Holiday Greetings from the Cream City Chorus!

Tonight we assemble for our third annual Christmas Concert to bring to you old and new seasonal favorites. Songs which we hope will stir feelings of warmth, of friendship, of peace and goodwill, and of love to those close to you.

'Twas the Night marks our first major appearance since our successful trip to Seattle, Washington where we participated in GALA III. This conference had been a dream of ours since our very beginning on 1 April 1987 and, as a result of our participation in GALA III, it has brought us a new sense of focus, a new sense of commitment, a new sense of community. It also marked the beginning of a new epoch for the Cream City Chorus, for now we realize we are not alone, nor can we allow those who are alone to feel alone. We are proud. We are strong. We possess the gift of song and to share it we must to not only entertain but also to educate. The Cream City Chorus would like to thank all of you who helped us achieve our dream of GALA III and we hope that through your continued support the message learned in realizing this dream will not be lost.

So sit back. Relax. Enjoy this evenings performance, for we, the members of the Cream City Chorus, would like to say (as the song goes) "Have yourself a merry little Christmas" for 'Twas the Night...
