## EDITORIAL

Recently a situation arose concerning Ragg Magazine's stand on accepting advertisements from a Milwaukee based business, which caters to gays, one night a week. Many people have expressed the opinion that this business contributes little to the Gay Community. I feel this is inherently unfair.

We deal with the straight community everyday, 365 days a year. We cannot escape from that fact. Ragg Magazine's policy is such that if a straight owned business wants to advertise, and the business is not detrimental to the gay community, we are obligated to take their advertising. We don't practice "Reverse Discrimination" (gay vs straight).

Did it ever occur to this business that if they ( and other gay businesses) supported Ragg Magazine, that there would be less of a likelihood for us to go elsewhere for advertising? This business, which was so negative toward our stand, was NOT AN ADVERTISER. If they want to support the gay community, they can start by putting the money back into the gay community, via Ragg Magazine. I'm not saying we would not still accept advertising from businesses that cater to gays on a part-time basis; I am saying that we feel that the spirit of competition is good for businesses and we invite competition between them. Ragg has a competitor and we welcome the competition. It keeps us on our toes.

Furthermore, as a publication, it is our job to inform our readers what is available. It is up to the individual to decide whether or not to patronize a business! It is not up to us to enforce what businesses, should or shouldn't be patronized by our readers.

In closing, I would like to pose a purely speculative thought-- Has anyone from the Gay Community approached this part-time gay business and asked them to contribute something positive to the Gay Community? If they have, I'd like to hear from them. If they have not; then why not?

The big event this past weekend was the Mr. Rod's Contest. It started off on Saturday with a Jello Wrestling Contest. Among the wrestlers were Rodney, Kelly & Erin Criss. The matches were M.C.'d by Ray Burns who unwilling got into the act. That was followed by a LASER Light Show with a lot of good music. Every so often the wind blew the smoke back toward the machines, but the lights still remained effective. People stay til closing & then milled around outside the bar for about an hour.

Sunday the day started off at 2 pm with a beer bust. The crowd was light until about 4:30 pm, then the bar started filling fast. The buffet at seven featured Bar-B-Que Chicken, Corn on the Cob, salad, etc. Later, the contest itself started. The show was fast-paced & our M.C. SASSY, was the Ringmaster for the evening. The entertainment was provided by Dan Summer & Donna with their magic act. Good Show! The winner of the contest was J. Eric Charone. The runner-ups are David Lee & Chuck Harrington. Congratulations MEN! The judges were Wayne (Wreck Room), Jimmy (Your Place), Jimmy (Gold Coast), plus Chuck (Touche's) & Erin Criss from Escape.

The contest ended at 11:30 & left plenty of time to party. Later, for those lucky enough to get invitations, there was an after hours party, hosted by the GOLD COAST, TOUCHE'S & MANS COUNTRY OF CHICAGO. Believe me it was one good time! It was a great way to end the weekend.

Many of JoDee's patrons are still buzzing about the wonderful time they had when Appleton's, 1101 West Volleyball Team came to Racine to play ball. Remember Appleton, we will be coming North!

Speaking of remembering, hopefully everyone will remember the bike ride this Sunday, Aug. 21st. Participation has been increasing with each bike ride, so join us at 4pm. We will be leaving from JoDee's.

A nice thing is happening with the Gay/Lesbian Union in Racine—they are experiencing a re-birth in membership. Meetings have been changed to the 1st Tuesday of the month. So the next meeting will be Sept. 6th, but mark that date on your calendar now.

Instead of the normal talk of the town revelations, I would like to inform Racine that Norma Bates & Co. have taken a long-overdue vacation to "p" town. Hopefully, they will have a wonderful time & take lots of photos for the Sept. slide party at JoDee's.

## NORTH AMERICAN MEN'S MUSIC CONFERENCE

Billygoat Productions announces the first North American Men's Music Conference to be held on October 21st, through the 23rd in Milwaukee, Wisconsin. The conference will be held at the Marc Plaza Hotel in the heart of Milwaukee's downtown area; within easy walking distance of museums & cultural institutions, as well as Lake Michigan.

The purpose of this conference is to bring together people who perceive that many of our communities' needs are not being met by mass art forms, & who are interested in working to remedy this situation. We encourage anyone who is interested in ANY form of cultural work, not just music, to attend & to share with us their ideas about the emerging Men's culture.

We feel it necessary, along with exploring the conceptual aspects of alternative men's culture, to direct our energies to the more practical problems of providing community access. Therefore, a focus of the conference will be on production, with workshops devoted to the various tasks involved in putting on a performance. A specific goal of this conference is to encourage the development of a strong national network of alternative production companies capable of serving our communities, nurturing the growth of alternative men's artists everywhere. We know there is much work to be done in the area of transforming culture. We feel that this conference is an important step in that process.

A concert will be presented in conjunction with the conference on the evening of October 22nd. The registration fee for the conference is \$35.00. For more information & registration forms, please write to: CONFERENCE, in care of Billygoat Productions, P.O. Box 11725, Milw., WI. 53211. Those interested in presenting workshops are requested to provide a one page outline of their presentation addressed to: WORKSHOPS in care of the above address.

PRESS RELEASE COURTESY OF: BILLYGOAT PRODUCTIONS

Activities at a gay guest house are varied & wide in range. Most guests are lodging at a guest house as part of their vacation plans as opposed to the "drop in for one night" type guest. Because most guests have selected a guest house for their lodging during their vacation, most of them expect to find a range of activities offered while there. Swimming, & sunning is almost a pre-requisite in the Winter warm weather areas. Sailing & some of the newer aquatic recreational activities may also be available in areas where guest houses are near bodies of water, as in Key West, Provincetown & some Caribbean destinations. Biking is another activity available at most establishments usually from some nearby rental facility. Another trend is toward Mo-peding, but this may be less available than biking.

Table games are always available in the living areas of the house, & this is usually the place where guests come together in the AM for continental breakfast, & in the late afternoon for either tea, or wine hour & sometimes even a cocktail party before dinner. It is during this time that talking & sharing take place. A time for making new friends & acquaintances. Sometimes guest houses hold weekly Bar-B-Ques in an attempt to get guests to become involved with each other. For the solitary traveler who prefers solo activity, exercise equipment as well as music libraries in some cases, will be available. Some guest houses round out evenings with impromptu shows, or movies during which a nightcap is offered. One could almost enjoy a vacation just in the seclusion & varried atmosphere of a gay guest house.

Although the rates at a few guest houses are out of the lower range, most fall into a reasonable area. The prices I list here are average, without taxes, based on double occupancy & are priced in high season. Average price for a room with private bath is \$39.00/night. Two exceptions I encountered were at \$90.00 & \$92.00/nightly. Prices for kitchenettes (usually a regrigerator, sometimes a mini-kitchen area) are \$50.00/night. Full kitchen type accomodations are \$60.00 a night. A more economic type arrangement for the budget-minded traveler is the shared bath type accomodation, sometimes shared

between two rooms, & sometimes one bathroom per floor (about four rooms to a floor). The price on these are \$30.00. Remember these are suggested guideline rates.

Guest houses can be found in the following places: Key West, New Orleans, Houston, Dallas, Palm Springs, San Francisco, Chicago, Boston, Provincetown, Washington D.C., New York, Easthampton, Fire Island, San Juan & Amsterdam.

The next time you travel, support a gay business, try a Gay Guest House for a stimulating change of pace!

Hi, I'm new here ( first time I've used that line & got away with it!). Let's set a few things straight. First off - I D.J. on tape. Lotsa people seem to think you're not a D.J. unless you're up in a booth doin' it. Well, that ain't so. It takes the same skill to do it on tape, but a lot more cash. I supply all the equipment, at my home (you shou check out my equipment!). & I don't have a club backing my record purchases. Any record you read about here you can buy, cause I did.

Now let's get down to business. Michael Sembello has an extended version of "Maniac" from the movie "Flashdance" which is just out. The song was hot on the soundtrack L.P. & it's even better in its special dance mix version. Also from the movie, "Flashdance", "What a Feeling" is now available on a 12" single in an extended version the one you've been hearing that isn't on the L.P.

Pamela Stanley's "I Don't Wanna Talk About It" is a sure bet to be heard at more places than 219 in the future. Its a hot song even when GLinger Spice isn't doing it to it! Watch out for "Wrap It Up" from the Eurhythmics, "Sweet Dreams" L.P. It should be played soon due to its

good beat & double entendre lyrics - a real sleeper.

Another sleeper worth mentioning here is "Monkey Time" from the Tubes' "Outside Inside" Album. It features Martha Davis from the Motels & is a solid remake of that oldie. Also, Sparks borrowed Jane Wiedlin from the GO GO's to do the female vocals on two tracks; "Cool Places" & "Lucky You, Lucky Me". The Red Rockers' "China", 12" has a remake of "Ball Of Confusion", the old Temptations song, which features Debora Iyall of Romeo Void.

Now you know where the girls are, so get out, listen to the music & find out where the boys are---
