 Dinner at 7:00 pm
 PLACE: Boulevard Inn

 Milwaukee, Wi.

Mr. Hudson is President of the University National Bank on Downer Avenue in Milwaukee. Since it is located on Milwaukee's east side, his bank is frequented by many of the city's gays and lesbians. He will speak to our need for developing a better rapport with our banker and therefore getting more out of our hard-earned dollar. The evening will be hosted by a CCBA member at the Boulevard Inn restaurant, one of Milwaukee's oldest fine dining establishments. Reservations can be made by calling Ralph at 964-9993 or Royce at 282-3333 by November 8.

Maguire at October Meeting

Dr. Daniel Maguire, reputed international lecturer and Professor of Theology at Marquette University called the Moral Majority, a right-wing group headed by the Rev. Jerry Falwell, "full of hatred, anti-semitism and racism".

Speaking at the October 12th meeting, MaGuire continued his talk by relating the current increase in attacks on gays and lesbians to the Moral Majority and its related right-wing groups.

According to MaGuire, "Falwell represents traditional WASP interests, who believe those who 'have' in this society got there because God likes them. If a person is one of the 'have nots' it must be because God doesn't like them" "Unfortunately," MaGuire continued, "in this society the 'have nots' are gays, blacks, hispanics and anyone else who varies from the white upper class mold."

MaGuire concluded his talk by encouraging gays and lesbians to "Go Get Them!" He advocated the forming of a coalition of many peoples to fight the right-wing trend and he emphasized the point that it is too late for each one to fight separately if we are to have any chance at succeeding.

Dinner Meetings Support Gay Business

It is the policy of the Cream City Business Association to encourage and support gay business within the Milwaukee area whenever it is possible. Thus, our monthly dinner meetings are held at restaurants in the area that are either owned or managed by members of the gay/lesbian community. This requires that we pay for the services the restaurant provides, even if on occasion that price may seem a little high. CCBA does not take in a profit on these dinner meetings. Enough is charged to cover only the cost of the dinner and small fee to the speaker for the evening. If you have suggestions for new restaurants where our meetings can be held, please let a member of the Board of Directors know. We appreciate any input you can provide.
