Welcome to Ruthie's Bitchin' Kitchen

Dear Ruthie,
It's that time of the year again—my secretary's birthday. And this time I really need your help! I don't know what to get her. Last year I got her a fancy brass pillbox full of my favorite medley of mood boosters, but she just THREW it at me, in a fit of rage. Ungrateful little bitch! But in her defense, I can't really blame her. For one, she's British, and frankly between you and me I think she thought they were Pez.

This year I thought I'd loosen the purse stings a little bit and get her a pair of rhinestone crotchless panties...like the pair Kelly Bensimon wore in her Playboy shoot. But in a way, I think it might be kind of like giving my bf a blender for our anniversary. You know, since they'd be something she'd want to wear to work anyway. Did I mention she's British?

That's where you come in. I rely on your discerning taste and delicate sensibilities. I know this is really selfish of me, but this year I'm really hoping to get her a gift worthy of an Emily-Post-style thank-you

card. See, my friend Carly Simon bought be a beautiful pickle magnet for Christmas this past year. And well, I think we both can see the problem: snazzy magnet but nothing to display! I feel naked! And so does my refrigerator. Can you help me out with a few gifty suggestions? I'm desperate!

Sincerely Your Pal, CB

Dear CB,

I've always found oral sex to be a perfect last minute gift. But then again this is your secretary, so that may not be a good idea. I mean, you wouldn't want to keep her from her job just so you can sample her fish fry. Plus, you're a gay man, so I'm guessing you don't want to go down that road...or go down any woman's road for that matter. So, let's consider something different.

If I were you, I'd get her what all British folks need...a dentist. Treat her to a good cleaning, and it wouldn't kill ya to spring for a whitening job and maybe a night retainer.

Actually, just go to www.cafepress.com/shopruthie.

That's right! My own little cyber shop has everything you need for any function. Tops, bags, aprons, caps, sweatshirts and even cute little thongs...all featuring my lovely puss. And what self-respecting Brit wouldn't want a picture of Ruthie on her kooch?

But, if your cheap ass just doesn't find anything on my Web site, give the old broad the afternoon off. She'll be thrilled, and doing so will give you plenty of time to rummage through her desk, looking for items for which to blackmail her come raise time. Or, treat her to a homemade dinner at your place some night. Step into my bitchin' kitchen, and check a few simple recipes...shared by readers just like you!

Ruthie's Bitchin' Kitchen

This month we have a few recipes that come together in a pinch. And who doesn't like a good pinch now and then? Check out Tony's and Chad's recipes, and you're sure to find two new favorites. Now...read them, try them and eat good and shut up!

only Todd, Dolph and a video camera. The two find ample opportunity for sex along the way, the lads doing double duty as their own film crew. Sans the usual Bel Ami polish, these scenes are refreshingly unscripted, surprisingly sexy and totally bareback.

The bareback sex continues during the lengthy finale as Ariel Vanean, a gorgeous brunet, joins Todd and Dolph for a pool-side three-way. When Todd and Ariel decide to give hardworking pool boy Dolph a break, clothes are quickly shed. The three lads jump in the pool although very time is spent swimming. Todd and Dolph take full advantage of Ariel, both taking Ariel from behind un-sheathed; Ariel seems happy to lap up Todd's thick, creamy load. After cooling off briefly in the pool, this sexy trio is back at it again, now with Todd in the middle. As he manfully makes of a meal of Dolph's manmeat, Todd eagerly surrenders his pucker to Ariel's

bare shaft. Later, Dolph proves a relentless fuck machine, thrusting deep into Todd while Ariel keeps Todd's unflagging erection on full simmer. His legs spread impossibly wide, Todd is once more skewered by Ariel, his muscles impossibly taunt as he coaxes out another load with Ariel's thick meat buried deep in his bowels.

Bel Ami's legion of fans will undoubtedly find something to enjoy in **Todd & Dolph**. There's real chemistry between Todd and Dolph, especially in their home movie sequence but also in the final scene with Ariel. Ralph Woods is always a treat and Todd's stairway encounter with adorable Jack Blue might just be the film's highlight. There might be disappointment ahead for those picking up **Todd & Dolph** just for the novelty of Bel Ami boys and their rather tame bareback scenes.

Measure Up from Channel One Releasing

Big dicks and measuring tapes are the order of the day in this latest release from Chi Chi LaRue. Cameron Marshall needs to measure off eight inches in the opening scene, so it is a good thing co-worker Cort Donovan's girthy measuring rod is the exact size. Pint size Cameron Taylor thinks he has a small cock, bearded Lucas Knowles eagerly proves him wrong. Lee Stephens, Vance Winter and Josh Vaughn all boast about possessing the biggest dick but it is a foregone conclusion that blond bottom Josh will take on all cummers. **Measure Up** saves the biggest for last, when cute twink Kai Ford eagerly takes on horse-hung porn legend Chad Hunt's every last inch. Only Hunt actually tops the charts but there's still plenty of meat on display in this rock-solid Chi Chi release.

Todd & Dolph, Bel Ami

From the moment that George Duroy began Bel Ami, the studio has unfailingly produced first-class gay adult entertainment. With sultry, blue-eyed stud Lucas Ridgeston as the fresh face of the franchise, Bel Ami offered beautifully filmed scenes of gorgeous, fit young men having safe, indeed invariably vanilla sex.

Lucas is behind the camera these days and with their two new releases Bel Ami has gone from safe to downright controversial first in **Todd & Dolph** and later in **Taboo**, which features the chiseled, already infamous Peters twins giving new meaning to the notion of brotherly love.

Todd & Dolph begins with the sort of lighthearted scene that has long characterized favorite Bel Ami releases. Acclaimed photographer Howard Roffman has enlisted Todd Rosset, Dolph Lambert and Luke Hamill for a photo shoot. This casual sneak peek behind the scenes offers the three luscious lads frolicking naked in a sun dappled lake. It is a scene echoing an early, more innocent time. Later Hoffman brings the three indoors for more frolicking. Jacking off side-by-side, Todd and Dolph provide a suitable creamy conclusion to this playful beginning.

During his extended stint with Bel Ami popular Canadian cutie Ralph Woods had hoped to be paired with blond stud-puppet Dolph Lambert. His wish was granted in the next scene. Ralph Woods is a perfect fit with the boys of Bel Ami. The youthful brunet is slim, trim and his endowment, in a word, is supersized. Ralph eagerly peels off Dolph's shorts and effortlessly engulfs his partner's quivering erection. Dolph gamely tackles Woods' erect uncut monster but looks much more comfortable deep dicking Ralph, first a missionary position and later in a side-by-side fuck during which Woods pops his nut for a second time. Dolph then pulls out and proceeds to coat

Woods' spent cock with a load of his own.

Todd's up next in a sweetly naughty bandage scene with another cute brunet, Jack Blue. Helmed by Bel Ami legend Lukas Ridgeston, this stairway encounter finds Todd tying Jack's hands to a convenient radiator. This allows Todd total control as he toys with Jack's instant erection. Next, Jack is blindfolded as Todd allows his bound partner to thoroughly pleasure him. Later Todd slides a condom on Jack's perky hardon and effortlessly mounts the sheathed ramrod. He clearly enjoys the ride. A change to a missionary position obviously suits both and as he is plundered relentlessly, Todd strokes his rigid shaft to full release.

After these two conventional Bel Ami pairings, Todd and Dolph are seen on a road trip for a Croatian holiday. Previously available only online, this sequence follows Todd and boyfriend Dolph as they film their getaway. Whether they are sight-seeing or performing such mundane tasks as making breakfast, it is

Party Wieners

Who likes a nice wiener? I do, I do! And, apparently, so does Tony from Milwaukee. He emailed me this hot little appetizer that's just perfect for sharing with a few hot friends during what's sure to be a hot summer. Thanks Tony! Your Bitchin' Kitchen T-shirt is on the way!

- 2 lbs. sweet Italian sausages
- 1 cup brown sugar
- 1 cup ketchup
- 1 cup beer

Roast the sausages under the broiler until skin is crispy and cooked through. Cut the sausages into 1/2 inch slices. In a small saucepan, combine the sugar, ketchup and beer. Simmer over medium heat. Place sausages in a serving bowl and top with sauce.

Ruthie's Culinary Clues

Serve the sausages with tooth-

picks for easy access. Wanna get creative? Drain a small can of chunked pineapple and dump into the saucepan with the sugar, ketchup and beer.

May-Day Dump Cake

Here's a sweet treat from a real sweetie. Chad of Milwaukee shared his finger-licking cake that can't be beat! Geez! Between the finger licking and beating and whatnot, maybe I should send this recipe to an erotic bakery!

- 1 20oz can crushed pineapple, undrained
- 1 can (21 oz) cherry pie filling
- 1 box (18.25 oz) yellow cake mix
- 1/4 cup chopped nuts
- 2 sticks butter, melted

Preheat oven to 350 degrees. Spritz a 9 x 13-inch baking dish with cooking spray. Dump pineapple into dish. Using a spatula, spread pineapple evenly on bot-

tom of dish. Drop spoonfuls of pie filling evenly over the pineapple. Sprinkle with cake mix. Top with nuts. Drizzle butter over nuts and cake mix. Bake, uncovered, for one hour or until top is golden brown. Serve warm.

Ruthie's Culinary Clues

Chad suggests using walnuts when making the cake, but says that if you don't like nuts, feel free to leave them out. He also serves the cake warm with scoops of vanilla ice cream. Don't feel like melting the butter? Simply slice the butter and set the slices over the nuts and cake mix.

Gotta recipe for Ruthie? Share it with her at dearmsruthie@yahoo.com. If she publishes your dish, you'll get a free T-shirt. And if you've got a problem only Ruthie can answer, send it her way as well!

Sue Luke Remembered A Memorial Party at Ballgame Saturday, May 22, 2 pm - ??

Who was Sue Luke

Born Eileen Susan Jane Luke on January 21, 1951 and entered into eternal life on May 29th, 2009. Leaving behind her life partner Beverly Tesch, Lynden Tesch, her pets, other family, and a multitude of friends. Sue was proud to work at Astronautics Delco and Delphi. Sue loved music, she played throughout her life with various bands. Including Excalibur, South Side Ride, Dame and Stardust. Her favorite song, "My Happiness," which her mother sang to her as a little girl every time her mother came to hear here, Sue would sing that song for her. After her mother passed, Sue never sang that song again. A talented guitar player, but singing country songs was her passion. I was privileged to play in two bands with her. She touched many with that voice. Even recording a CD in Nashville. I was proud to play along side her and blessed to have her as my friend. Come celebrate Sue's life. Drink a little, sing a little, and dance a little. Let's share some memories. Beverly, personally hopes to see her many friends and co-workers. She would sincerely like to single out Jay Reinke and Sharon Megna for their close friendships with Sue throughout the years and for their support after her passing. Thank you so much. Sue touched many lives and we all miss her tremendously.

this fact when getting your tattoo if you are going to be doing anything at the beach or participating in a sporting event, as both of those things can easily damage a tattoo beyond repair in some cases.

And this all I have to say about that. This month the mail bag was kind of dry and about all that was in there was a couple pieces of hair, two letters from my personal stalker, and a small man who I think is attempting to smuggle something into the country. (I think I'll just leave him tied up in the bag for right now and open that one later)

So without reader mail I am once again forced to plug away the upcoming pride events. Pridefest has announced their entertainers for the year and I have to say that it is a great line-up, with the exception that I had to Google a few of the names on the stage list to find out who they are. (or were as the case may be) The festival is really shaping up to be a great one for the record books. Don't forget June 11-13 at Henry Maier Festival Park, mark your calendar.

For more info visit
www.pridefest.com.

The Pride Parade is also in full swing from what I hear with an announcement of a Twitter and facebook page. They are also doing fundraisers around town to raise money they are some great parties so stay in tune with them for more info. The parade is on Sunday June 13th at 2:00pm. Be there or be square. It is down a drag some many of us have walked (and seen too much drag along) south 2nd street from Greenfield Ave to Seeboth Ave. Stand in front of your favorite 2nd street bar and watch, enjoy, and drink.

Well as I sit here staring out of my office window I can't help but think, and hope that winter is now behind us and summer is here to stay. With those summer hopes and dreams I want to, once again, remind you that Pridefest and the Pride Parade Are fast approaching. Just a little over one month and they will both be here! Pridefest will happen once again at Milwaukee's lakefront at Henry Maier Festival park (Summerfest grounds) June 11-13, for more info visit their website at www.pridefest.com. The parade is also coming! It will take place on Sunday June 13th at 2:00pm; the route is still from Greenfield Ave to Seeboth Ave along 2nd street. For more info check out their website at www.pridepardemke.org.

Alright now that that's done let's get on with it shall we? This month with summer fast approaching I thought it would be good to talk about tattoos.

While avid readers of my column will recall that I am a strong believer in getting tattooed and pierced in the winter most people don't listen and will get their work done in the summer. With the summer coming a few precautions and things to know about will help you in the care of your new tattoo in the harsh days of summer.

First off, let's review how to heal your tattoo. Wait a min, we did this before and if I remember correctly that took a whole damn column to explain!! So, let's just go over a quick review. 1. Don't ever pick the scabs!! (Pick your nose and not your tattoo okay!) 2.

Keep the tattoo out of water, with exception to when you wash it every day with mild antibacterial soap. 3. Moisturize your skin according to what your tattooist recommends. If they don't recommend it then don't do it. 4. Listen to your tattooist!! (The most important thing I think) Well that about wraps up how to take care of them, I wonder why the last time we did this it took a column? (That's right it's called "fill" in the industry)

Second of all, you absolutely need to make sure to protect your tattoo from the sun. This means using clothing to cover it or using sun block, not sun screen, on your tattoo. The sun destroys your skin cells (which is what makes you tan along with a bunch of medical stuff that will put anyone to sleep) which allows the ink form the tattoo to spread out in your skin. Overtime this will make your tattoo look fuzzy and almost out of focus. The only cure for this is to have the tattoo redone, a very costly position as you are now paying for the same tattoo twice! This is even more important if your tattoo is fresh as the skin has yet to heal from the initial injury, by putting it in the sun you are just hurting it more.

Lastly, make sure you protect your tattoo while you are out enjoying that wonderful weather. By this type of protection I of course mean against physical damage. (i.e. dirt, concrete, your drunk friend hitting it) A fresh tattoo is very sensitive and delicate, even a small cut or scrap on the tattoo could cause major damage to the artwork below. So be wary of

Tuesdays are PUMP! Night, and the party is still going on just at a new location – Crisp 1323 East Brady Street, right down the street from the Hybrid Lounge. Which reminds me the Hybrid, Milwaukee's only smoke-free Gay bar will be serving up food shortly so watch for their food service this summer. Let the parties happen on the east side!

Ryan Braun's Waterfront Restaurant formerly Fratello's Waterfront Restaurant at 102 North Water Street, across the street from the original M&M Club I predict will be the hot spot this summer. I was fortunate enough to be there on Opening Night that just so happened to coincide with Opening Day! The weather was like the result of the game – dismal – from bright, sunny, warm, to cool and rainy. But it didn't matter inside Ryan Braun's, the "South Beach" décor was most welcoming. EXPOSE UNDERWEAR LAUNCHES GLOBALLY WITH NEW BARELY-THERE LINE OF MEN'S UNDERWEAR

New York, NY: The top-selling men's underwear brand in Colombia, Expose Underwear, has launched globally with its new barely-there line of sporty and sexy briefs. Emphasizing the companies' motto 'DARE to EXPOSE', Expose Underwear's *Funky* and *Shear* collections are stylishly revealing briefs that show off a man's best assets. Expose Underwear's *Funky* and *Shear* collections are available in select retailers and online at www.ExposeUnderwear.com.

Made from a breathable, body-conforming stretch fabric (94% Su Pima cotton/6% Lycra), Expose Underwear's *Funky* and *Shear* collections are available in three sexy cuts – low rise, brief, and boxer – and in an assortment of vibrant colors. Every piece features the signature 1 1/4 inch microfiber elastic logo waistband with the bold stitched logo. The designs in the collections are designed to inspire confidence and exude masculine sexuality.

"Expose Underwear's *Funky* and *Shear* collections

are for guys who are not afraid to show it off in a quality, comfortable brief," explained Creative Director Jason Sutherland. "They are inspired by the men of Colombia who know they are beautiful and are not afraid to flaunt it. It's time for the rest of the world to expose themselves – if they dare."

With its flagship store in Colombia, Expose Underwear is a sporty and sexy brand, suitable for mid-tier and boutique stores as well as online channels. In addition to expanding globally, the company will add two retail locations in Colombia this year.

Expose Underwear is regularly compared to sport brands like 2xst and CK, a comparison Mr. Sutherland is trying to squash. "Our briefs eliminate lines and accentuate the positive. We use high quality perforated fabric that is so comfortable, you forget you have anything on."

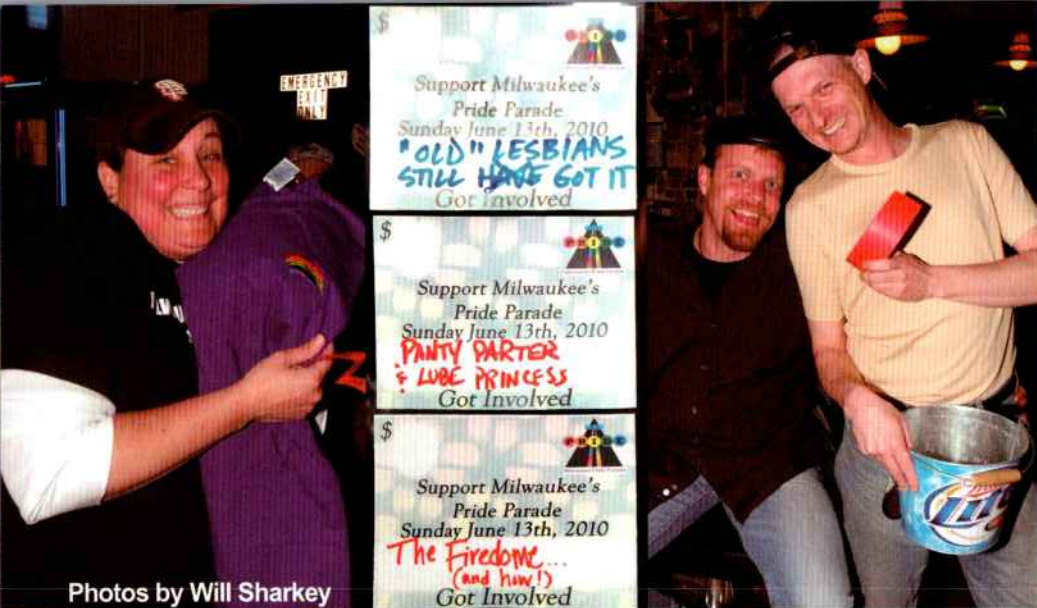

Expose Underwear's *Funky* and *Shear* collections retail between US\$22 and US\$28.

While on the subject of hot guys and Columbia, did you know Columbia is fast becoming the next big destination for vacationing gay men? With nightclubs, bars a fashion scene to envy and of course the beautiful men and beaches, Columbia is now right behind Brazil and Argentina on the South American travel "gaydar" according to a recent article in the New York Daily News.

The article states that Columbia only three hours from Miami has a fairly strong gay scene with progressive homosexual rights laws. Bogota is the largest city and is where the action is for the gay scene. According to the Miami Herald, Cartagena, Barranquilla and Medellin are also popular. Congratulations Tall Keith, and thanks to all who contributed ever so generously to the Camp HeartLand FundRaiser. The Warehouse never looked better thanks to Paul, and Staff. I'm very grateful to the Starlets that performed by sunlight: Dear Ruthie, Maple.

Jonathan, Miss Goldie Adams – what fun we all had! And \$2,600 was raised to send the youngins to Camp. And that total was raised at just one of the parties!

Kudos to two great emporiums of adult entertainment - - LaCage celebrated birthday number 26 in style. Michael & Kris always

FIVE TIME GRAMMY AWARD WINNING RECORDING ARTIST CHRISTINA AGUILERA TO RELEASE NEW ALBUM "BIONIC" ON JUNE 8TH FIRST SINGLE "NOT MYSELF TONIGHT" PREMIERED ON CHRISTINAAGUILERA.COM AND AVAILABLE ON iTUNES NOW

(With 30 million albums sold worldwide and the prestigious honor of being the only artist under the age of 30 included in Rolling Stone Magazine's list of the 100 greatest singers of all time, 5 time Grammy Award winner Christina Aguilera has already achieved an unprecedented level of success. Aguilera's been hard at work in the studio for the past year and is pleased to announce the release of her highly anticipated 4th studio album *Bionic* (RCA Records) on June 8th. The first single from *Bionic* is the fiercely energetic anthem "Not Myself Tonight", produced by Polow Da Don. The song premiered on ChristinaAguilera.com and available on iTunes on now.

My intention was to step into their world and what they do combined with my own vision and sound. The results were magic." The album also features a ballad produced and written by Linda Perry titled "Lift Me Up". The title *Bionic* reflects Aguilera's ability to take her range to new levels and use her voice in various ways never heard before.

Bionic features songs co-written by Aguilera along with her much buzzed about collaborations including Sia, Tricky Stewart, Polow Da Don, Le Tigre, Hill & Switch, and Ladytron among others. Aguilera notes, "Working on this album with so many talented artists and producers that I admire was really an amazing experience. The artists I chose to work with added so many unique sonic layers to *Bionic*.

Aguilera describes the album as a unique mix of many genres and styles of music. "I was able to explore and create a fresh, sexy feel using both electronic and organic elements with subject matter ranging from playful to introspective. I am so excited for my fans to hear the new sound. It is something I don't think anyone will expect."

In addition to completing the album which was all recorded from her home studio after the birth of her first son, Christina also completed production on her first film, "Burlesque." The film, which co-stars Cher, Stanley Tucci, and Kristen Bell will be released by ScreenGems this fall.
