WELCOME TO THE WORLD OF RAGG!!!

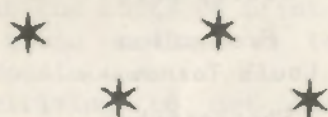

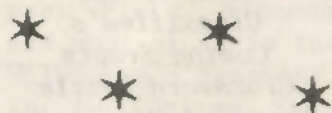

RAGG is Wisconsin's newest Entertainment Magazine. We hope to provide the populace of Wisconsin with an up to date publication featuring information about recent events and coming events in the major cities of Wisconsin.

We hope to have coverage expand, as the weeks and months go by---. So that, eventually there is a major section for each citie.

We want to be a non-biased magazine and we will welcome input from the community. Send your suggestions to: RAGG Publications, P.O. Box 4427, Milwaukee, WI. 53204.

## GREETINGS WISCONSIN

As you can see, we at RAGG Publications saw a vast need for an entertainment guide for our state. Hence, our decision to publish RAGG WEEKLY. Our format is on high quality offset bond paper. And, within a few weeks, we will have the facilities to do multi color work. We also own and maintain our own printing facilities, which allows us to undercut the costs of printing and we are passing these savings on to you, the businesses of Wisconsin.

RAGG Publications is striving to set the highest standards possible in the entertainment field. Wisconsin has so much to offer, and most of it is taken for granted, for example Milwaukee's Symphony is in the top 20 symphonies in the United States. The Florentine Opera, the theatre Companies and music groups all over the state. Wisconsin is a very artistic state. We will be covering and reviewing the fine arts in our state and we hope you will enjoy reading, as we explore our great state together.

We will be covering such areas as arts, dining out, nightlife, our bars, calendar of events, some fun gossip, crossword puzzle and many many more things to come. Again, enjoy with us Wisconsin. YOU GOT IT ALL!!!

## MUSICALLY SPEAKING

By Raymond Messick

"Last night a D.J. Saved My Life" well, everyone had heard it, danced to it, some have probably even done you know what to it. Well, Indeeep's 2nd "12" release entitled "When Boys Talk" has been released. The two records share alot in common. The tempo, and percussion (electronic) are nearly identical. The response hook is similar and the lyrics are sophomoric. But, most of all the subject matter is different and easier

to follow, and the sparse rhythm arrangement is even more infectious than "Last Night". Surely to be a hot sales item, a must for collectors.

If you have frequented 219's dance floor in recent weeks and have heard a medley of Patrick Cowley's hits. Well, its a medley. A "12" single on Megatone Records. Entitled, "Megamedley". This medley is a succinct sampling of Patrick's hits from the past two years.

D.J. Tommy Williams has designed a medley

WRECK ROOM'S benefit auction.

Tuesday May 17th, the Wreck Room held it's annual auction for the WRECK ROOM CLASSIC. The usual assortment of hot studs were on hand. Wayne (owner) enticed the crowd to bid on gourmet dinners, T-Shirts, Leather goods, Art-work and other numerous items that were donated. Recently, one of the bartenders of the Wreck Room was hospitalized. We hope his recovery will bring him back to us quickly.

The Y.P. (Your Place), hosted a cook-out on Sunday May 22nd to raise funds for the Wreck Room Classic. Except for late afternoon showers, the successful event went smoothly. Guests could enjoy the fresh air and each other's company. Members of the baseball team were on hand to help with the festivities.

Owners of Pegasus Travel (Gino left & Rudy far right) at Bobb's anniversary party at FINALE.

The Castaways held a get acquainted beer bust at the FIRST STREET bar on Sat. May 14th. A good time was had by all who attended. Besides the beer, there was also a tasty buffet (The usual leather activities were prominent throughout the afternoon).

that through each perfect mix, reveals the unity (not sameness) in Patrick's music yet, displays the depths and variety of this composition. The incredible energy and the power of his sound has been skillfully put together with excellent building momentum by Tommy. The "Megamedley" is beautiful, exciting and of course sad, reminding us at once of the joy of our gain, and the magnitude of our loss.

With all the music changes now a days,

the industry and artists are remixing oldies. They are also remixing Broadway plays. In this case "Cats". Profile Records has released a "12" remix of the plays hit song "Memories".

Until next time just remember Dance, Dance, Dance, and may all these showers we've been having bring many flowers.....

## Cruisin' Wisconsin Green Bay

Last week we attended the anniversary of My World in Green Bay. The weekend festivities included reduced prices, door prizes & a buffet at 11 p.m.. Sunday there was a cookout at 4 p.m. in the afternoon. Our bartenders for the event were Dan, Don & Mike. Naturally, the weekend was hosted by Bob & Scott the owners of My World. We can guarantee that a good time was had by all. The bar has a western atmosphere with country music. It's a nice party bar. Also, at the Bodyshop, catch the message board in the restrooms for hot tips!

Owner Bob & Stan checking hand sizes.

### Madison

While in Madison, I attended an opening of a new bar called Emily's. It was the nicest women's bar that I have been to, in a few years. Emily's is located at 805 E. Wilson (in rear). It has a Beer & Wine Bust on Wednesday from 7:30 p.m. til closing (\$3.00). Sunday there is another Bust with a buffet. If you do happen to find yourself bored; take a trip to Madison & stop at Emily's.

# AUNT BLABBIE

Well my dearhirs, your dear Aunt has been just so busy the past few days. She is just in a spin. I think that my typewriter has turned gay on me. Whenever I indent the old trap insists on going all the way.

Just the other day I was in Mad-town and I think we have another florist starting, she just can't resist wearing flowers everywhere, even to work, such Irish. Just a post-script, there is a new bar in Mad-town and it's called Emily's. I have yet to meet the old lady but, the bar is filled with good looking women (and they're real).

Ohhhhhh.... I just found out that a leading department store has started a fashion with none other color than purple! This rage has been sighted in the basement of the Club 219. This is just putting me in a daze.

I went to a party a week ago Saturday, at a known place and found an unbelievable way of playing pool (with a human body) and boy do they keep cleaning their floors.

I have to say, I think the new rage is patio's! Everybody and Uncle Sam has a patio. This summer should prove to be absolutely a spin. I went to the anniversary party at My World and things were really jumping, but really Bob, playing patty-cake? I also heard something about a \$1.98 but, have no idea what that meant. You people keep me in a spin. No wonder I'm getting old. The bartenders from a certain bar in Packertown as usual, knows everything about what's happening. Who needs me? Putting me out of business? Really just ask them.

Well, got to go. I'll be seeing you at the coming gala affairs. There is going to be lots of delightful things to eat. Even food!
