Christina Chase steps down a new Cinderella is sash-ed and tiara-ed. A wild three night extravaganza starring: KelliJo Klein, Sasha Mitchell, DuWanna Moore, Neely O'Hara, Holly "Hot" Damn and many more.

Needless to write October, Holidays, Parties all equal one word: Halloween! The Magnificent Seven will hold their annual Hoedown Saturday, October 25. The effort, creativity, vision invested in this one evening is simply mind-boggling and always amazing.

The headline reads "The Secret Is Out..." Gay Wine Club: Sip, Relax, Mingle, Enjoy. The last Thursday of every month, falling on October 30,

Halloween Eve. For the 10/4 feel free to call 414-364-3761 or e-mail gaywineclub.com Keep in mind, a percentage will always go to a charity! Cheers!

The next night watch out, Halloween 2008 on a Friday! The place to haunt is the Walker's Point neighborhood. The bars will bewitch, bother, and bewilder you with their Halloween celebrations. Prizes, drink specials, and a parade of costumes to rival West Hollywood will be yours for the viewing. Naturally, every night club will be offering something special this year seeing that most of us have the next day off for recovery. So make sure to don your favorite mask and go to your favorite pub for a little celebratory trick and/or treat.

If this doesn't appeal to you – keep in mind The Absolutely Best Party to benefit The Wisconsin AIDS Fund is also happening on Friday, October 31. One of the best parties of the entire year – and this time out incorporating one of the best holidays, with a Masquerade Party. Proceeds from this ghoulish Gay-la to help those affected and effected by HIV/AIDS.

That same night LaCage's Beauties are in their ever popular Transformations Review showcasing "Hell on Heels". Ouch! Of course a Costume Contest will follow!

If you have an exceptionally ghoulish time of it - not to fret Saturday night, that would be, if you can believe it November 1, is "The Vampire's Ball". Yes, leave it to the Cage to keep you coming back for more, more, more. So polish up your fangs, silver bullets and crucifixes and dance, dance, dance at LaCage starting at 10 bells.

I warned you, and this is just the beginning... Ooh to be cloned and be able to do it all!

Have you seen the Cream City Foundation's new billboard campaign? Please visit gayneighbor.org and see for yourself. Last year at this time, I had the honor of sitting on the Joseph R. Pabst panel for concerns of the LGBT Community. Joe with the mighty help of CCF's Maria Calendas pulled together Patrick Flaherty and Angie Guerra formerly of the Milwaukee LGBT Community Center, Joseph Brooks then from ARCW, and Cordially yours to study where improvements could be made. We unanimously voted on a good will campaign – to try and take away the fear, the ignorance, and remind everyone we are just like you. Hiring media dynamo Denise Cawley to do the marketing strategies was our next accomplishment. By tying in the positively received Gay Couples Photo Study that swept our Community so positively last summer,

ending in this highbred message we are more alike than different, promoting unity and understanding for all.

David Whitney, that wacky, witty fixture at Boom produced/M.C.d the first ever “Mr. Midtown Spa Contest” (a pageant last longer!) in The Room at Boom. Two very hot, hunky specimens Brandon and Easton manned-up and offered us all a testosterone high. These brave studs chatted, stripped, danced, fielded questions vying for a trophy, sash, and cash prize. It was a very tight competition all the way, but thanks to my co-judges Dear Ruthie and Sharkey, that sensational shutterbug, all three of us had to give Easton the nod and victory. Easton’s responsibility will be to represent the spa and to participate in other such contest through out the state. So kudos to David, Maurice, Easton, Brandon, and Shawn (your favorite Saturday afternoon Boom bartender) for bringing a little bit of the spa to The Room.

Before racing to The Room at Boom to judge this beef cake bonanza – I was at the Midwest Center taking part in the Parkinson Disease Major Fundraiser. We all know about Michael J. Fox’s valiant fight against this terrible condition, a dear friend of mine currently is in the same deliberating battle. So to honor Kenny, I volunteered. Another household name whose life is affected by this crippling condition is Muhammad Ali.

His beautiful daughter, Rasheda Ali, was the keynote speaker. She also happens to be the author of “I’ll Hold Your Hand So You Won’t Fall – Child’s Guide to Parkinson’s Disease”. What an extraordinary tribute, truly an extraordinary woman.

I love the tale that was shared with me about This Is It’s very own Dan AKA Dan-Ko, seems he was peddling his bike as fast as he can and he got hit by a truck! Not to worry, for Dan-Ko and his bike are fine – the truck and driver – well that is another story. May the force be with you.

One of my most favorite memories from the summer of 2008 has to be the Sunday I spent at The Bristol Renaissance Faire. It just happened to be Gay Day,

fancy the notion! Seen, at the scene: the boys of Decibel, DJ John Murges & Gregg, DJ Kelly & Mikey, Chad and John Hale provided quite the time – time

Mr Midtown Spa at The ROOM

travel that is. The Triangle, Club Icon, and Alexis Winter in her nun drag, Andy & Brian, Jerry Gin&Tonic, Little Jerry, Scott Gunkel & Jack Cramer, Sharkey & Jake, and Brad formerly of Switch – proved what a high-flying swinger he really is... and ended up dislocating his shoulder and in a modern day hospital. Fear not, for Brad has no fear and he is still caring on – only now with a sling... in and out of the bedroom!

Babylon continues on Thursdays now at Mocht, and Pump on Sundays at Decibel, downstairs from Beans & Barley on East North Avenue.

SSBL (Saturday Softball Beer League) wrapped up their Sun/fun-filled 2008 season with a festive banquet at LaCage. The BallGame, Fluid, LaCage, and Woody’s all earned trophies for their stellar season in the Sun. As for entertainment the second installation in the Gay Softball World Series 2009 Video premiered. Once again Dear Ruthie and LaCage’s very own Velveeta HeadCheez had the crowd howling at the Moon. If you can imagine a salute to “The Love Boat” and “Bay Watch” – Milwaukee style, where are those sea sick pills?

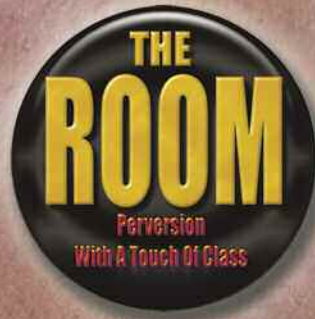

I also had good old fashion fun at the Brewer’s Hill Block Party. Congratz Stewart, Paul, Willie & Julie, and your impressive committee of committed neighbors.

Last month, marked the 38th anniversary of unwed-

By Brent

Well, here we are already into October and the colder weather is upon us. But there is a bonus to this cold streak we are having. Fall and winter are the best times to get pierced and tattooed! So let's get to it cause I know all you filthy little bastards out there want to me to get into some down and dirty nitty gritty that will leave you wanting to use your own homemade "glue" to stick the pages of your favorite rag together. But this time I don't know if I should go that direction or take the high road. And speak about this from a purely objective and almost medical point of view. Course then I remembered who I am writing this for and was forced to drink a few shots of Jaegermeister just to get through it and not feel dirty about myself. There I feel better about venting, so let's talk about uhmm, uhmmm, hmm. Holy shit I don't have any ideas! Guess we will just have to do another reader mail column! Besides there is nothing more I like than answering hate mail will buzz! And now onto the first reader!

Brent,

I have been getting pierced for a long time now but every so often my piercings start to hurt again. Some of these I have had for over ten years, is it possible that they aren't healed yet? ~Steve

Well Steve what you are experiencing is actually pretty normal. It happens to me about once a month. It is usually caused by the way you sleep. While you are sleeping you are undoubtedly rolling around and laying on your piercings. The piercing really doesn't like this and thus it ends up getting a little pissy (yes that is a technical term) and then it hurts for a few days to remind you that it's pissy. The best advice I have for you is to try to tape down

your piercings when you go to bed to help protect them. Thanks for the letter.

Brent,

I want to get my navel pierced but I have a history of passing out. Should I still go through with it?

~Sharon

Sharon, having a nack for passing out is never a good thing, and you can still go through with getting pierced but I would recommend that you take the following steps to help your body deal with the piercing and hopefully not pass out on you. First I would suggest that you eat a medium to large meal about 1 to 2 hours before you come in and get pierced, this will give your body the energy to deal with the piercing process. Also I would bring a soda, or other drink high in sugar, with you so that if you do feel light headed then you can drink it and it will give your body a boost of energy. And finally when you come in stay relaxed. The more stressed out you get the worse the piercing experience will be as well as the more stress you will place on your body which can make you more likely to pass out. Thanks for writing in.

Brent,

I have a slight problem with my tongue piercing. I didn't get it done by you and I am starting to wish that I did. I got it pierced about a week ago and it is crooked! It doesn't sit straight up and down in my mouth and it leans really far over to the right side of my mouth. How can I fix this?

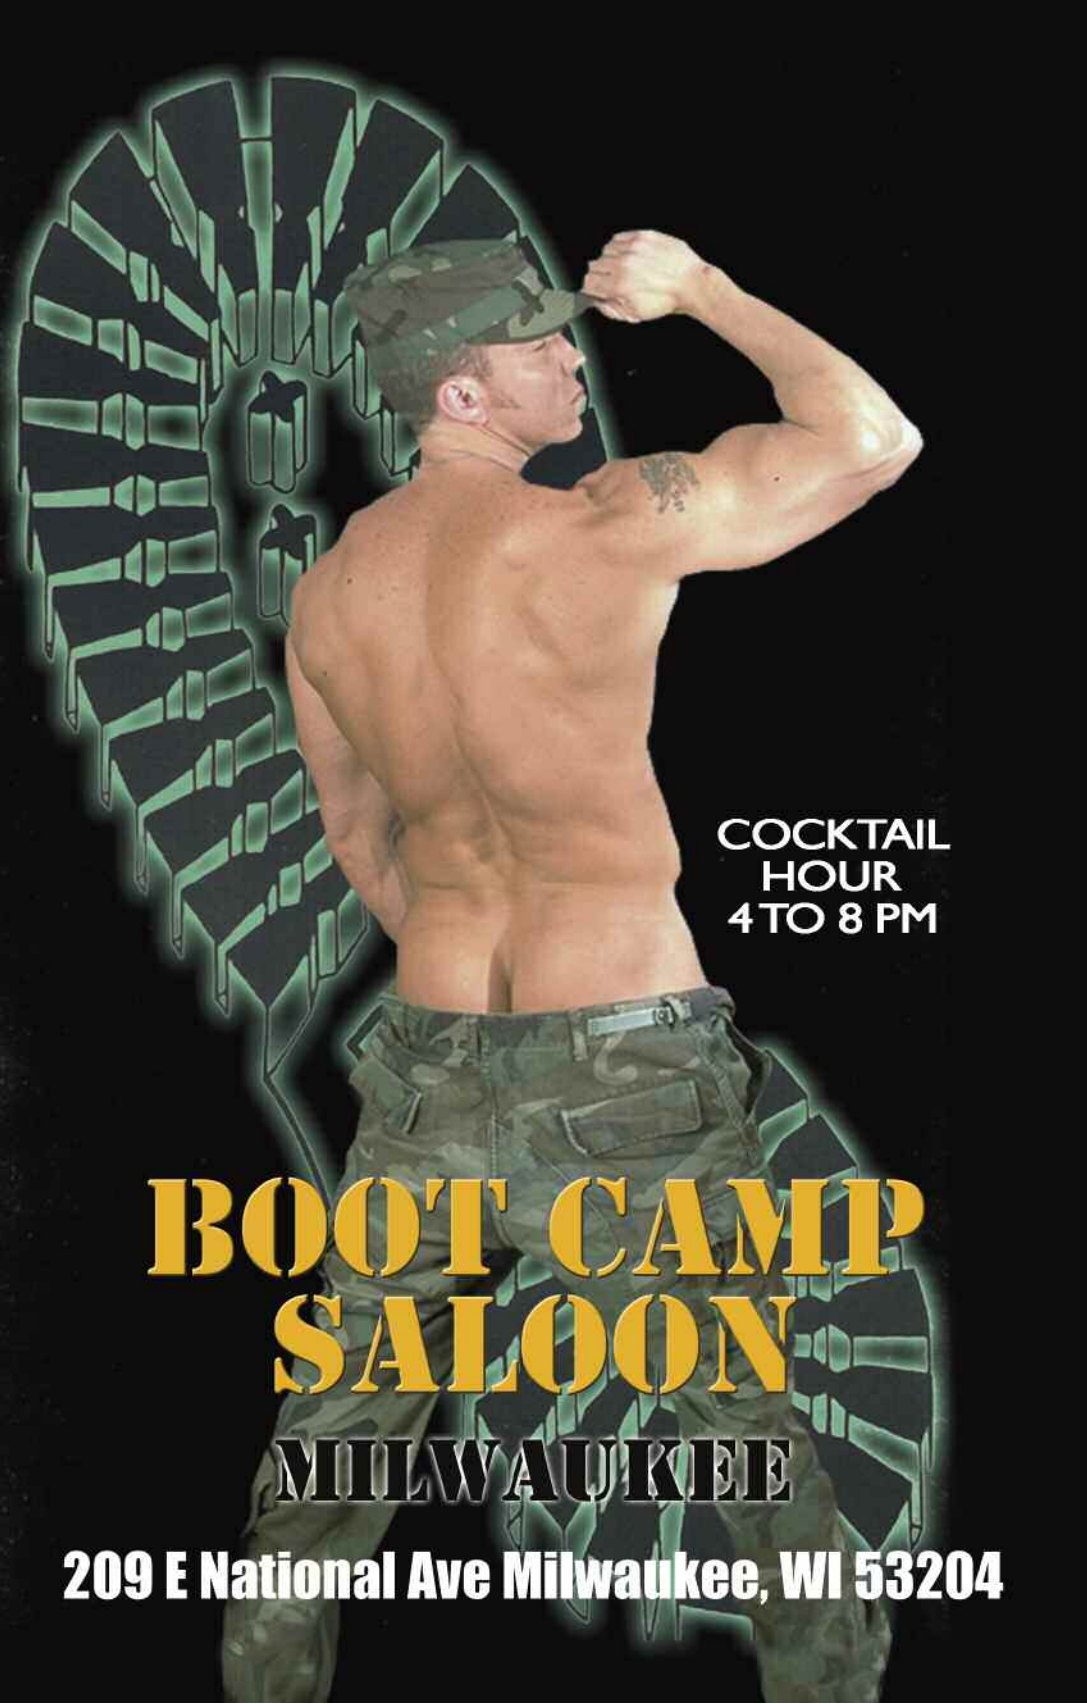

~Not Quite Straight

Wow, NQS first and foremost I always tell people to check out their piercer thoroughly, remember to ask questions and talk to people who have had work done there. NQS part of me wants to tell you

to go back to that shop and get their advice because I kind of feel like I get stuck fixing everyone else's work in this city but I won't. (Because then I would have to take a few more shots so that my conscience will shut up!) First there is nothing that you can do about a crooked piercing stay for one thing. Take it out and start over again. Sorry but there is no fix, you are going to have to take it out, wait about a week or so and then get it re-pierced.

Well, it seems that I have once again run out of time and space in this month's column. Guess we will have to wait to see that wonderful hate mail until next time. What a waste of a good buzz! And just in time, my cocktail is empty. Until next time get pierced and tattooed and don't forget to show it off! Also don't forget to register to Vote in the upcoming November election! I say we pick whoever has the biggest bulge! (Now I really do need another cocktail I think I just made myself sick!) If you have any questions or want to see a specific topic talked about, send in your grievances and bitchy hate mail to avant-garde@voyager.net.

ADULT DVD Review Best Men Part 1: The Bachelor Party from Falcon

It's off to Las Vegas, that city o' sin with some of Falcon's brawniest exclusives in John Bruno's **Best Men Part 1: The Bachelor Party**.

New Falcon exclusive, Tony Pucci has found true love on his recent gay cruise and he's getting married. Matthew Rush decides that they need to celebrate. So Matthew and Tony, with Rod Daily, Erik Rhodes, Roman Heart, Mason Alexander plus their favorite blow-up doll all in tow all head out to Vegas. Little time is wasted capturing the boys frolicking amongst the lights and sights of Las Vegas before they head to a gay strip club and get some very personal attention from lap dancer Shane Frost.

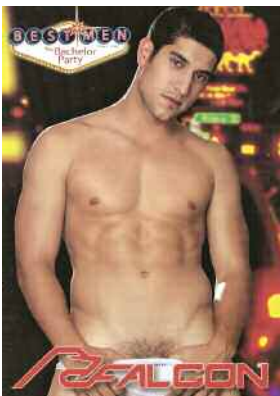

Frost is so much fun, they invite him back to their hotel to party but before long, the groom-to-be has passed out. Vegas sure ain't for sissies. The rest of the guys are hot for some action, so they leave their passed out friend alone with the stripper. It's okay because Shane is the proverbial stripper with a heart of gold and he takes Tony off to bed, figurative and literally. Just how the passed-out Tony manages the steely hardon Shane rides like a bucking bronco rider is anyone's guess. Happily Tony comes to (cums to?) and screws Shane all over their fabulous four-poster bed until Shane erupts impressively, Tony cumming not far behind.

The rest of the guys then return to the hotel from wherever they went, presumably unsatisfied since all are still hot for some action.

Erik Rhodes spies a flyer inviting one and all to a strip poker party – another classic porn setup. Cards and clothes are quickly dispensed with as Rhodes tumbles around the room with Tristan Jaxx, Dylan Saunders and Rusty Stevens. Rusty services Tristram on the sofa while Dylan kneels before Erik Rhodes, manfully downing his uncut monster. The oral action does seem to go on some but the guys eventually get down to business, with Erik eventually the massive meat in a muscular fuck sandwich. Loads soon follow, Erik creaming while his fingers are still buried up Dylan's smooth ass cheeks.

Roman Heart sets his eye on hunky limo driver Nash Lawler. Roman hardly looks like he needs a any further alcoholic libations but he sloppily knocks back several shots of vodka before he starts tearing off Nash's clothes. Roman hops onto Nash's rather average, cut drive shaft once the oral introductions are concluded. The surprisingly roomy limo allows for a few change in positions before each settle down for a leisurely stroke to completion. Yawn.

The next scene finally cranks up the heat as Rod

Daily and Mason Alexander head out to the hotel's deserted floodlit pool. Against this beautifully romantic setting, these two hotties can hardly restrain themselves, stripping down and diving in. Again, little time is wasted frolicking as Mason in short order devours Rod's rock hard hot rod, then plunges his tongues deep into his partner's smooth rosebud. But Mason doesn't do all the work here. Rod's oral ministrations get Mason primed, then thoroughly fingers Rod in anticipation of the main event. Mason's pounds him like a pro, until Rod coats his chiseled six-pack with fresh baby batter. Rod then tendsto out his partner's creamy load.

The much hyped finale, pairing off Falcon lifetime exclusive Matthew Rush with that mountain of manhood known as Zeb Atlas fizzles rather than sizzles. Poor Matthew actually looks rather puny in comparison, while Zeb is blessed with a girthy monster that perfectly compliments his Incredible Hulk-like physique. Matthew is allowed total access to Zeb. Or rather, almost. Matthew worships Zeb at length in a scene muscle queens (although few others) will wet themselves over. But while Zeb allows Rush to suck him and even tongue his surely virginal hole, that as they say is that. To his credit, Zeb doesn't look as bored as he might and even gamely coaxes a load from Matthew which proves to be tall on Rush's bizarre maniacal grunting and short on actual spunk.

Best Men Part 1: The Bachelor Party is another routine offering from Falcon Studios, boasting Falcon's usual stable of muscular exclusives, trademark top-notch production values and for the most part, rather lackluster sex.

Rating ** 1/2 of *****

Amazonia: Release from AMG Brasil

Buckshot Man **Danny Roddick** is still on the run in the wilds of the Amazon jungle in this beautifully filmed **GAYVN** award-winning sequel. Outdoor sex with lusty, big-dicked Brazilian men is on order with Joao Gabriel and Leandro Pitanga featured in the wonderfully passionate opening scene. More hot & sweaty Brazilian sex sets up the high octane finale which finds Roddick and Alex Tenor, another tied-up prisoner, forced to sexually submit to "the power of the Phallus" incurred by Chief Ricardo Onca and the horse-hung trio of Leandro Caruso, Roger Carneiro and Peterson Correira. Leandro eventually sets Danny free but will the American ever want to leave this South American paradise?
