NABC meets in New York

May 15 and 16, CCBA President Ralph Navarro and Treasurer Gene Berube attended the National Association of Business Councils meeting in New York City. Representatives from San Francisco, San Diego, L.A., New Orleans, Miami, Washington D.C., Albany and N.Y. were in attendance. At the meeting Ms. Jean O'Leary of L.A. was installed as President.

Other elected officers include: Arthur Lazare, S.F., as President-elect; Werner Kuhn, Albany, Vice President; Jim Newton, D.C., as Secretary; and Jack Campbell, Miami, as Treasurer. The group decided to broaden the services of NABC which would include four newsletters per year, active communication through the Gay Press Assn., providing a conference to all NABC members, as well as the exploration of a National health/major medical insurance program for all members.

Member of Congress Ted Weiss, D.-N.Y., addressed the NABC May 16 luncheon. Weiss and Henry Waxman have sponsored HR 1454 which will amend the 1964 Civil Rights Act to prohibit discrimination on the basis of sexual orientation. The Member of Congress urged all to regularly inform their own Member of Congress on pending legislation. He likewise informed the gathering that the Moral Majority is not a myth that will just go away on their own, but must be stood up to forthrightly.

The next NABC meeting is open to all members and will be held in San Francisco Nov. 6-8. Begin now to save and we will be able to charter a flight!

Women wanted

CCBA is striving to be as representative of the Milwaukee gay community as is possible. Because of our commitment in this area, we are actively seeking lesbians in the Milwaukee business and professional community to join us at CCBA. As members of the NABC, our commitment becomes part of a nationwide effort to develop gay interests. If you know anyone interested, have them call Ralph Navarro at 964-9993.

WCLU head speaks to May meeting

More than 35 people attended the first monthly CCBA meeting held May 13 at the Beer Garden. After a few cocktails, and an excellent dinner, Ms. Edgar of the Wisconsin Civil Liberties Union, spoke to us on employment discrimination and suggested we contact WCLU when discriminated against.

SF founder visits

Founder of the first American Gay Business Association called the Golden Gate Business Association, John Schmidt, addressed the CCBA Executive Committee at V.P. John Kujawski's home Thursday, May 21. GGBA was founded in 1972 with Harvey Milk as a co-founder. Presently GGBA has over 600 individual Business members and is sought out by every major political and business group in San Francisco.
