# Welcome to Ruthie's Bitchin' Kitchen

Spring has sprung, so let's clean my inbox of a few letters I've been hanging onto for a while. You see, I'm lucky enough to receive very kind letters from folks across the state. These letters often don't have a question for me, but just some words or thanks or encouragement. At times, however, there's a question or two about myself within the letter. Here, I've pulled out just the questions from a few of those emails. Enjoy!

**Dear Ruthie,**  
What is your political affiliation?  
(Signed) Donkey Rider

**Dear Donkey,**  
I'm not much of a political gal, but I never met a Republican I couldn't blame.

**Dear Ruthie**  
Who would you like to play you in your very own biopic?  
(Signed) Casting Couch

**Dear Couch,**  
With my luck it would be Carrot Top. I'd hope for the poor man's Bette Midler...also known as Joy Behar.

**Dear Ruthie,**  
Do you believe in God? Would you be interested in attending services with my girlfriend and I?  
(Signed) Holy Roller

**Dear Roll,**  
I once gave myself to God...but then He stopped returning my phone calls.

**Dear Ruthie,**  
I find it odd that you rarely tell your readers to seek professional help. Do you have something against therapy?  
(Signed) Just Wondering

**Wonder Boy,**  
Years of therapy have taught me one valuable lesson: It's a helluva lot easier to blame someone else. But seriously, in the 10+ years of writing this column, I have, indeed, instructed many folks to seek professional help. The letters I receive tend to be somewhat light-hearted, and most of my friends are simply looking for "over the kitchen table" advice.

I strongly believe in therapy...largely because as a child I never had an imaginary friend I didn't have to kill.

**Dear Ruthie,**  
Why is your hair the same nearly every time I see you perform? Why not try going blond?  
(Signed) A Shear Genius

**Dear Genius,**  
I like my hair! Besides, blonds may have more fun... but redheads actually remember it the next day.

**Dear Ruthie,**  
How about some advice on being the perfect hostess?  
(Signed) A Friend

**Dear Friend,**  
Here's a tip: Always make guests feel like they're at home... have them clean your toilet.

**Ruthie's Bitchin' Kitchen**  
Who wants a little Spring chicken?! I thought this would be a great time to look at some yummy chicken dishes just perfect for warm weather suppers.

**Tequila Chicky**  
*This chicken dish has a bit of a kick thanks to a good dose of tequila. Perfect for two, the easy entrée turns anyone into a gourmet chef. Thanks to Robbie of Brookfield for sharing the recipe!*

2 skinless, boneless chicken breasts cut into cubes  
1 cup chicken stock  
3 cloves garlic, minced  
Olive oil  
1 can (14.5 oz) diced tomatoes, undrained  
Juice from two limes  
Dash cayenne pepper  
1 teaspoon chili powder  
1 teaspoon cumin  
1/2 teaspoon coriander  
1/2 cup tequila  
Salt  
Hot cooked noodles

worked overtime filling each and every with countless candles. Once Bruno has packed up his camera, no time is wasted as Carlos and Jonathan shed their Speedos and get down to some serious male bonding. A marvelously languid scene follows. Carlos thoroughly enjoys teasing Jonathan; his partner effortlessly engulfs Carlos's substantial, curved cock. Once Carlos dons a condom, Jonathan challenges him to pillage his bowels, an offer Carlos eagerly takes up in any number of positions before ending up in a missionary perfect for Jonathan to cream himself, then eagerly waits for Carlos to double glaze his tongue with his sweet cream.

The guys are due some rest and relaxation and maybe a bit of hot mansex at Tel Aviv's Ga'ash Beach. The scene couldn't be more idyllic: the sun shining, the water a crystal blue and the beach jam-packed with gorgeous naked men frolicking along the beach. It's really no surprise, given the ensuing testosterone rush; these hot men are primed and ready for action.

Jordan Fox and Hugo Martin quickly find themselves naked, seriously aroused and ready for action on an unlikely tent stretched across the water just off the coast. Again, the setting couldn't be more dazzling: the wind rushing across their naked, aroused and glistening bodies, the sun drenched horizon in the background. The two are a study in contrasts. Jordan is light, all pure muscle and endowed with a jaw-stretching ramrod which Hugo makes a meal of. Dark, swarthy and totally ripped, Hugo is content on his knees for Jordan and later just as content, his back arched as Jordan's sheathed monster burrows deeper and deeper into Hugo's accommodating bowels. Jordan is nothing short of re-

lentless as Hugo fires off volleys of cum.

You'd think Jonathan would be positively satiated after his busy weekend but he's got smoldering Naor Tal lounging naked in the hot tub on his balcony. Now, that's some sight to come home to! His cock on the rise, Naor seduces Jonathan right out of his clothes and there's no way Jonathan's going to refuse. With the prominent Tel Avi skyline in the background, Jonathan feasts on Naor's gaping pucker. Naor sucks Jonathan to a steely erection, and then eagerly offers his flawless butt which Jonathan ravishes with increasing intensity until first Naor, then Jonathan reach suitably creamy climaxes.

**Inside Israel** continues Michael Lucas' love affair with Israel that began with the popular **The Men of Israel**. Lucas proves himself one heck of a tour guide, bringing together a gorgeous, diverse cast of Israeli and European cast men and filming seductive scenes in extraordinary settings. A winner!

Rating \*\*\*\* 1/2 of \*\*\*\*\*

**Straight Edge 5** from Jet Set Men

This latest volume in Jet Set's popular series offers gay and "straight" men in two solos plus five full action scenes. The opening scene has cover stud Dakota River discovering Hayden Stephens stroking his beer-can like manmeat. He quickly decides to join in, manfully topping the strapping Hayden. Wild Kurt Wild, always an enthusiastic performer is featured in an eye-opening solo, a locker room encounter with a monster dildo that leaves the lad drenched in sweat and cum. The best is saved for last: Dakota returns for a locker room tryst with

blond super bottom Landon Mycles. Plenty of hot guys, no frills maybe but plenty of mensex.

**Inside Israel** from Lucas Entertainment  
**Straight Edge 5** from Jet Set Men

Forget the nondescript cover art; **Inside Israel** from Lucas Entertainment is a winner from start to finish, a film boasting handsome, totally sculpted men, spectacular locales and over three hours of sun drenched sex.

Lucas Exclusive Jonathan Agassi is excited about the imminent arrival of Michael Lucas and company for a visit to Israel. Forget any idle chit-chat, as soon as the gang arrives, they drop their bags and pile into the transport and head off to the first location: an ancient, abandoned village near Jerusalem.

Bruno Jones takes on the role of cameraman but soon delegates the task to Jonathan Agassi as he and Martin Passoli wonder off. Finding a secluded spot, their foreplay is heated and Bruno's curved truncheon is rock hard and ready as Martin sinks to his knees to offer some serious attention. Bruno proves no slouch taking Martin down to the short hairs yet seems more interested in priming Martin's pucker for a full anal assault. As Bruno plunders his partner mercilessly, Martin coaxes out a load.

The scenic banks along the Jordan River are the second day's location, Bruno again serving as cameraman. Once a break's called, there's a marvelous sex-charged montage as the guys pair off. Jonathan Agassi can't keep his lips off Martin Passoli's spent cock even as he strokes off a gusher of his own. Michael Lucas and Baptiste Bremont offer a couple of seductive solos. And further up the river, Bruno is at full mast as he relentlessly fingers the accommodating Jay Roberts. Eventually Jay lowers himself onto Bruno; looking perfectly content. It something of a surprise, then, as Jay quickly turns the tables on Bruno. Sasha Dov, who has been lurking throughout the scene, joins in, greedily sucking one man, then the next until both cocks fire off into his waiting mouth.

Bruno remains cameraman as the guys venture to the Luzit Caves for another brief photo shoot. Argentinean porn pup Max Schutler bags the big guy: Michael Lucas. Michael is a

bit thicker around the middle but remains in control. Total pro that he is, Max easily engulfs every inch Michael crams down his throat and is equally agreeable as Michael pummels Max's eager sphincter in any number of positions. When Michael is ready to blast, Max is there at the ready, helpfully tongue lashing Michael's balls the whole while.

As the sun sets at the horizon - we find our way back at the cave, a photo shoot with Carlos Caballero and congenial host Jonathan Agassi wrapping up. The set decorators have

Spritz a large pan with cooking spray. Saute the chicken in the stock (over medium-hot heat) until chicken is no longer pink in center and juices run clear. Remove chicken and set aside. In the same pan, saute the garlic for 3 minutes. (Add additional stock of needed.) Stir in the tomatoes, lime juice, chili powder, cumin and coriander. Cover and simmer for 30 minutes.

Remove from the heat. Stir in the chicken, tequila and salt to taste. Serve over hot cooked noodles. Refrigerate leftovers.

### Ruthie's Culinary Clues

Like it hot? Use a can of tomatoes with garlic, onions and peppers for plenty of extra spice. Serve the chicken with a little grated Parmesan cheese on top. The leftover chicken mixture is great wrapped in tortillas for lunch the next day. Counting carbs? Leave out the noodles.

### Spring-Chicken Pot Pie

Joel of Milwaukee shared this awesome recipe that he said was a cinch to bake up. "I had most of the

ingredients at home and only needed to pick up three items from the store."

- 3 boneless chicken breasts, cubed
- 1 teaspoon dried rosemary
- Olive oil
- 1 tube crescent roll dough
- 1 bag (7-10 oz) frozen mixed vegetables
- 1 can (10.7 oz) cream of mushroom soup
- 1/2 cup milk
- 1/2 tablespoon dried chives
- 1/2 cup shredded cheddar cheese
- 1 box (8.5 oz) corn bread/muffin mix

Preheat oven to 425°. Saute chicken and rosemary in a drizzle of oil over medium heat until chicken is no longer pink in center, and juices run clear. Set chicken aside. Spritz a deep 9-inch pie plate with cooking spray. Line bottom of plate with crescent roll dough. Pinch seams together and shape dough to fit within pan.

In a large bowl, combine the next five ingredients. Stir in chicken. Gently pour mixture into pie plate. Prepare corn bread batter as di-

rected. Drop batter by spoonfuls over chicken mixture.

Place pie pan on cookie sheet and bake, uncovered, at 425° for 20 minutes. With a fork, poke several holes through pie crust. Decrease oven to 350°.

Return pie to oven bake for another 30 minutes or until top crust is golden brown and filling is bubbling. Cool for 10 minutes before serving. Refrigerate leftovers.

### Ruthie's Culinary Clues

Joel used a spring mix of vegetables, including peas and carrots. Joel also used an herb blend to flavor the chicken, so feel free to swap out the rosemary with whatever dried herbs you like best.

Clit Piercing (vertical and Horizontal) – I decided to combine these two as they are really the same piercing just in different directions. This piercing can provide large boosts in sensitivity for the wearer but it does come at an increased risk. The Clit is so small that when it is pierced there is a chance that too many nerves will be damaged in the piercing and you could lose all sensitivity in the clit. For this reason many people do shy away from this piercing. Also this piercing is also based on the woman's anatomy. Some women just do not have a large enough clit to be pierced. For this reason I would always suggest speaking with your piercer prior to obtaining this piercing. This piercing is probably one of the more painful piercings due to the amount of nerves in the area.

Triangle Piercing – This piercing is kind of a combination of everything we have talked about so far. The triangle piercing is placed underneath the hood and connects the hood with the labia's so that during sex they all move as one. This piercing is a wonderful piercing to have but once again it is very based on a person individual anatomy. Please do speak with your piercer prior to getting this one, it is also not very painful so most people do like this piercing.

Labia Piercings (Inner and Outer) – These piercings go through the "lips" of the vagina. They can be placed in the inner or outer labia as placement is really just a matter of personal taste. These piercings are meant to "grab" toys (or whatever else you are putting up there) to create more sensitivity. These piercings are good starter piercings for female genitals and they are relatively painless.

With regard to the healing of all of these piercings. As always antibacterial soap is the best option, but the number one thing to remember is to let your body heal. Don't mess with your fresh piercing, the more you mess with it the more problems you will have. Speaking of that it is recommended that you stay away from any form of unprotected sex for at least 3 weeks after obtaining a new piercing. If you have protected sex then the time frame is completely up to you. If you feel comfortable having sex and it doesn't hurt then hell, go ahead and use your new piercing! Just keep it wrapped up in a condom. The rule is if something doesn't feel right during sex, or it hurts for an unexplainable reason then stop what you are doing. Common sense is the best medicine in this case.

Well here we are once again, let's see its April. - something about May Flowers. eh who cares let's get on with what you all really care about. But of course I have to give out the shameless promotions for this month. The Milwaukee Pride Parade (www.prideparademke.org) is in full swing. They have just announced a bunch of fundraising parties building up to the parade so please stop by and check them out. The party list is in the ad below.

Also Pridefest (www.pridefest.com) has announced their headliners for the 2010 festival. It is really shaping up to be a great party. Why not lend in and give them a hand to volunteer? Or just check out their websites www.prideparademke.org and www.pridefest.com, respectively, for more information.

Okay so last month I said that we would talk about female genital piercings. So let's get on with it shall we? As last month due to limited space I am going to try to get as much information in as possible. If you would like more specific information please get in contact with me by emailing me at

avantgarde@voyager.net.

**Horizontal Hood Piercing** – This is probably one of the most common piercings in the history of female genital piercings. It pierces the very top of the skin which covers the clit itself horizontally (as the person is standing straight up the piercing would point at their hips). This piercing is easily done on most women and is one of the more painless female genital piercings.

**Vertical Hood Piercing** – This piercing is the same as the Horizontal piercings with the exception that this time the jewelry is placed vertically and is in constant contact with the clit. While this sounds good it can lead to over stimulation which can make it harder to attain orgasms for some women in the future. Also this piercings is very dependant up on your anatomy. Some women do not have the necessary development (large enough hoods) to pierce. This piercing is slightly more painful than the horizontal as the tissue in the hood runs horizontally so more nerves are hurt during the procedure.

That same evening marks the 25<sup>th</sup> Anniversary of The Make A Promise Dinner. The AIDS Resource Center of Wisconsin's (ARCW) Annual Major Gala. The Midwest Airlines Center 5:30 p.m. on Saturday, April 17. Proceeds from this Event to support the ARCW Medical Center, Wisconsin's largest and fastest growing provider of HIV Health Care serving over 1,200 Patients.

This year's very special Honorees are: Mayor Tom Barrett, receiving the Top Leadership Award. Congratulations! State Senator Jeff Pile for Leadership in securing 1.8 million in new state funding for the expansion of the ARCW Medical Center in Green Bay and Milwaukee. Way to go! Froedtert Hospital for its partnership in providing specialty and inpatient care to ARCW Medical Center Patients and Epic, the electronic medical record system used at ARCW's Medical Center. Joseph Pabst as Philanthropist of the Year, his personal donations and innovative fundraising strategies that have raised more than \$204,000 for ARCW and has brought the LGBT Community to the frontline once again. Joe has incited, encouraged, and reminded us all that we too can be Philanthropist... give what you can, in cash, or time. Bravo! Attorney Michael Stocker, Donald Alvarez, and Allen Thornell - for their Leadership in bringing a national class action, anti-trust lawsuit on HIV/Drug Pricing and winning a settlement of \$10 million that was distributed to support 13 HIV Health Care Centers and the ARCW Medical Center.

The Make A Promise Dinner is always the social event of the season, and with their special Silver Anniversary, and honoring the Mayor - it will be a must! Personally, I always enjoy this party, and look upon it as a reunion - - seeing faces I haven't seen since last year. I was a part of the entertainment of the very first one back in 1985 at The Wisconsin Club, singing with the now defunct Fest City Singers...

Speaking of dinners that are a dream - - Potawatomi Bingo Casino's Chef Jason Gorman of Dream Dance Steak 1721 West Canal Street is completing his spring menu to arrive later in the month. Their sommelier, Christian Damiano has invited two local sommeliers - David Harrell and Toni Johnson to pair wines of their choosing with three courses of Chef Jason's Wisconsin cuisine. "The Sommelier Showdowns" are Monday, April 19 and Tuesday, April 20. Arrival 5:30 P, Dinner at 6, limited to 70 Guests and priced right at only \$50!

Dream Dance Steak will salute 40 years of the Milwaukee Brewers April 5<sup>th</sup> through the end of September with 40 specially priced wines from across the world. Cheers!

Boom will be the bar to see Samuel Colt up close

and personal... Saturday, April 24<sup>th</sup>. For those not in the know, Mr. Colt is a top adult film star, certain to make your spring evening shine!

Of course everyone is a buzz about PrideFest 2010 - it is totally beyond belief! I don't know how they do it but every year surpassing the past ones.

Friday night showcases the comic genius of Kathy Griffin, Saturday night - - live, will include the 10<sup>th</sup> Anniversary of the Leather Fashion Show at 4 PM - with John Weiler and Maple both know the Leather Scene, and moi doing color commentary, now is that grape or aubergine? Hollywood's favorite wordsmith Bruce Vilanch, and the legendary Miss Patti LaBelle will be in concert later in the evening.

Sunday the Fifth Annual Pride Parade occurs at 2:00 p.m. on South Second Street "Twisted Fairy Tales" is the theme, and the first lady of stand up comedy, Donald Trump's best-dressed Apprentice and Advocate for all of us Joan Rivers closes out the extravaganza! What a weekend!!!

To help defray the cost of putting on the Pride Parade Boom/The Room will host a fundraiser on Friday, April 30 with Special XXX-tainment! Come on down, and support the Parade and get a lift - - out of life...

On a negative note, there are some concerns in the Community that PrideFest should keep a stronger "Local Flavor" and not import and PAY Talent from neighboring states to come in and profit from our Weekend. This opinion has no reflection on the stellar International/National Headlining Entertainment listed above.

Feel like being apart of great art? J. Shimon and J. Lindeman cordially invite You to participate in "The Real Photo Post Card Project". Shimon/Lindemann are collaborative artists and professors of art at Lawrence University. They are nationally known. A retrospective of their work was held here last year at the Milwaukee Art Museum. To be legend-ized by these skilled photographers, trek out to their home/studio in marvelous Manitowoc - 90 minutes north of Milwaukee. They will shoot you with a decommissioned view camera, print the negative in palladium, then mail a postcard size print to you. To commission a portrait of you and/or your family, please call Debra Brehmer: 414-870-9930 or go to the Real Photo Postcard Survey blog at [realphotopostcardsurveyproject.blogspot.com](http://realphotopostcardsurveyproject.blogspot.com).

Exhibition at Portrait Society Friday, July 23 - Tuesday, October 5, 2010.

Tom Gaulke threw a Birthday Bash to end all birthday bashes! In celebration of his new decade and the anniversary of Juan's (who bartends Tuesday's at The Ball Game) birth - a fabulous fete was held at Hot Water. Jon Bauer (nee Lizzie Bordeaux) was Party Planner to the Birthday Boyz and all stops were pulled, to make for a most impressive night. The delicious food was catered in from Chez Jacques - magnificent! Paul and his Staff of Adam and Mitchell

## Mr & Miss Southeastern @ ICON

were most cordial in filling our cordials and as one wise sage put it – "Hot Water looked like The Wreck Room, The M&M Club, The Ball Game, Kruz, and M's all melted together".

Applause to the Ambassador for continually, having the highest ratings for service, quality, and quantity! Whether drinks at the bar or dining in the Embassy – always top drawer! Thanks to their very attentive Staff, like Andrew, Ike, Holly, Paul, and all.

Last month I mentioned two fun Clubs – one I just discovered, and one just opening... Club Charlies – in the Historic Third Ward has Nic on Saturday nites, not Nick –oops! Feel free to visit Dawn, Craig, and Nic, among others, at [www.clubcharlies.com](http://www.clubcharlies.com) and watch for them in the Pride Parade!

The other bar I referred to is now a reality! Hybrid Lounge 707 East Brady Street where Van Buren meets Brady. Bill Lison and Nate Fried, previously seen mixing at ETC., Switch, The Triangle, LaCage... now have their own domain. Along with Patrick, Dan, Andrew, and a slew of cuties to see to your needs. The Hybrid reminds me of a Halsted Street establishment – long, narrow, high ceilings, and a huge front wall of window facing west. The oversized, retro, B&W photos are neat too! I finally have a Regal Beagle; excuse the "Three's Company" reference – a bar within walking distance to Lavender Hill! A menu offering fine food is in the offing.

During this time of spring-cleaning if you would

like to refurbish your environment, try the Milwaukee Design Collection – 5205 West North Avenue 414-731-7296. Kerry and Michael would love to give your abode a new look. The showroom is open Tuesday – Friday 1:00 – 6:00 PM, Saturday 10:00 AM – 5:00 PM, if these times don't work for You, call for an appointment and feel free to visit them at: [www.milwaukeeedesigncollection.com](http://www.milwaukeeedesigncollection.com)

Shout Out(s) to Drew, Steven, and Peter, I appreciate your insight and kind words concerning Cordially yours..

Congratulations GAMMA on 32 years of service to our Community! To the next 32! To be apart of GAMMA pull up [www.milwaukeeegamma.com](http://www.milwaukeeegamma.com).

Which reminds me, I enjoyed a beverage or two with The Harbor Room's Gregg & Eddie and they are eagerly planning the 10<sup>th</sup> Anniversary of The H.R. taking place the weekend of July 23<sup>rd</sup>. Many surprises, celebrating the past ten years and the next ten years are in the making! Not to be missed!

It will be so nice to have Dr. Lance and Adam, from San Francisco, here on holiday, even if, ever so, briefly.

My deepest sympathies to Diane "Legs" Gregory who lost her dear Mother, Eleanor – AKA "Ma Legs" no question where all that energy, enthusiasm, and love comes from ...

Time once again to close, so please remember it is the glamour, not the grammar, as I remain Still Cordially yours..
