Dear RAGG,

After reading your editorial concerning Marquette Free Press's article on Gays, I procured a copy so I could evaluate, firsthand, the entire viewpoint. I have come to the conclusion that the Gay Community will, at best, be a tolerated minority.

I'm sure most of us Gays would like a reasonably *normal* lifestyle, with the fringe elements frowned upon, as in straight society. But, unfortunately this will, I feel, never be the case. The straight society's limits will always be imposed upon us. Unfortunately, we have no other choices but to meet in bars, parks or bookstores!

Straight society has relegated to us, these covert meeting-places. The reasons are varied. Mainly it's the "fringe elements" that have gotten the most publicity that has been derogatory toward the "normal" (i.e. straight-appearing) Gays.

What to do? I suggest a less flamboyant lifestyle! If we are going to have to function in straight society, we have to conform when we must conform, and protest when we must protest. What we must do, which is most important, is to use the straight lifestyle as a role-model to see what we are doing that offends them, and adapt elements of their society into our own unique lifestyle. Then, and only then, will we gain acceptance from the straight world.

## WAUSAU

The PENDULUM in Wausau sponsored an AIDS research benefit weekend September 3rd-5th. September 3rd was "bar night" with the bar donating 5¢ to the fund for each drink sold.

The big event, held Sunday, September 4th, was a picnic at Jim & Greg's (owners of the PENDULUM) ranch near Wausau. The picnic was attended by well over 100 people from a four-state area! Activities included volleyball, treasure hunt, dice games, and a very popular dunk tank. The party-goers consumed over 60 pounds of ribs, 80 gallons of beer, dozens of cans of corn, and 20 gallons of soda. All the booze was donated by the PENDULUM. Salads, cakes, donuts, and utensils for the event donated by the bar patrons.

Fund-raising was capped-off Labor Day, September 5th. Casualty prizes helped to raise even more money for the fund!

The weekend's events raised \$700 for AIDS research. All donations have been forwarded to the HOWARD BRONN MEMORIAL CLINIC.

## MILWAUKEE

HEY MILWAUKEE, WHO HAS THE HOTTEST MEN & WOMEN IN THE MIDWEST? As far as the latter are concerned, if you missed Dr.'s Grand Opening Celebration you missed a lot! With everybody in good spirits, (helped by FREE beer), they had a nice spread! Veggies, delicious salads, (by the way, I want the recipe from whomever made the potato salad!), hot ham, and barbeque were also served with great relish. (don't mind!) I personally had a great time and so did everyone else who attended! Good luck, Dr.'s! Thanks for the nice time!

If you have been reading the past few issues of RAGE, you would have known that YOUR PLACE (YP) had its 18th Anniversary Party on Sunday, September 18th. As usual, owner, Wayne, had a fantastic selection of food! (See Centerfold for Pictures) The celebration proved once again, that Milwaukee does know how to party! Thanks to Wayne and Staff, for a great time!!!! (By the way, Hon, ate blended Pizza-ish all that great?????)

Club 215 surprised us Sunday, with a Fashion Show sponsored by the famous George's on Water Street. I was impressed! Though it was last-minute planning, it looked as though they were planning it for months! Good Show! (see photos this issue)

Although I didn't make it to LOST & FOUND Corn Roast, my ~~slate~~ informant informed me that he had a great time! With so many things going on in one day, I wasn't able to be everywhere! Anyway, everyone was all festive. It's nice to see such a diverse group all enjoying themselves! (see photos, this issue)

We are in production for this issue while CLUB 219 shows their new Mt. 2191 wherever you are, we will report on you next week. (with photos!)

#### NEWSFLASH!

Try not to miss the WRECK ROOM's Mt. Wreck Room Contest this Sunday at 10:30pm! I will be there with my little(?) camera. Hope to see you there!!!

Whew! Whata week! I needed a couple days to recuperate from all the activity! Keep it up, MILWAUKEE!!!!

## NORTH AMERICAN MEN'S MUSIC CONFERENCE

BILLYGOAT PRODUCTIONS announces the first North American Men's Music Conference to be held October 21st-23rd in Milwaukee. The conference will take place at the Marc Plaza Hotel in the heart of Milwaukee's "new" downtown area, within easy walking distance of museums, cultural institutions, as well as Lake Michigan.

The purpose of this conference is to bring together people which perceive that many of our community's needs are not being met by mass art forms, and which are interested in working together to remedy this situation. We encourage anyone who is interested in ANY form of cultural work, not just music, to attend and share with us their ideas about the emerging men's culture.

We feel it is necessary, along with exploring the conceptual aspects of alternative men's culture, to direct our energies to the more practical problems of providing community access. Therefore, a focus of the conference will be on production, with workshops devoted to the various tasks involved in putting on a performance. A specific goal of the conference will be to encourage the development of a strong national network of alternative production companies capable of serving our communities, nurturing the growth of alternative men's artists everywhere. We know there is much work to be done in the area of transforming culture. We feel that this conference is an important step in that process.

A concert will be presented in conjunction with the conference on the evening of October 22nd. The registration fee for the conference is \$35. For more information and registration forms, please write to:

CONFERENCE  
PO Box 11725  
Milwaukee, WI

Those interested in presenting workshops are requested to provide a one-page outline of their presentation addressed c/o WORKSHOPS in care of the above address.

# DEAR DAVID

Dear Readers,

This is to introduce the newest, hottest addition to ever hit RAGG Magazine, possibly the world! It's the solution to your dilemmas, and the "friend that's always there!"

## \*DEAR DAVID\*

At times, we all have questions about life in general that we're just too shy to ask, or possibly we don't know of a person to ask. This is where "DEAR DAVID" fits in. It will be a bi-monthly column designed specifically to answer these questions to help you get "back on the track" if need be, and to console when it seems that all others have turned their backs.

But, I will also need the help of YOU, the public, in sending questions, letters, or by just dropping a line to say "Hi!". Remember: it is not just a problem "hotline", and there is a person behind this pencil, with feelings and emotions like your own!

Therefore, I will most probably understand what you're going through, and I do want to help! So please, Send in all questions, no matter how dumb they may seem, because, as a famous person once said: "There are no dumb questions; questions show a thinking and growing person. Also remember, This is your column! so please make the best of it.

Finally, I would like to add I don't claim to be a psychologist, but I do promise to be a FRIEND!

Sincerely Yours,  
DAVID

THIS IS A REPEAT OF LAST WEEK'S COLUMN

## A Few Objectives of This Column...

Despite contrary belief, yes, people should read about recordings that they cannot purchase yet. In the 10 years that I have been disc jockeying, it has always been the CLUB & CRUISE bars which receive new recordings through record pools. This is the 1st Stage. 2nd Stage, is the reporting to magazines such as, BILLBOARD, DANCE MUSIC REPORT, and even, RAGG! This is accomplished through unbiased reporting about the new music product that has come out. The critical 3rd Stage, is the playing of these songs by the various clubs (Dance or Cruise) so that they get exposure, and hopefully gain acceptance! The 4th Stage, is when the recording gets released to various outlets throughout the country (retail) . that's when you, the general public, can purchase them!

This has been the way the record industry has set things up, and that's the way things will probably remain for a very long time!

Short tidbit of informations

"Out in the Night" by SERGE PONSAR is #7 on Billboard Dance Charts and #3 on my Pool Chart, Kip! Also, it's climbing the R&B charts, fast!

Until next time, Keep Dancin'!!!

RAYMOND
